Mrs. W. G. Maxwell has some White Holland turkeys that are said to be as handsome as can be found anywhere. We have been trying to get the owner to agree to donate one for our next Thanksgiving dinner but have not yet succeeded. She says they are too pretty to eat.

A Charitable Act

The wife of Charley Richards (French Charley) has been sick for some time and the husband has been compelled to stay at home and take care of her. As he makes the living by day's work, they were in bad shape financially, so last Friday night by previous arrangement a donation party was given them, and the many articles brought in will make them comfortable for some time. They are very grateful for the kindness shown, and desire us to return thanks to each contributor.

Rising From the Grave

A prominent manufacturer, Wm. A. Fertilizer, of Lucama, N. C., relates a most remarkable experience. He says: "After taking less than three bottles of Electric Bitters, I feel like one rising from the grave. My trouble is Bright's disease, in the diabetes stage. I fully believe Electric Bitters will cure me permanently, for it has already stopped the liver and bladder complications which have troubled me for years. Guaranteed at Hill Bros druggists, Price only 50c."

Mrs. John R. Jones, a former old resident of Aspinwall precinct, died in Denver, Colo., Saturday of last week. Her body was brought back and buried Tuesday in the Prairie Union cemetery. The deceased was the mother of Thos. H. Jones, who was an extensive farmer and stock raiser living near Howe until about a year ago, when he moved to Denver. His mother has been making her home with him for several years. She was 83 years old at her death, but retained her faculties to the last. She was very active and intelligent, and her memory was excellent. She has a large number of friends in this vicinity who regret her death.

Rev. Ayers "Pounded"

Last Saturday evening the members of the Methodist church and the friends and neighbors of Rev. Mr. and Mrs. G. W. Ayers gave them a pleasant surprise by gathering at the parsonage in an old fashioned pound party. A large number were present and the donations were liberal, about \$20 worth being brought in.

Mr. and Mrs. Ayers appreciate not only the gifts but far more than that, the kindly feeling that prompted the gathering.

They feel strengthened for the good work they are doing in Nemaha. They ask us to return thanks to all for their donations and presence that evening.
