Republicans ought to vote for Mr Pollard because he stands for what they believe in in national politics Democrats ought to do the same because he is a square man standing on a square platform.

One of the populist leaders in a speech at Howe a few short years ago said if the republicans were victorious there would be no more fourth of July, as this would be a monarchy in effect if not in fact. But he responds to demands and makes fourth of July speeches, although the republicans were victorious in that election.

Isn't it a little odd that the democrats and populist are keeping so quiet about their former demand for "free and unlimited coinage of silver at the ratio of 16 to 1, without the aid or consent of any other nation on earth"—the paramount issue that must be settled right—that is in favor of their demand—before they would allow any other issue to come to the front.

Lincoln is a nice city and contains many good people. It has not a monopoly, however, upon all the congressional talent in this district, and there is no good reason why any republican in any of the other six counties outside of Lancaster should vote for a democratic lawyer from there rather than for a good true republican farmer from their own midst -- Ex.

The Rev. Irl R. Hicks has been compelled by the popular demand to resume the publication of his well known and popular Almanac for 1907. This splendid Almanac is now ready. For sale by newsdealers, or postpaid for 25 cents, by WORD AND WORKS PUBLISHING COMPANY, 2201 Locust Street, St. Louis, Mo., publishers of WORD AND WORKS, one of the best dollar monthly magazines in America. One Almanac goes with every subscription.

If Quackenbush and Redmond are elected representatives they will vote for W. H. Thompson for United States senator. If Thompson is elected he will vote for a free trade measure, or tariff for revenue only. If we get this kind of tariff legislation we will again have the "good old democratic times" that we had during Cleveland's reign. There will be no trouble in getting men to work, and at a low figure—the trouble will be in getting anything with which to pay them.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium. Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. All dealers.

Each republican should vote November 6.

It is more profitable to reduce freight rates by voting the republican ticket than to spend election day in the corn fields.

Republican candidates are pledged to reduce freight rates.

Reduction of freight rates will increase the value of crops and the land on which the crops are raised.

A vote for Sheldon, November 6, will be a vote to reduce freight rates.

A vote for Lawrence, Parker, Armstrong and O'Connell for the legislature, November 6, will be a vote to reduce freight rates.

A vote for Lawrence, Parker, Armstrong and O'Connell for the legislature, November 6, will be a vote for Norris Brown for United States senator.

A reduction of six cents a bushel in freight rates on corn would increase the value of the corn crop more than \$2 an acre.

Republican candidates are pledged to reduce freight rates.

Farmers cannot afford to remain away from the polls November 6.

A vote for the straight republican ticket is a vote to support President Roosevelt.

Some Figures

In 1900 the fusionists at the state assessed the Nebraska railroads and Pullman Car Company at \$26,442,249.

The republicans coming into power in 1901, raised this fusion assessment \$115,000.

In 1902 the republican board made another raise of \$217,000.

In 1903 the republicans raised the assessment \$510,000.

In 1904 they raised it \$18,893,000 more.

In 1905 they raised it \$1,212,000 more.

In 1906 they raised it \$421,000 making a total raise in the railroad assessment for the six years of 80 per cent more than the fusion assessment of 1900.

The fusionists raised the assessment of these corporations \$964,000, while the republicans raised the assessment in six years \$21,398,701.

The Union Pacific and Burlington refused to pay under the 1904 assessment, claiming it was too high, but instead of receding the republican board advanced the assessment still higher in 1905. Again these roads refused to pay and again the republican board advanced the assessment in 1906.

This is the record of republican officials as to railroad assessments. While the railroads are resisting the payment of taxes levied against them it is not strange that they are also resisting the election or re-election of republican state officials responsible for the increased assessment and the promotion to the United States Senate of the attorney general who has successfully prosecuted the suits for enforced collection.

The auditor's reports show that for the four years 1897-1900, the fusionists paid to the state treasurer \$195,947.79, fees earned by the several departments, while the republicans for 1901-1904 turned in the sum of \$348,917.46, and during the last twenty-two months the fees amounted to \$282,098.90.

Compare records.

There is a new deal in affairs in Nebraska and the people are fighting for lower railroad rates. So many things are happening of real interest to every citizen that a daily newspaper is now a necessity. The biggest bargain that has come to our notice is The Daily State Journal without Sunday from now until January 1, 1907, for only 50 cents. This is such a small price that it can only be made to introduce the paper into new homes. The publishers claim that this is not a scheme to get you on their books and then keep on sending, but that the paper will be stopped on January 1, 1907. It would be hard to find a better way of investing 50 cents.

Piles quickly and positively cured with Dr. Shoop's Magic Ointment. It's made for Piles alone—and does the work surely and with satisfaction. Itching, painful protruding or blind piles disappear like magic by its use. Large Nickel Capped glass jars, 50 cents. Sold and recommended by all dealers.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
