Miss Grace Sanders, of London precinct, started for Halsey, Blaine county, Nebr., Wednesday, where she will teach school.

Miss Norah Burson, who has been visiting at Broken Arrow, Indian territory, has returned, coming to Nemaha Thursday morning.

Mr. and Mrs. R. I. Brown started for Pawnee county on the evening train Tuesday evening to visit their daughter Mrs. Frank Scott, and old friends.

A. L. P. Thompson has leased his fine 200 acre farm west of Nemaha to his sons, Charley and Walter, and is making arrangements to move to Shenandoah, Iowa, the first of next week.

Among the announcements of candidates for nomination at the coming primary election Sept. 3, 1907, may be found that of Frank Daily, who is an aspirant for the nomination for sheriff on the republican ticket. Mr. Daily has lived in this county for the past twenty-five years, coming here when he was 20 years of age. The most of that time he has been a resident of Auburn. He has always been a republican, but has never before been a candidate for office. Mr. Daily is big enough, physically, mentally and otherwise, to fill the office of sheriff in a manner acceptable to the county. He has a wide circle of friends, and is a gentleman who would undoubtedly make a good sheriff if elected.

Thompson-Castor.

Married—At the Methodist parsonage, in Nemaha, Thursday afternoon, August 22, 1907, by Rev. G. W. Ayers, Mr. Walter L. Thompson and Miss Viva O. Castor. The groom is a son of Mr. and Mrs. A. L. P. Thompson, and is one of the very finest young gentlemen in the country. The bride is a daughter of Mr. and Mrs. Jacob Castor and is an accomplished young lady, well fitted as a helpmate for Mr. Thompson. They will live on the Thompson farm. We extend heartiest congratulations and best wishes to the young people.

Why Not Judge Cnapman?

Judge L. C. Chapman of Tecumseh Tribunal. Judge L. C. Chapman of Tecumseh has decided to permit the use of his name as a candidate for judge of this, the First judicial district, at the primary to be held Sept. 3d, 1907. Under the new primary law the political boss is relegated to the rear and the voter himself has the say as to whom he desires as a candidate. Mr. Chapman has been a resident of Johnson county since 1880. He studied law and was admitted to practice in this city. Previous to reading Blackstone he was engaged as a teacher in our city schools—in which capacity he acquitted himself creditably. Judge Chapman ranks high as an attorney, is a first-class citizen, good neighbor and companionable gentleman. He is rated one of the ablest counselors in southeast Nebraska, is an advocate of pleasing address and a man of splendid legal attainments, eminently qualified by education and experience to make a judge of whom the litigants and lawyers alike might feel proud. He is in no sense a politician—which should be to his credit—and if named as a candidate would go before the public clear of entangling alliances other than that he affiliates with the republican party. As an independent newspaper—as one who has known Judge Chapman intimately for the past 27 years—the Tribunal takes pleasure in testifying to his fitness for one of the judges of this district.

On account of new advertisements this week we have to print a supplement.

On account of a change in the time of the arrival of the Red Oak train at Nebraska City, train 97 now arrives in Nemaha 15 to 20 minutes later than heretofore, though no new time card has been issued.

For District Clerk

Shelby W. Eustice is developing great strength in his candidacy for the nomination of district clerk on the republican ticket. The voters are impressed with his modest demeanor and his evident sincerity. His ambition to serve in the office that he seeks is a laudable one, and, owing to his experience and his abilities should receive the endorsement and encouragement of the voters. He is familiar with the duties of the place and if elected would make one of the most able, courteous and accommodating officials that has ever served in that capacity. He has been a consistent republican and has worked hard for his party and merits the consideration of voters of that affiliation. VOTER.

A Candidate for County Judge on the Fusion Ticket who is Especially Qualified by Training and Experience.

Mr. Fred G. Hawxby has consented to have his name go on the primary ballots of the Democratic and People's Independent Parties in compliance with the request of more than 100 Fusion electors who have signed his nominating papers.

If the people want to nominate a man for the office of County Judge who is well equipped for the position, and is full of energy and enterprise they cannot do better than to nominate Fred G. Hawxby. He is naturally courteous and gentlemanly to all and he promises his friends that if nominated and elected he will fearlessly and faithfully enforce justice and economy in the office of County Judge.

Fred is the son of William Hawxby who lives near Nemaha and was born and raised on the old home place, where he worked hard during the summer and went to the district school in the winter, and afterward the village school at Nemaha. He completed normal courses at both Shenandoah, Iowa, and the Lincoln Normal University. He taught Bell school in this county one year, and afterwards was superintendent of the city schools of Britton, South Dakota for two years. He spent six years in the state university at Lincoln after returning from Dakota, and graduated from the literary course in 1899 and from the College of Law in 1901. After receiving his bachelor's degree he was offered a scholarship in English which he rejected in order to study law.

He was a useful member of the 27th session of the Nebraska legislature from this county and successfully championed the Inheritance Tax Law and other useful measures.

He has practiced law in the county for more than six years, and has personally conducted the legal steps necessary in the settlement of estates in the county court of this county for the last four years. He is naturally a neat penman and will keep a good record if elected to the office of county judge. A VOTER.

The Limit of Life
The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Hill Bros, druggists. 50c.
