

The native mushroom is now making its appearance and is being eagerly sought for in the woods by lovers of the delicious vegetable.

Theo. Schutz, the Stella jeweler, was in Nemaha a few hours Monday. He drove over from Stella and went to Brownville on the afternoon passenger to visit a few days with his parents, who live north of that burg.

We received on Monday a long letter from Stephen Huntington, living with his mother near Lorton, California. Stephen inquires after a large number of his old friends, and is especially interested in the welfare of the Methodist church and the members thereof.

The Happy Hollow rural school which is being taught by Miss Nadian Cowell was closed last week on account of the smallpox and measles in the neighborhood. It is not known how long the school will have to remain closed on account of the diseases.—Auburn Herald.

Rev. E. H. Gould, pastor of the M. E. churches at Stella and Shubert, stopped in Nemaha a short time Monday, on his way to Brownville, where he still resides. Rev. Gould is raising money to enlarge and repair the parsonage at Stella, and when this is done will move over there.

George Shiveley, the 10-year-old son of Mr. and Mrs. J. W. Shiveley, was badly bitten by a hog last Friday. He was in the lot looking at a young calf when the hog grabbed him and bit his right hand and left leg before he could get away. He was considerably injured besides being badly frightened.

We notice in the American of Comanche, Okla., of which E. A. Bourne is editor, an account of the wedding on April 14 of George Washington Fairbrother, jr., to Miss Edith Brandow of Oklahoma City.

We also notice in the same issue of the American notice of the birth of a son to Mrs. Frankie Shayler, oldest daughter of Editor Bourne.

The Nemaha City Cemetery association met at the bank Saturday afternoon. Only seven were present—a larger number, though, than usually meet. Last year there were only three. A committee was appointed to draft a constitution and by-laws and have same printed. Fuller Burns was elected sexton of the cemetery at \$20 per month, from May 1 to October 1.

A letter received a few days ago by Mrs. H. T. Minick from her daughter-in-law, Mrs. John Minick, now of Pawnee, Oklahoma, says that the latter's mother, Mrs. Robert Frost, was recently taken to a hospital at Oklahoma City, where an operation was performed for abscess of the stomach. Mrs. Frost is recovering nicely from the operation. Mrs. Minick writes that they are all well. Their earliest corn is up but is not growing very fast on account of continued cold rains.

Pain, anywhere, can be quickly stopped by one of Dr. Shoop's Pink Pain Tablets. Pain always means congestion—unnatural blood pressure. Dr. Shoop's Pink Pain Tablets simply coax congested blood away from pain centers. These tablets—known by druggists as Dr. Shoop's Headache Tablets—simply equalize the blood circulation and then pain always departs in 20 minutes. 20 tablets 25 cents. Write Dr. Shoop, Racine, Wis. for free package. Sold by Dr. W. W. Keeling.

The gray dray team that has been used so long by Knapp & Son has been separated. "Dick," the oldest one, having been traded off for a young horse. This has been a splendid team and few horses would have stood the steady work as many years as they have. They have earned the right of being retired on a pension.

M. H. Taylor and Lee Bolejack drove up from Shubert Thursday. From Mr. Taylor we learned of a serious and perhaps fatal accident that occurred Wednesday evening. A runaway team ran into Mrs. Arthur Shubert and her little child. The child was not much injured but Mrs. Shubert had an ankle broken and a bad gash cut in her forehead. She was unconscious until the next morning.

Mrs. Ann Kitsley, who for so many years made her home with the late Mrs. Ann Maxwell, started for Peoria, Ill., Monday, to make her home with a sister. Mr. and Mrs. Dan Maxwell, Mr. and Mrs. Wm. G. Maxwell, Mr. and Mrs. E. J. Maxwell, Mrs. Ray Clark and other friends were at the depot to bid her goodby. She would have been made welcome at any of the Maxwell homes, but preferred to go and live with her sister.

Notice of Sale of Estrays

Notice is hereby given that on Saturday, May 23, 1908, at 10 o'clock a. m., at the home of Chas. Howe, three miles southwest of Nemaha, I will offer for sale two red steers, supposed to be two years old, said steers having been taken up as estrays by said Chas. Howe, advertised according to law, and remain unclaimed by the owner.

