#### Willie Yates Dead

Willie Yates died at the home of his parents, Mr. and Mrs. Sylvester Yates, in Nemaha, Nebr., Monday, March 4, 1907, at 8:45 a. m., aged 20 years, 8 months and 12 days.

A year ago last summer Willie was struck in the groin by a baseball. It was not thought at the time that the injury amounted to anything serious, but it continued to trouble him, and about five months ago he had an operation performed. He got up and was apparently about well for a few weeks, but got worse, and about ten weeks ago a second operation was performed. After recovering from the direct effects of this operation he was able to get up town occasionally but he soon grew worse, and for the past seven weeks was unable to sit up at all and most of that time was in a helpless condition, having to be lifted and turned in bed. He suffered terribly much of the time except when under the influence of narcotics, and gradually grew weaker until the end came.

Willie realized some time ago that he could not recover, and while wishing to live, said he was prepared to die.

The direct cause of his death, as given by the physicians who attended him, was sarcoma, a species of cancer.

Willie was born in Nemaha and has lived here all his life. He had a large number of friends especially among the young people, and these were very attentive to him during his long sickness.

The funeral services, conducted by Rev. G. W. Ayers, were held at the Methodist church Tuesday at 2 o'clock p. m. The church was crowded with sympathizing friends. Beautiful flowers were furnished by his young associates and also by Class No. 9 of the Methodist Sunday school, of which he was a member. The pall bearers were Richard Knapp, George Seid, Eddie Maxwell, Ray Clark, Emery Howe and Ned Maxwell.

The bereaved parents, brother and sisters have the sympathy of all in their great bereavement.

#### Card of Thanks

Mr. and Mrs. Sylvester Yates and family ask us to express their gratitude and thanks to the friends who were so attentive during the long sickness of their son and brother, Willie Yates. Their attention, assistance, kindness and sympathy will ever be remembered with gratitude.

Elder John T. James, one of the pioneer settlers of this part of the state died at his home one mile north of here, last Friday, and was buried Tuesday. Rev. James was for years a minister of more than ordinary ability, and with his neighbors and the people who knew him best was held in the highest esteem. To his aged wife; now very sick, and to his sons and daughters who remain, the sympathy of this entire community is extended.—Shubert Citizen.

#### The Teachers Meeting

The teachers meeting at Nemaha last Saturday was very successful so far as the entertainment was concerned, but there were not so many there as should have been. There was a good attendance of teachers, but not so many as would have been present if the roads had not been so bad. Not many were present except the teachers in the forenoon, but in the afternoon the opera house was fairly well filled. The papers by Miss Nannie Edwards on "Beautifying School Grounds," by Mrs. Hoadley on "Some Things Expected of Parents by the Teachers," by Prof. E. Guy Simpson on "Does a High School Education Pay," by Miss Lillian Neal on "Discipline," and by Principal Geo. E. Martin of Nebraska City on "Pictures and School Room Decorations," were all good. So were the discussions on some of these topics. The primary department of the Nemaha school sang "Nemaha" and "Little Sunbeams" in a creditable manner.

We are very thankful to The Advertiser for the correction of an error which appeared in this column. In writing of the meetings of the Christian church we used the word "probation" instead of "protracted" and beg to be forgiven. In returning the courtesy we will say that a grammatical error appears in The Advertiser's item of criticism. Now we are quits.—Nemaha cor. in Auburn Republican.

If the aforesaid correspondent attempts to call attention to all the errors, grammatical and otherwise, that we make, he will be kept busy. But we notice several grammatical errors in the correspondence of our critic last week, so we don't feel cast down so much over our mistake as we otherwise would.

#### Neighbors Got Fooled

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Uncaffer, of Grovertown, Stark Co., Ind. This King of throat and lungs, is guaranteed at Hill Bros. drug store. 50c and \$1.00. Trial bottle free.

## Clean Up Bargains

A large number of our friends have taken advantage of the slaughter sale of the stock of musical instruments we bought of the Falls City Music Co. We have a few fine organs and high-grade pianos that we can still offer special inducements on to those who love a bargain. To convince you, the regular selling price and the reduction price is plainly marked on the price tags, which shows you how bad we want to clean them up. Let us know your wants and we will name the price that will sell them. We want to close out these goods before our buyer goes east for the spring shipments, and in order to save mixing these goods we will give you the benefit. A word to the wise is better than a shock.
