Geo. Sheldon of Cass county has announced his candidacy for the republican nomination for governor. Mr. Sheldon is one of the brightest, ablest and cleanest young men in the republican ranks in the state. He has served two terms in the legislature and made a record as an advocate of reforms in many ways. Judge Jessen of Nebraska City will not be a candidate, as he is a close friend of Mr. Sheldon's. He will do what he can for Sheldon's nomination.

On Saturday evening, March 17, at 8:30 o'clock, at the residence of J. F. Henzie, 911 N. 24 St., occurred the marriage of Geo. L. Suter of Omaha, and Mattie E. Grate of Nemaha. Only the most intimate friends of the contracting parties witnessed the ceremony which was performed by the Rev. Chas W. Savage. The bride wore a becoming gown of dark blue cloth. Mr. Suter is manager for the Ribble Paper & Wooden Ware Co. and has resided in Omaha nearly all his life. Mr. and Mrs. Suter will reside at 911 N. 24 St. where they will be pleased to see their many friends.

The reason why Harry Kimmel closed his show was for the want of proper support. He had too many amateurs that had more conceit than talent. Two of his men drank and he fired them. Mr. Kimmel always tries to carry a good clean show. He has press notices and recommendations from most every state of the middle west and from cities that count their populations by the thousands and he don't have to come to Nemaha to have some dude tell him he is no manager or actor.

I write this article to warn a few people of this community they had better be careful how they talk or they may be called to prove a few things.

FLORENCE KIMMEL.

Gen John M. Thayer died at his home in Lincoln Monday evening, at the advanced age of 86 years. The general came to Nebraska in 1854 and has been a prominent figure since that time. S. volunteers; member of Nebraska's first constitutional convention; United States senator from 1867 to 1871; governor of Wyoming territory from 1875 to 1879; department commander Nebraska G. A. R. in 1886; governor of Nebraska from 1887 to 1891. Before his death some time he made arrangements for his funeral in all its details. Col. T. J. Majors was selected by Gen Thayer as one of the honorary pall bearers.

How much money will the average farmer of Nemaha county clear this season? Every man, woman and child in the county is directly or indirectly interested in this question: for agriculture is at the basis of all prosperity. Weather, market conditions and many other causes will enter into the calculation, but the energy, industry and good common sense of the farmer and his family are the most important factors. Our farmers are the most progressive in the country and are always on the alert for the newest and best methods. Many of them are subscribers for The Homestead, of Des Moines, Iowa, an exponent of both practical and scientific agriculture; and many more are seeing each year the importance of reading a good agricultural paper. The Advertiser is glad to announce that we have made excellent clubbing arrangements with The Homestead. Come in and subscribe for it next time you are in town. It will cost you but a small amount in comparison with its value, and it will help you to make money with your farm.

All persons knowing themselves indebted to me will please call in and settle within the next week and oblige Very respectfully,
 E. L. PARIS.
