A Tin Wedding.

Thursday of last week was the tenth anniversary of the marriage of Mr. and Mrs. James A. Last week John M. Clark traded his forty acre farm south of Nemaha in part payment for a quarter section six miles north and one east of Auburn. Mr. Eels of Auburn was the owner of the latte. A letter from our old friend T. C. Hacker, postmaster at Red Cloud, Nebr., says:

"You mention in The Advertiser about the amount of mail matter the rural carriers from Auburn and from your office handled for the quarter ending Dec. 31, 1906. There are four routes from this office. Carrier on route four handled for that quarter 18,521. He handled for the month of January 6,652. How's that?"

That's pretty good, Dory, but the Nemaha carrier on route one can beat that record for last month. He handled 6,813 pieces in January. How's that?"
