They began work again at 1:15 and quit for the day at 3 o'clock, thus putting in only five hours and fifteen minutes at work. During this time each one cut and shocked thirty shocks of corn sixteen hills square. They get 10 cents a shock, and thus made \$3 apiece that day, and 57 cents an hour for the time they worked. The corn will make about forty bush-els an acre.

## The Holiness Campmeeting

The Holiness Church of Christ closed a ten days' campmeeting in the Nemaha park Sunday night. Four sessions were held each day, beginning with 6 o'clock prayer meeting in the morning.

The services were fairly well attended and considerable inter-est manifested, but no converts were made. Sunday night an eighteen-year-old daughter of Elder Shafer was in a transe or unconscious state from about 9 o'clock until nearly two in the morning. These people are un-doubtedly in earnest and are do-ing some good.

Through their preaching people are reached that never attend churches. In addition to the preachers named in last week's paper, there were present Elders R. H. Tyrell, J. K. Lindsey and Geo. Kendall. W. H. Lemon of St. Deroin also attended the session. Rev. G. W. Ayers was present most of the time and assisted in the meetings, and Rev. J. W. Sapp was present when in town.
