

The prohibition national convention will meet at Columbus, Ohio, the democrats at Chicago, the populists at St. Louis, and the republicans at Kansas City.

A militia officer after a scrimmage reported: "Killed, none; wounded, none; scared to death, almost all." It sounds like a summary of the recent panic among depositors. — St. Louis Globe Democrat.

In Albuquerque, N. M., people are not permitted to use their telephones on Sunday, Sunday must be a dull day for the woman who is in the habit of listening on a party line out there. — Chicago Record Herald.

At the recent Nebraska election the republican majorities ranged from 24,000 to 34,000, the largest at a state election for twenty years. Nebraska's estimate of Mr. Bryan as a political leader is in no doubt. — St. Louis Globe Democrat.

The case of G. N. Titus vs. E. E. Moore is being tried in district court at Auburn this week. This is the case where Nat Titus sues Ed Moore for \$15,000 damages for slander. The trial was begun just before noon Wednesday and will probably run through today and perhaps tomorrow. Nat Titus was on the witness stand nearly all day Thursday.

Prohibition is rapidly gaining ground in Missouri. Fifty-six out of the 114 counties in the state are "dry" with the exception of towns in eight of these, and several more counties will vote on the question next month. There is talk of an extra session for the purpose of submitting the question of state prohibition. They now have county option, except that large towns can vote on the question separately. Atchison county, just across the river from Nemaha, is dry.

**Back From the Navy.**  
Wymer Dressler arrived in this city Tuesday after spending four years in the employ of Uncle Sam in the navy. The last battle ship on which he was stationed was the Cruiser Raleigh, in which he travelled to many places over the world. During the four years service in the navy he made twenty-five trips across the China Sea, and visited many places on the other side of the earth. He was in Philippines for some time. Wymer will remain here in the future and complete his law studies. His many friends in this country will be glad to know that he is again among them. — Herald.

**A Hard Debt to Pay**  
"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death, by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Garranted by all druggists 50c and \$1.00. Trial bottle free.

The editor is a lucky fellow in some respects, at least. Thursday we were invited out to another splendid dinner given by the ladies' aid society of the Christian church. This time it was at the home of Elder Sapp. We sat between Elder Gregg and C. H. Kindig, and therefore could eat as much and as long as we wanted to and then quit long before our neighbors. We felt a little slighted, though, as the ladies gave Elder Gregg six chicken gizzards and never offered us one, but Rev. Ayers, who was seated next to Elder Gregg, wasn't offered any either, so that made us feel better. The elder ate every one and then called for more, but he had exhausted the supply. We have got so used to eating with preachers recently that we feel almost like one at times—especially when the chicken is passed.

**We Fought at Gettysburg**  
David Parker, of Fayette, N. Y., who lost a foot at Gettysburg, writes: "Electric Bitters have done me more good than any medicine I ever took, for several years I had stomach trouble, and paid out much money for medicine to little purpose, until I began taking Electric Bitters. I would not take \$500 for what they have done for me." Grand tonic for the aged and for female weaknesses. Great alterative and body builder; best of all for lame back and weak kidneys. Guaranteed by all druggists 50c.

One of the laws passed by the legislature last winter makes it the duty of every board in the state to set aside annually from the general funds collected for the use of the district the sum of ten cents per pupil as shown by the total number of the pupils within the school district at the last annual census; said amount shall be known as the district library fund, and shall be invested in books, other than the regular text books, suitable for a district school library. County Superintendent Carrington has issued a circular calling the attention of school officers and teachers to this law, explaining the same.

A humane citizen of Richmond, Ind., Mr. U. D. Williams, 107 West Main St. says: "I appeal to all persons with weak lungs to take Dr. King's New Discovery, the only remedy that has helped me and fully comes up to the proprietor's recommendation." It saves more lives than all other throat and lung remedies put together. Used as a cough and cold cure the world over. Cures asthma, bronchitis, croup, whooping cough, quinsy, hoarseness, and phthisis, stops hemorrhages of the lungs and builds them up. Guaranteed at Hill Bros. drug store. 50c and \$1.00. Trial bottle free.
