

TERRIBLE ITCHING SCALP.

Eczema Broke Out Also on Hands and Limbs—An Old Soldier Declares: "Cuticura Is a Blessing."

"At all times and to all people I am willing to testify to the merits of Cuticura. It saved me from worse than the torture of hives, about the year 1900, with itching on my scalp and temples, and afterwards it commenced to break out on my hands. Then it broke out on my limbs. I then went to a Surgeon, whose treatment did me no good, but rather aggravated the disease. I then told him I would go and see a physician in Erie. The reply was that I could go anywhere, but a case of eczema like mine could not be cured; that I was too old (80). I went to an eminent doctor in the city of Erie and treated with him for six months, with like results. I had read of the Cuticura Remedies, and so I sent for the Cuticura Soap, Ointment, and Resolvent, and continued taking the Resolvent until I had taken six bottles, stopping it to take the Pills. I was now getting better. I took two baths a day, and at night I let the lather of the Soap dry on. I used the Ointment with great effect after washing in warm water, to stop the itching at once. I am now cured. The Cuticura treatment is a blessing, and should be used by every one who has itching of the skin. I can't say any more, and thank God that He has given the world such a curative. Wm. H. Gray, 3303 Mt. Vernon St., Philadelphia, Pa., August 2, 1905."

It is estimated that there are now living throughout the world about 5,200,000 Jews. About 4,000,000, or two thirds of the whole, are inhabitants of Russia and Austria, they being specially numerous in the Polish provinces of the two empires.

Last evening for the first time the gas company were unable to keep up the supply in the mains and the street lamps went out about nine o'clock and people with ranges were unable to get any gas this morning. The pump that raises the petroleum from the outside tank got out of order and would not work and Mr. Hild worked at the plant all day and through the evening without dinner or supper in order to get the generators to going if possible before the supply became exhausted. Early this morning he had the plant in operation and there will be plenty of gas from now on.

A Great Outside Remedy. Most pains are of local origin—a "crick" in the back, a twinge of rheumatism, a soreness all over arising from a cold—are all cured by outside applications. The quickest, safest and most certain method is Alcock's Plaster, known the world over as a universal remedy for pain. They never fail, they act promptly, they are clean and cheap. You can go right ahead with your work while the healing process goes on. Sixty years' use has given them a great reputation.

Intelligence, amiability, conversational power, grace, and refinement are far more charming in a woman than mere physical beauty. The former continues through life, while beauty is effected by age. When all are combined in one personality then we behold the perfect woman.

PILES CURED IN 6 TO 14 DAYS. PAZO OINTMENT is guaranteed to cure any case of Itching, Blind, Bleeding or Protruding Piles in 6 to 14 days or money refunded. 50c.

Last year Crete took the Championship of the state in Basket Ball, with York H. S. very close second. Next Friday Crete comes expecting to take the Championship away from York. But the Y. H. S. boys and girls are determined to stand good and true to their colors and snatch this trophy from the Champions and place it upon their own heads. Everyone interested in Basket Ball, athletics and the High School in general, should at least come out at the first great double game and help support the town team with their enthusiasm. Come and bring a friend, Fri. evening 8 o'clock.

DOES NOT WANT DELAYS

READY FOR TRIAL IN SAN FRANCISCO CASE

Rudolph Spreckles Declares Reef Came to Him and Wanted to Arrange to Sell Block of Bonds

SAN FRANCISCO, Cal.—Mayor Eugene E. Schmitz announced in court that he was through with delays and was ready for trial. This statement came apparently as a surprise to Abraham Ruef, who promptly leaned over and conferred in whispers with his attorneys.

Rudolph Spreckles was again on the stand. Attorney Ach questioned him at length concerning a street car system that Mr. Spreckles and his father contemplated building. The witness stated that he considered building a road because, as a citizen of San Francisco, he objected to seeing the streets of the city turned over to the United Railroads or any other corporation or person.

"I wanted to prevent the city giving away a valuable franchise," said he. "We planned to build an opposition system to block the scheme."

Ach attempted to get Spreckles to admit that he and his father were interested in a water project, but Spreckles said they had no thought of asking for a water franchise.

Ach then tried to find out who retained Hiram Johnson to assist the prosecution, but objections were interpleaded and sustained. Numerous questions concerning Spreckles' relations with Secret Service Officer Burns also failed to elicit information.

Trial Now to Be Separate

When the Schmitz end of the case arose, a movement similar to that made by Henry Ach was made by Attorney J. C. Campbell on behalf of Mayor Schmitz. He desired, he said, to prove that Henry was guilty of improper conduct. On behalf of Schmitz he entered an exception to the ruling that the indictment could be attacked only on statutory grounds. Rudolph Spreckles was recalled to the stand.

"I guarantee \$100,000," he stated, "and attempted to raise a sum by public subscription."

He was asked several questions to which objections were offered and sustained, whereupon Attorney Campbell announced that the motion was submitted and that his client was ready for trial.

Is it understood now that the trial of these defendants is to be separate?" asked Henry.

