

**AWFUL PSORIASIS 35 YEARS.**

**Terrible Scaly Humor in Patches All Over the Body—Skin Cracked and Bleeding—Cured by Cuticura.**  
 "I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three cakes of Cuticura Soap, six boxes of Ointment, and two bottles of Resolvent. In thirty days I was completely cured, and I think permanently, as it was about five years ago. The psoriasis first made its appearance in red spots, generally forming a circle, leaving in the center a spot about the size of a silver dollar of sound flesh. In a short time the affected circle would form a heavy dry scale of white silvery appearance and would gradually drop off. To remove the entire scales by bathing or using oil to soften them the flesh would be perfectly raw, and a light discharge of bloody substance would ooze out. That scaly crust would form again in twenty-four hours. It was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without removing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at nights after getting warm in bed, or blood warm by exercise, when it would be almost unbearable. W. M. Chidester, Hutchinson, Kan., April 20, 1905."

**Dr. Pierce's Favorite Prescription**

Is a powerful, invigorating tonic, imparting health and strength in particular to the organs distinctly feminine. The local, womanly health is so intimately related to the general health that when diseases of the delicate womanly organs are cured the whole body gains in health and strength. For weak and sickly women who are "run-down," "run-down" or debilitated, especially for women who work in store, office or schoolroom, who sit at the typewriter or sewing machine, or bear heavy household burdens, and for nursing mothers, Dr. Pierce's Favorite Prescription has proven a priceless benefit because of its health-restoring and strength-giving powers.  
 As a soothing and strengthening nerve. "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, chorea, or St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the womanly organs. It induces refreshing sleep and relieves mental anxiety and despondency.  
 Cures obstinate cases. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of "female weakness," painful periods, irregularities, prolapsus or falling of the pelvic organs, weak back, bearing-down sensations, chronic congestion, inflammation and ulceration.  
 Dr. Pierce's medicines are made from harmless but efficient medical roots found growing in our American forests. The Indians knew of the marvelous curative value of some of these roots and imparted that knowledge to some of the frontier whites, and gradually some of the more progressive physicians came to test and use them, and ever since they have grown in favor by reason of their superior curative virtues and their safe and harmless qualities.  
 Your druggists sell the "FAVORITE PRESCRIPTION" and also that famous alterative, blood purifier and stomach tonic, the "GOLDEN MEDICAL DISCOVERY." Write to Dr. Pierce about your case. He is an experienced physician and will treat your case as confidential and without charge for correspondence. Address him at the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., of which he is chief consulting physician.

 The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

**He Was Satisfied.**

An automobilist who was touring through the country saw, walking ahead of him, a man, followed by a dog. As the machine drew near them the dog started suddenly to cross the road; he was hit by the car and killed immediately. The motorist stopped his machine and approached the owner.  
 "I'm very sorry, my man, that this has happened," he said. "Will \$5 fix it?"  
 "Oh, yes," said the man, "\$5 will fix it, I guess."  
 Pocketing the money as the car disappeared in the distance, he looked at the dead animal.  
 "I wonder whose dog it was?" he said.—San Francisco Chronicle.
