Miss Jessie Smith of Dorchester, Nebr., who last year taught the Maple Grove school, came to Nemaha Thursday afternoon and is visiting friends.

**Bracken Postoffice Discontinued**

Postmaster Sanders received notice from the postoffice department at Washington on Monday that the Bracken postoffice would be discontinued Nov. 30th. The next day he received notice from John M. Butler, chief clerk of the railway mail service at Lincoln, that "effective Oct. 26th the postoffice at Bracken, Nebr., was discontinued and the mail ordered sent to Nemaha." So the Bracken mail is now delivered at Nemaha, and the postoffice there is one of the has beens.

**Passes 100**

The Toland Business Training School of Nebraska City, mention of which has frequently been made during the past few months, has scored the biggest success of any business school in the state. Starting less than two months ago, with almost as many teachers as students, it has already enrolled more than 100 students and, unless more room can be secured, will probably be obliged to refuse students after the opening of the January term. To those familiar with Mr. Toland's Schools in Ill., Wis., Minn., Iowa and S. Dak., his success is not surprising. Mr. Toland first gives his students a training not to be obtained elsewhere, and, when qualified, sends them to first class positions. It will pay any one interested in business education to send for his beautiful catalogue.

I. H. Kuper is thoroughly posted on the work in the county treasurer's office, as he has been transacting the business therein for the past four years. He is honest, capable, energetic, and in every respect worthy of election to that office. There is no reason why he should not be elected by a big majority, and we believe he will be. Not a charge of any kind detrimental to his character has ever been made that we are aware of. He is a courteous gentleman, a good citizen and will make as good a treasurer as Nemaha county ever had. You will never regret voting for Iler H. Kuper for county treasurer.

The panic in New York is effecting all the banks in the country. The western banks cannot draw out the money deposited in the New York banks, and in self defense have passed a rule that no check of over \$100 will be paid in cash. If you have money deposited in a bank and draw a check for over \$100 the bank will give you a draft for the amount that will be accepted anywhere, but will not pay out cash. The western banks are in a sound financial condition and this little flurry will soon be over if the people will only keep cool. Our home banks have adopted this same rule of not paying out cash on checks exceeding \$100. And yet no one doubts the soundness of the bank here, nor of any bank in the county. It may possibly be a little inconvenience to some, but do not worry. Everything will be all right in a very short time and normal conditions will again prevail.

**Health in the Canal Zone**

The high wages paid make it a mighty temptation to our young artisans to join the force of skilled workmen needed to construct the Panama Canal. Many are restrained however by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influence with Electric Bitters on hand. Cures blood poisoning, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Hill Bros., druggists. 25c.

**Frank Black Makes Statement to Voters of County**

If Elected He will do all the work of the County Clerk's Office for \$1,500 and the Salary of one Deputy of \$700. All Fees over this Amount will be turned over to the County. All Extra Work of every kind, including any Extra Work on Tax List, will be paid for by Him out of His Salary of \$1500 and will not cost the County a Cent.

I, Frank Black, desire to state to the voters of Nemaha county that if elected to the office of county clerk I will do all the work of that office for the salary of \$1,500.00 and the salary of one deputy, \$700.00. That all extra work needed in the office will be paid for by me out of my salary and not from the money belonging to the county. Every cent of fees taken in by me as county clerk over my salary and the salary of one deputy as above stated will be turned over to the county to help meet expenses of the county in other matters not connected with the county clerk's office.

I further desire to state that it has been impossible for me to meet all the voters of the county personally, which I very much desired to do, and to those I desire to state that if elected I will conduct the affairs of the office honestly. That I will give prompt and efficient service to all patrons of that office and all that have business with that office will be cordially treated. The support of all the voters of the county will be appreciated by me. **FRANK E. BLACK.**
