

A son weighing eight pounds was born Saturday morning, March 2, 1907, to Mr. and Mrs. Claud Scott. Dr. Andrews is looking after the health of the little fellow.—Stella Press.

The patrons of the Auburn Telephone Co. and the Shubert system now have free exchange service between these two towns, so patrons on either system can talk to patrons on the other system without any toll charges.

Mrs. Elizabeth Murr of Brownville was in Nemaha last week inquiring about the prospects of bringing a Brownville home dramatic troupe here, and decided to come, but F. L. Woodward received a letter Monday saying that on account of the sickness of some of the actors it would be impossible to put on the play here.

J. H. Seid, Alf B. Kinton and George Fisher received a fine Percheron stallion Tuesday evening. They recently went to Arlington, Nebr., and bought him of Rhea Bros., paying \$1,500 for him. He is a fine specimen of a horse, a dark bay with two white feet, will be three years old in June, and weighs 1,880 pounds.

At a meeting of the board of village trustees held Tuesday night, March 12, 1907, J. H. Littrell was elected marshal to succeed W. G. Maxwell, who has moved in the country. The clerk was instructed to publish notice of annual election. Marshall Webb, Walter Hadlock and I. N. Cooper were appointed judges of election and W. W. Sanders and W. W. Liebhart clerks.

The Nemaha school district gets over \$800 of the money paid in by the Burlington road on back taxes. As the district is out of debt, with possibly the exception of a small amount of outstanding warrants issued this year, we will have a handsome surplus on hand. There is talk of putting in a furnace—something that is needed. We believe no better use could be made of the money.

The following announcement was received Tuesday by relatives and a few intimate friends of the bride:

Elias Allan Hester—Cora Mabel Haith—Married March twelfth, nineteen hundred and seven, Weatherford, Oklahoma. At home after March fourteenth, Weatherford, Oklahoma.

We extend congratulations and best wishes to Mr. and Mrs. Hester.

J. E. Gibney, principal of the Nemaha high schools, received a telephone message Friday evening that his brother was dead. He drove over to Auburn to take the M. P. train for Elkhorn, Nebr., his home. Miss Lillian Neal taught in his department Monday, Miss Grace Jarvis taking her place in the primary department. Tuesday Prof. R. R. McGee came down from Peru and will probably teach until Mr. Gibney returns.

Letters from John M. Butler of Lincoln, chief clerk of the railway mail service, informed Postmaster Sanders that train 127 would carry a locked mail pouch from Lincoln, delivering it at Nemaha each evening. This would give us the afternoon editions of the Lincoln dailies. The train brought in the pouch Monday evening. It contained no papers and only two letters and two postcards. Since then no pouch has been delivered here.

Hannibal Bennett of Auburn was a Nemaha visitor Thursday.

Miss Anna Knapp, who has been visiting in Stella for several days, returned home Thursday afternoon.

W. W. Seid went to Leavenworth, Kansas, Monday, as a delegate from Olive camp No. 14 to a district meeting of Woodmen of the World from Nebraska, Kansas, South Dakota, and perhaps other states.

There were some disappointed people in Nemaha Monday evening. Several came in from Auburn on the freight, expecting to catch No. 127 for Shubert, Salem and Falls City. They were told at Auburn that 127 had orders to wait for 114, the freight from the west, which was about two and a half hours late, but when they got to Nemaha they found No. 127 had gone on. Agent Glenn had received no orders to hold the train.

Mrs. Oscar L. Minick came in from Auburn last Saturday afternoon and visited her sister-in-law, Mrs. Elmer E. Allen, until evening, when she went to Salem on train 127. Oscar came in on the freight Monday night, expecting to go south on 127, but the freight was late and he missed the other train, so he went to Auburn the next morning and down on the M. P. Mr. and Mrs. Minick came up from Salem on No. 128 Wednesday morning and went to Auburn on 97.