"Yes," answered Attorney John J. Barrett.

Robert B. Duke testified that from January until October he was a deputy in the district attorney's office. Henry Ach then attempted to elicit that Duke had resigned from the office to make room for Henry; that he will resume his position when the investigation is over.

Judge Dunne sustained Hiram Johnson's objections to all these questions.

Find Woman's Charred Body

HAZLETON, Pa.—The charred body of a young woman was found on the mountain between here and Ebervale.

A slipper, combs and the frame of a woman's hat were picked up near the spot where the body lay. Under the body were three wire hoops such as are used on barrels. It is the belief of the police that the woman was murdered and then placed in the barrel and burned. This theory is strengthened by the odor of kerosene near the place. The identity of the woman has not been established.

County Detectives Jones said that it was his opinion that the body found is not that of a Hazleton woman but that the girl was murdered elsewhere, the body placed in a barrel and then burned. A post mortem revealed the fact that a hatchet axe was used in chopping around the neck to enable the murderer to get the head into the barrel. The legs were also broken so that they could be forced in. Dry spots of blood were found in the bottom of the barrel, but physicians who examined the remains say they cannot tell whether the murder was of recent date.

Will Speak to The Editors

WASHINGTON.—President Roosevelt told a committee of the national editorial association that he would make a speech before their association on the occasion of his visit at the dedication of the Georgia building at the Jamestown exposition in June. The editors will hold their annual convention at Jamestown.

NEBRASKA NOTES

Hyannis is suffering from the coal famine.

The new electric light plant at Wymore is nearly ready for business. Henry C. Frickey of North Platte is under \$500 bonds for horse stealing.

The telegraph operator at Seneca has the small-pox and the entire town has been exposed.

Earl Kieeman, a Scribner boy, won first prize for corn in Dodge county contest.

The congregational choir at Indianola presented the pastor with a set of single harness.

A rural mail carrier out of Chester found two pounds of fine honey in a mail box for his Thanksgiving dinner.

The teachers of Hooper spent their visiting day in Fremont last week. The Norfolk teachers went to Omaha.

Herman coal dealers have received two carloads of coal, the first they have been able to get for some time.

The friends of Mr. and Mrs. J. E. Wescott of Geneva, gave them a surprise party recently on their seventy-first birthday.

H. Gus Gumpert of Fremont, has become owner of a 320 acre farm in Rock county, having traded a stock of merchandise for it.

A fine new altar has been placed in the Catholic church at Indianola. The old one has been taken to Oxford for a church there.

The farmers of Bartley are happy because they have raised more than \$2,000 in one month to clear the new elevator from indebtedness.

Farmers in Gage county have practically finished gathering their corn crop and most of the grain is in the crib.

Mrs. Peter Stewart, a resident of South Beatrice, was thrown from her buggy in a runaway accident and severely bruised about the head and body.

Mrs. O. S. Wisard of Leigh, stepped out of the house and the walk being slippery fell and broke one of her ribs. She will be confined to her home for several days.

Mr. Hay, a Lincoln electrician, is installing a new electric light plant at McCool and the same is nearly completed. The electric current is taken over wires from the Stone mills, where the motor is run by water power.

The embezzlement case of C. P. Logan, who was police judge of Nebraska City, is said to have taken \$1,200 belonging to the city, has been settled by the American Bonding company, Logan's surety, paying the city \$800. Logan died a short time after the defalcation was discovered.

Cyrus X. White of Nehawka, died from a complication of heart disease and dropsy. He was an old resident of the community, having gone there soon after the war from Ohio. He was a veteran of the civil war, serving in an Ohio regiment. He was 72 years old and leaves no family, his wife having died a year ago.

A complaint has been filed by T. C. Hunt against Henry C. Frickey, charging him with stealing a horse belonging to H. C. Heet. The preliminary hearing in the county court was continued for thirty days. He was placed under \$500 bonds, in default of which he was placed in jail. Frickey's home is at Juniata, Neb.

D. F. Jones, who was engaged in business in Nebraska thirty years ago is visiting in Beatrice in company with his wife. Mr. Jones is located on a ranch near Gregory S. D., and says that coal is selling for \$17 a ton. Many settlers, he says, are burning corn for fuel, believing it cheaper than coal at the present price.

George Schatz of North Platte has been given the Union Pacific shop foremanship at Rawlins, Wyo., which position was made vacant by the transfer of J. J. Keliher to this place as foreman. Mr. Schatz left for Rawlins the latter part of last week.

The officers are looking for a stranger who boarded a train for Beatrice at Courtland after being exposed to the smallpox. When the train reached Pickrell the fellow left the train and has not been seen since. If apprehended he will be quarantined.

C. E. Whitesack of Fremont died at Kearney, Okla., where he had gone for his health, after a brief illness of pneumonia. He was 54 years of age and had lived here for many years, spending his winters in the south. His body was taken direct to Earlham, Iowa, his former home, for burial. He leaves a widow and two sons and two daughters.
