

Lee Shubert is having a house built on his fruit farm south of Bracken. It is for the use of his tenant, as Lee expects to move to California or the northwest.

J. R. Cox's bridge gang is now making headquarters at Nemaha while doing work on railroad bridges on both sides of this place. W. W. Stokes, M. C. Gaskill and John Goff are on the gang.

George Harper, a darkey whose home is in Brownville when he is at home, is under arrest at Cheyenne, Wyoming, charged with killing a colored prize fighter while under the influence of drugs.

Rev. and Mrs. J. W. Sapp, Mrs. C. P. Barker and Miss Muriel Barker went to Brock Wednesday forenoon to attend the Christian convention, they being the delegates from the Nemaha church.

Dr. W. W. Frazier returned from Franklin, Nebr., last Friday. While away he made a short visit with E. L. Paris and family, and found them well and prosperous, but they still have a longing for old Nemaha.

W. F. Sanders, who has been Burlington agent at Smyrna, Nebr., stopped in Nemaha between trains Wednesday afternoon, on his way to Verdon, to take charge of the station there as agent, having been promoted to that place.

Bena lodge, Daughters of Rebekah, had a good social time Wednesday night. Miss Marie Scott was initiated a member of the order. After lodge adjourned a fine supper was served, the description of which makes the mouth of the Advertiser force water.

Beside shipping a number of cars of corn during the past week, Arthur Shubert has been down to Kansas City and purchased a gasoline sprayer for use on his orchards of which he has about 100 acres. He thinks that by the use of his sprayer he will solve the fruit raising question.—Citizen.

The board of village trustees have given Ned Crother the contract for putting in a cement walk on the north side of the public square. This is a wise act of the village dads, as this walk is used as much as any walk in town, outside of the business part of the village. We hope more of these permanent walks will be built.

Will Johnson and Mrs. Edith Gaskill were married at the court house in Nebraska City Tuesday of this week. They came to Stella Wednesday afternoon and are now at home in W. F. Mowery's house. Mr. Johnson came here from Missouri a couple of years ago, and has been employed at the livery barn for some time past.—Stella Press.

Now that Otto Juel has become a public charge the question arises as to whether the county commissioners can or cannot recover from the saloonkeepers and their bondsmen for all amounts that the county will have to pay, and those knowing all of the circumstances and conditions that have led up to Mr. Juel's condition both financial and physical, are of the opinion that both law and justice would be with the commissioners if they should decide to take this step.—Granger.

Mrs. May Baldwin is having an addition 12x26 built on the north side of her house west of the postoffice, and is having a porch built and other improvements made, in addition to having a foundation put under the whole house. It will make a neat cottage when finished, as she will have a square roof put on the whole house. J. W. White has the contract.

At the regular meeting of Nemaha chapter No. 76, Order of Eastern Star, held Saturday night, April 4, Miss Pearl Seid was initiated. The following officers were elected:

Mrs. Alice Seid, W. M.  
W. W. Sanders, W. P.  
Mrs. Mary R. Keeling, A. M.  
A. L. Lawrence, Sec'y.  
S. Hosterman, Treas.  
Grace Lawrence, Con.  
Pearl Seid, A. Con.

After lodge adjourned coffee, cake and pie were served.

#### Death of Lew Morris.

Lewis Morris, an old settler of Nemaha county, died at his home in Auburn Saturday night, April 4, 1908, aged 70 years, 11 months and 24 days. He leaves a wife, three sons, three daughters and a large number of friends to mourn his death. He has been a resident of Nemaha county for thirty-five years. The funeral services were held at the Auburn Avenue M. E. church on Monday, and the remains laid at rest in the Sheridan cemetery.

#### Crother-Bell.

Edwin E. Crother of Nemaha and Miss Zetta M. Bell of Auburn were married at 9 o'clock p. m. Tuesday at the home of Rev. J. W. Sapp in Nemaha, that gentleman performing the marriage ceremony. The young couple then proceeded to the home that the groom had previously fitted up and furnished, and are now keeping house, although their announcements read that they will not be at home until April 20. Mr. Crother is the oldest son of Mr. and Mrs. John E. Crother, and was born and raised in Nemaha. The young couple have the best wishes of the Advertiser for a long and happy married life.

#### Death of O. K. Fisher

D. C. Holmes received a letter from his mother, Mrs. F. A. Welton, of Long Beach, California, a few days ago, giving the sad news of the death of O. K. Fisher, who passed away at his home in Santa Barbara, California, Mch. 29, 1908, aged 83 years. His death was from old age, there being no particular ailment. He had been growing weaker for a month, took to his bed, and at last ceased to breathe. The funeral was held on Thursday, April 2. Mrs. Fisher's brother and his wife, from near Grand Island, Nebr., have been with her for some time.