Grandma Culp, mother of Mrs. S. Yates, is probably the oldest person in Nemaha county. Her exact age is not known, but as near as can be calculated she will be one hundred years old at her next birthday. She is able to get around quite spry, but is weak mentally. Nemaha seems to be a good place to live in if long life is desired, as several of our citizens have lived to be over 90 years of age. Grandpa Huntington, Thompson Paxton, and Grandma Clark were all over 90.

Rev. G. W. Ayers took the 6:40 train for Nebraska City Wednesday morning and there got on the M. P. train and went to Julian to attend a meeting of the holiness association. But when he stepped off the train he met another minister who informed him the meeting had been called off, so he went on to Auburn, and then took the afternoon Burlington train for Nemaha. Bro. Ayers says he likes to travel occasionally but doesn't care about running around this time of the year just to see the country.

Married—At the court house, in Auburn, Tuesday, March 12, 1907, by County Judge McCarty, Mr. Emery C. Howe of Nemaha and Miss Geneva West of Brownville.

There have been frequent rumors of the marriage of these popular young people, but after all the wedding was a surprise to all except a few of their most intimate friends.

Mr. and Mrs. Howe will go to housekeeping on a farm owned by the father of the bride, west of Brownville.

The young couple have the best wishes of The Advertiser force for all the happiness possible here on earth.

Spooner for President
Fon ddu Lac, Wis., March 12.—Congressman Weiss, the only democratic representative from Wisconsin, said yesterday on his return from Washington that Senator Spooner will be the next republican candidate for president.

A meeting of the parsonage building committee and the trustees of the Methodist church was held Monday. The report of the finance committee showed that the parsonage had cost to date in addition to all work and material donated, the sum of \$1367.63. Paid out, \$1050.48. Balance in bank, \$21.77, leaving to be raised the sum of \$295.38.

There will be some other items to pay—spouting, remainder of painting, etc. It is estimated that about \$350 will have to be raised to pay present indebtedness and complete the building.

The committee, the pastor, and the members of the church in general feel very grateful to those who have assisted so generously in the past, and make a final appeal for funds to complete the payment. The house is a good one, and would cost, so say the carpenters and those who have had experience in building, at least \$1,800 if nothing had been donated.

We hope those who can assist will do so at once, as it is earnestly desired to get all the money raised not later than the tenth of next month. Hand the money to Mrs. Elmer E. Allen or Mrs. M. A. Woodward, or leave at the bank.

Prohibition for Oklahoma

Guthrie, Okla., March 12.—In the constitutional convention yesterday the prohibition forces won a final victory when the provision submitting prohibition separately to the people of the new state at the first election was adopted by a vote of 71 to 13, and signed by President Murray. Up to the last the local option forces believed they could break up the prohibition slate.

Following the announcement of the vote the prohibitionists cheered, and Delegate Riley Copeland of Fairland moved to grant a leave of absence to Rev. E. N. Sweet, in charge of prohibition lobby headquarters for the Anti-saloon League. It carried with a shout.

Notice of Village Election

Notice is hereby given that on Tuesday, April 2, 1907, the annual election for the village of Nemaha City, Nebraska, will be held, at which time three (3) trustees will be elected for the term of two (2) years. The polls will be open from 9 o'clock a. m. until 7 o'clock p. m., at The Advertiser office.

The fact that March 1 was moving day was impressed upon the car distributing department of railroads this year. A railroad man says there is scarcely a station in the state that has not orders for from one to five immigrant cars. One family of thirteen members has waited three weeks for a car.

Neighbors Got Fooled

"I was literally coughing myself to death, and had become too weak to leave my bed; and neighbors predicted that I would never leave it alive; but they got fooled, for thanks be to God, I was induced to try Dr. King's New Discovery. It took just four one dollar bottles to completely cure the cough and restore me to good sound health," writes Mrs. Eva Uncapher, of Grovertown, Stark Co., Ind. This King of cough and cold cures, and healer of throat and lungs, is guaranteed at Hill Bros. drug store. 50c and \$1.00. Trial bottle free.
