Those who have kept tab say ice has formed on standing water on at least three-fourths of the nights during the month of April—an unusual record.

### WANTED

I want to hire a man by the month to care for an orchard, etc. I furnish house and fuel.  
JOHN S. STULL, Auburn.

Mrs. F. L. Woodward had a bad attack from heart trouble Monday afternoon. The blood seemed to stop circulating, and for awhile she was in a critical condition.

The Christian choir now have regular choir practice every Tuesday night, and hope the improvement in the singing and the added interest of the members will be manifest.

If you are interested in the cemetery (and all citizens should be) and have not yet helped financially, call at the bank and leave a dollar or two with Elmer E. Allen. It will be put to good use.

M. W. Knapp has had a cement walk laid in front of his home property and Knapp & Son have had the same kind of a walk put in in front of the livery barn. This, with the walk in front of J. H. Littrell's make a half block of cement walk on the east side of First street along block 68. Mr. Knapp has the posts set and will put in a woven wire fence in front of his place, like Mr. Littrell has.

Genevieve McCandless invited a number of her little friends to her home Saturday afternoon to assist her in celebrating her birthday, she being ten years old. She received a number of presents, and all present had a delightful time.

John M. Clark and daughter, Miss Daisy, went to Omaha Wednesday to consult Dr. Gifford about Miss Daisy's eyes. Ever since she had the measles several months ago they have been troubling her and recently appear to be growing worse.

### Basket Social at Champion

On Friday night, May 3rd, a basket social will be given at the Champion school house. The proceeds will be equally divided between the Methodist parsonage and the pastor's salary. Everybody is invited and all ladies are requested to bring full baskets.

By order of the Committee.

Mr. and Mrs. James A. Stephenson and Harry Harford went to Lincoln Friday morning to attend the celebration of the 88th anniversary of the organization of Odd Fellowship. Victory lodge received an invitation from the Lincoln lodge to attend this celebration. All say they had a grand time.

### The Difference.

Mere than 5000 young men and women, who graduated from a Toland school, are now earning from \$600 to \$5,000 per annum. Do you know of any other school whose graduates are so successful? The Toland schools are not "clerk factories." Students are prepared to meet the requirements of actual business.

The Gund Brewing Co. of La-Crosse pays Toland graduates \$30,000 per annum. The Swift Packing Co., South St. Paul, pays between \$12,000 and \$15,000 per annum. The Studebaker Bros., South Bend, Ind., between \$10,000 and \$12,000. The G. N. R. R.; C. N. W. R. R.; C. M. & St. P. R. R. and C. B. & Q. combined, pay Toland graduates in excess of \$75,000 per annum. For proof address Nebraska Business University, Nebraska City, Neb.

### Former Nemaha Girls Get Married.

William C. Ramsey of Falls City and Miss Nellie Vance of Brownville were united in marriage at the office of the county judge by Rev. C. L. Myers, Wednesday, April 24, 1907. The judge being absent the couple tried to persuade Miss Eustace to perform the ceremony but not having the necessary qualifications she was compelled to yield the honor to Rev. Myers.

Merrill H. Randall and Miss Daisy M. Frazier, both of this city, were united in marriage Monday afternoon, April 22, 1907, at the office of the county judge, Judge McCarty officiating. The groom is a son of Mrs. Eliza Randall of this city while the bride is a daughter of Mrs. J. M. Frazier. Her home for the past year has been mostly with her sister, Mrs. Lew Swan. Their friends extend best wishes for future happiness and prosperity.—Herald.

Call at our store, please, for a free sample of Dr. Shoop's "Health Coffee." If real coffee disturbs your Stomach, your Heart, or Kidneys, then try this clever coffee imitation. While Dr. Shoop has very closely matched Old Java and Mocha Coffee in flavor and taste, yet he has not even a single grain of real coffee in it. Dr. Shoop's Health Coffee Imitation is made from pure toasted grains or cereals, with Malt, Nuts, etc. You will surely like Health Coffee. Sold by Earle Gilbert.

J. H. Argabright came in from Auburn Thursday afternoon. He informs us that Lew's health is very poor now.

J. M. West was over from Rockport, Mo., Wednesday and while here arranged to have the sheds on the brick yard torn down and shipped. He will not run the yard here this year, as there is not sufficient demand for brick to make it pay.

