

Cemetery Meeting.

A meeting of lot owners and those interested in the cemetery will be held at the bank Saturday of this week, at 3 o'clock p. m. It is hoped there will be a good attendance.

Mr. and Mrs. A. A. McIninch of St. Joseph, Mo., visited Mr. and Mrs. Jno. W. Ritchey from Sunday evening until Tuesday morning. They came up to attend the funeral of David Kite of Auburn. Mrs. McIninch, Mrs. Kite and Mrs. Ritchey are sisters.

At the Christian convention held at Brock last week the reports showed that the Sunday school at Nemaha had made the largest gain in attendance during the past year of any school in the district, which is composed of the counties of Nemaha, Johnson, Richardson and Pawnee. It was the banner Sunday school.

While the prohibitionists won out in the recent election at Falls City, so far as electing a majority of the officers, yet on account of the holdovers it is probable license will be granted to saloons. The prohibition candidates for mayor and two out of three councilmen were elected, but the three holdover councilmen are in favor of saloons.

Mrs. Isabel Seabury was eighty years old Monday, and a number of her neighbors and friends met at her home and assisted her in celebrating that event in appropriate style. Grandma Seabury is one whose disposition never grows old, and if she should live to be a hundred years old would still be young in spirit. She enjoyed the gathering very much, as did all those present.

The old board of village trustees met Tuesday night, canvassed the vote cast at the recent election, and declared W. H. Barker and Frank Titus elected members of the board. The new board then reorganized by the election of Marshall Webb chairman, Frank Titus clerk, W. H. Barker treasurer, and J. H. Littrell marshal and street commissioner. A number of bills were allowed.

J. H. Littrell, street commissioner and marshal, gives notice that the ordinances prohibiting stock from running at large or being lariatied on the streets and alleys will be strictly enforced, and owners of stock are notified to keep stock up and avoid trouble. All persons are also notified to clean up the streets and alleys adjacent to their premises, and save expense. These ordinances with be enforced.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

Money to loan—Mortgages bought and sold. If you wish to borrow money, buy or sell a mortgage write me. Henry C. Smith, Falls City, Neb.

Pain, anywhere, can be quickly stopped by one of Dr. Shoop's Pink Pain Tablets. Pain always means congestion—unnatural blood pressure. Dr. Shoop's Pink Pain Tablets simply coax congested blood away from pain centers. These tablets—known by druggists as Dr. Shoop's Headache Tablets—simply equalize the blood circulation and then pain always departs in 20 minutes. 20 tablets 25 cents. Write Dr. Shoop, Racine, Wis. for free package. Sold by Dr. W. W. Keeling.

At the meeting of the Modern Woodmen lodge Tuesday night the following officers were elected:

Benj. I. Colerick, V. C.
Stephen Cooper, Adv.
J. H. Seid, Banker.
W. W. Sanders, Clerk.
L. S. Colerick, Escort.
Ernest Alexander, Watchman.
J. L. Knight, Sentry.
Stephen Cooper and Norman Mead, Trustees.
Dr. W. W. Frazier, Camp physician.

Last Saturday was certainly the biggest day in the history for Earle Gilbert's store, judging from the crowds that congregated there. Although they had three extra clerks they had hard work waiting on the customers. In the afternoon the store room was so crowded that at times there seemed to be no room for the clerks to get through the people to wait on them. The room was handsomely decorated with imitation Easter lilies, American Beauty roses, etc. In the windows were rabbits and chickens. The room presented a very handsome appearance, and reflects great credit on Mrs. Gilbert and Louie Kerker, who did the decorating.

Resolutions of Respect.

Whereas, The All-wise Father has called to her reward our beloved sister, Mrs. Ann Maxwell, for so many years a faithful member of the Methodist church of Nemaha, and a beloved member of the ladies aid society, therefore be it

Resolved, That we, the members of said society, tender our sincere sympathy to the bereaved relatives of Mrs. Maxwell.

Resolved, That a copy of these resolutions be sent to the relatives, that they be furnished the Advertiser for publication, and that they be copied on the minutes of the society.

David H. Kite died at his home in Auburn at 4 o'clock last Friday morning, April 10. He was 55 years, 1 month and 3 days of age at his death. He has been in poor health for some time and for this reason moved from his farm in Bedford precinct to Auburn a few months ago.

David H. Kite was born in Page county, Va., March 6, 1853. He came to Nebraska in 1868. In 1876 he was united in marriage to Miss Ida M. Crow, daughter of George Crow, and sister of Mrs. Jno. W. Ritchey of Nemaha. The wife and three children survive. All are grown, the youngest being 18 years old.

The funeral services, conducted by Rev. G. W. Ayers, were held at the Methodist church at Howe Sunday afternoon and the remains laid at rest in the Kite cemetery in Bedford precinct.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Nebraska Going Dry.

If the late election in Nebraska demonstrates anything it is that Nebraska will be a dry state in a very short time. The prohibitionists came very near making a clean sweep in the state. In this immediate part of the state saloonists gained two towns—Arapahoe and Indianola, but to offset this loss the temperance people won at Oxford, Holdrege, Alma, Minden and Benkleman, where saloons are now located; and in the state they carried such strongholds as Beatrice, Blair, Hastings, Falls City, David City, Alliance, Wymore, Auburn, Tecumseh and Ravenna. It is estimated that their gain has been about 100 per cent over last year.—Cambridge Clarion.

Weak women get prompt and lasting help by using Dr. King's night cure. These soothing, healing, antiseptic suppositories, with full information how to proceed are interestingly told of in my book "No. 4 For Women". The book and strictly confidential medical advice is entirely free. Simply write Dr. Shoop, Racine, Wis., for free book No. 4. Sold by Dr. W. W. Keeling

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oft-times weakens the Heart's action. Use Dr. King's Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by Dr. W. W. Keeling.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs. The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