O. K. Fisher was one of the pioneer farmers of Nemaha county and was highly respected during his long residence southwest of Nemaha. A few years ago he sold his farm and removed to California.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

O. E. Houtz had an accident Monday night that might easily have proven serious, if not fatal. While lighting his gasoline lamp something went wrong and gasoline ran over his right hand and to the elbow, and caught fire. Fortunately the quantity was small but Ora's hand was badly burned before the blaze was extinguished. A larger quantity would have given serious and probably fatal burns. The burn is very painful. The skin is off the palm of the hand.

#### The Election in Nemaha

There was no contest in Nemaha Tuesday—in fact, no ticket was nominated, but it was generally agreed that W. H. Barker and Frank Titus would be the candidates, Elmer E. Allen having refused to accept the office for another term. Sixty votes were cast—the largest vote cast in Nemaha for a number of years. W. H. Barker received 53 votes, Frank Titus 49, John I. Dressler 4, Elmer E. Allen 3, J. W. Ritchey 2, W. W. Sanders 2, F. L. Woodward 2, V. P. Peabody 2, W. F. Keeling 1, and M. W. Knapp 1.

J. I. Dressler, V. P. Peabody and J. H. Littrell were judges of election and W. W. Sanders and W. F. Keeling clerks.

On Wednesday of last week Miss Nettie Bunn thought for a little while that perhaps some one was trying to poison a school ma'am, and yet she couldn't think what spite any one would have against her. At the dinner table as she took a drink of coffee she discovered something was the matter with it, and thought of poison the first thing. But as she glanced up she noticed a peculiar look on Uncle Henry Clark's face, and then happened to think that it was the first day of April, so concluded she had been the victim of an April fool joke, and instead of rushing off for a doctor and sending for the sheriff, she simply asked Aunt Pat for another cup of coffee that was not medicated, and went ahead with her dinner.

#### Pay the Costs.

Plattsmouth, Neb., March 2.—Last spring Ben Cares of Dunbar presented to the council a petition with the required number of signers and asked for a saloon license. A remonstrance was filed and the license held up. The case was bitterly fought through the district court, and the remonstrators won out, the costs being \$432. The clerk of the district court sent a notice to each of the signers of the petition to come and pay the costs into the court—the \$432, or suit would be entered against them. There is now weeping and wailing among the signers, as they did not count on such a strenuous defense at the time they signed the petition.

What happened in Dunbar might happen in Shubert, or any other town in the state.—Shubert Citizen.

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oft-times weakens the heart's action. Use Dr. Kings Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by Dr. W. W. Keeling.

#### Nemaha Bank Checks Good in Japan.

The Bank of Nemaha on Wednesday received back two checks on that bank that had been a long ways from home. Last April Andrew Aynes sent a check for \$2.50 to William J. Bishop, a missionary in Japan, and January 1st of this year sent another check for \$2.75 to the same man. These checks came back the same day, although one was sent almost eight months after the other one. Both had been cashed, apparently without question, by the "One Hundredth Bank of Specie" of Japan, H. or N. Takato, president, and by this bank sent to correspondent banks in New York City. Mr. Aynes didn't know whether a check would be accepted or not, but sent them as an experiment, and found a check on the Bank of Nemaha was good in any part of the world.

#### ANCONA

Recorded No. 13955. Ancona was foaled June 20, 1904, stands 18 hands high and weighs 2000 pounds, is a dapple bay with style and action like a coacher.

#### Sunlight

Black jack with white points, foaled in 1904; 15 hands standard, 15 1-2 tape. Sired by Waters' Jumbo 15, he by IXL 16 hands, he by imported Flambard 16. Sunlight's dam was a fine Kentucky jennet, pedigree lost. This jack has a good large foot and bone, heavy body, good head and ears. Covered 46 mares last year and 75 per cent of them are with foal. Sunlight is of good ancestry. His sire sold for \$2000.

This horse and jack will make the stand this season at my place two miles south and west of Nemaha, six days in the week.

TERMS—\$15 to insure a mare in foal to Ancona. \$10 to insure a mare in foal to the jack. If mare is sold, traded or about to be removed, money becomes due at once. This part of contract will be strictly enforced.

All care will be taken to prevent accidents, but will not be responsible should any occur.