Robt. Cooper of Nebraska City came down to Nemaha a few days ago to see W. W. Liebhart's White Plymouth Rock chickens and was so well pleased with them that he ordered some eggs. Mr Liebhart has had more orders than he can fill but is catching up now.

We understand the Missouri Pacific had another wreck near Howe Monday night. Considerable track was torn up but no one was injured. These wrecks occur so often that the trainmen are always prepared to jump and know the exact location of every soft spot along the road.

As will be seen by the advertisement of Harrington & Sons, they have added a full line of clothing to their stock of general merchandise. This is something that has been needed in Nemaha, and the people may be assured that the prices will be right—Harrington's prices are always right. Call in and see.

W. W. Liebhart is building up a good business for the sale of his fine White Plymouth Rock chickens. His pen is headed by a cock scoring 95 3-4 points. His other birds score well up to this. Last year he sold about \$100 worth of eggs and chickens—a pretty good record considering that he has only one lot on which he lives and has his chicken park. He expects to do better this year. He guarantees satisfaction.

Tuesday night after choir practice the members of the Christian choir serenaded Rev. J. W. Sapp and wife, but no one in the house made any sign of life, so the young people were doubtful about any one being at home, and didn't tarry long. Bro. Sapp doesn't realize how much enjoyment he missed.

Later—Bro. Sapp says he heard the music and appreciated it very much. It made him believe more firmly than ever that home was more than the four walls. But before he could get to the door the singers had gone. The only fault he finds is that they did not stay longer.

Free Samples of "Preventics" and a booklet on Colds will be gladly mailed you, on request, by Dr. Shoop, Racine, Wis. simply to prove merit. Preventics are little Candy Cold Cure tablets. Let me mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart, or the Kidneys. Address me, Dr. Shoop, Racine, Wis. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—means Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write for my free Book now. Shoop's Restorative sold by All Dealers.

A few days ago a dog was seen chasing a jack rabbit along one of the principal streets of Auburn. Has that town got so quiet that jack rabbits find a peaceful harbor except when routed out by a stray dog?

T. C. Palmer gave us a pleasant call Thursday morning. He was on his way from Falls City to Shickley, Nebr., where he expects to lease the newspaper. He is a printer, having been working at Falls City for some time.

Elmer E. Allen has received a book in which to keep the records of burials in the Nemaha City cemetery. It has blank spaces for the name, age, cause of death, date of burial, number of lot where buried and the location on the lot. It will enable a much better record to be made than has been done heretofore—in fact, no record of burials has been kept. It will prove to be very valuable.

Some of our Brownville people are again in trouble. "Possom" Harper, one of the colored brethren of that place, was mixed up in a fight in Omaha a few nights ago in which one darkey was killed and another one was almost killed, Possom doing the damage to the last one. He immediately left for Brownville and was arrested there Tuesday and taken back to Omaha. Possom says he didn't think he hurt the fellow much, as he only hit him with a two-by-four. Ned Mason, another Brownville citizen, of Irish descent, was a spectator, so he says. Ned was in Nemaha Tuesday and took the early train for Lincoln.

Piles get quick and certain relief from Dr. Shoop's Magic Ointment. Please note it is made alone for Piles, and its action is positive and certain. Itching, painful, protruding or blind piles disappear like magic by its use. Large nickel-capped glass jars 50 cents. Sold by All Dealers.

The Burlington fence gang that has been making Nemaha their headquarters for about a month, while repairing fences along the railroad right of way in this vicinity, went to Shubert Wednesday night. Four of our boys went along to work with them—Willie Kerker, Rolla Morton, Charley Littrell and Harry Baldwin. They have been working with the gang while they were here.

### Another Snow Storm

Monday morning a furious snow storm began. It was not very cold but considerable wind blew and the snow, which was very wet, fell in large flakes, and kept falling all day. Much of it melted but at night it was about three inches deep. It is estimated that six or eight inches of snow fell. Train men say eight inches fell at Nebraska City and twelve inches at Unadilla, while at Lincoln it neither snowed nor rained.

### A Narrow Escape

G. W. Cloyd, a merchant, of Plunk, Mo., had a narrow escape four years ago, when he ran a jimson bur into his thumb. He says: "The doctor wanted to amputate it but I would not consent. I bought a box of Bucklen's Arnica Salve and that curen the dangerous wound." 25c at Hill Bros., druggists