W. W. Sanders,
Justice of the Peace.

Will Keep the Child

Mrs. Frank Sherwood and daughters, Mrs. Ora Houtz and Miss Ethel Sherwood, of Nemaha were visiting Miss Lissa Colglazier Monday. They brought here little five-year-old Luella Bloom, whom Miss Colglazier has taken to keep. The little girl's mother died at Nemaha a couple of months ago, leaving three small children. Luella is the middle child. Mrs. Bloom's parents will keep the youngest, and a home has not yet been found for the other. Miss Colglazier was the guest of relatives at Nemaha during the winter, and upon going to see Mrs. Bloom, who was then on her death bed, gave the promise of caring for one of the little children.—Stella Press.

Weak women get prompt and lasting help by using Dr. King's night cure. These soothing, healing, antiseptic suppositories, with full information how to proceed are interestingly told in my book "No. 4 For Women". The book and strictly confidential medical advice is entirely free. Simply write Dr. Shoop, Racine, Wis., for free book No. 4. Sold by Dr. W. W. Keeling.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many cases of Rheumatism; but now, as last, I uniformly cure all curable cases of this heretofore much dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

Dr. Shoop's
Rheumatic Remedy
DR. W. W. KEELING.

Rich Buttermilk

Tuesday of this week Mrs. J. H. Seid churned, getting several pounds of butter. That evening she noticed the buttermilk looked so rich and concluded to experiment and churned it over again, getting two pounds of butter. The next morning the buttermilk still had that rich appearance and she churned it the third time, getting a pound and a half of butter. It was all good butter, too, as Mrs. Seid makes no other kind. Henry then fed the buttermilk to the hogs or she might have churned it another time or two. She is figuring on how much butter she would have got if she could have got it all, and wondering why some one doesn't invent a machine to extract all the butter, the same as the cream is now extracted from the milk.

One of the arguments used by those favoring saloons in Shubert was that it was necessary to have the revenue from the saloon license in order to run the school. But that village has been without saloons for a year and voted to continue to have a clean town another year, and instead of the schools being crippled they increased the salary of the teachers, and now talk of building an addition to the school house, engaging another teacher, and adding the eleventh grade to the school.

A bill has passed both houses of congress which will benefit thousands of widows. By its provisions all widows of veterans will get \$12 per month, regardless of whether they are dependent or not, or whether the soldier died from disabilities incurred in the service or not. The only widows excluded are those who married veterans since June 27, 1890. Those now drawing \$8 per month will have their pensions increased to \$12 per month, beginning May 4, without making application therefor.

Honeysuckle Makes Fine Hedge

It may be, that you are planning a new hedge this year to shut out an ugly view, intruding animals or to form a boundary-line, says THE DELINEATOR for May. For this purpose the common honeysuckle; *Lonicera grata*, is worthy of consideration. A simple but strong wire fence will support it perfectly, and the roots may be set in at almost any time of the year. The vine grows rapidly, shows a disposition to take care of itself even to the extent of choking out poison-ivy or other climbers that endeavor to invade its stronghold. Its habit is to grow to the top of the fence, and then droop down gracefully on either side. A close wall of green is soon formed, so close indeed that dogs give up the attempt to push themselves through its mass of intertwined twigs. The flowers return for a second blooming, casting always, to considerable distance, their soft delicate scent.

A hedge of honeysuckle vines, moreover, is less costly than one of box or privet, and it does not require the clipping and care of the latter. Often such a hedge forms a desirable windbreak, especially for the roses of a garden. Trained over a simple framework it makes a delightful canopy for a garden bench.

That languid, lifeless feeling that comes with spring and early summer, can be quickly changed to a feeling of buoyancy and energy by the judicious use of Dr. Shoop's Restorative. The Restorative is a genuine tonic to tired, rundown nerves, and but a few doses is needed to satisfy the user that Dr. Shoop's Restorative is actually reaching that tired spot. The indoor life of winter nearly always leads to sluggish bowels, and to sluggish circulation in general. The customary lack of exercise and outdoor air ties up the liver, stagnates the kidneys, and oft-times weakens the Heart's action. Use Dr. Kings Restorative a few weeks and all will be changed. A few days test will tell you that you are using the right remedy. You will easily and surely note the change from day to day. Sold by Dr. W. W. Keeling.

Happenings in Brownville

Homer Stokes is in town this week.

Miss Leta Starry is in school again.

The butcher shop was closed Saturday.

Chas. Spittler had several nice fish Saturday.

The ladies of the park association observed Arbor Day.

Born, to Mr. and Mrs. Hiram Kelley, Thursday, April 16, a girl.

Miss Augusta Kilpatrick visited at home in Beatrice a few days, returning Monday evening.

J. E. Hopkins, one of the representatives of the Grand Island Business college, was in town Tuesday.

A dinner was given at the home of Mr. and Mrs. D. E. Vandeventer Friday, it being Mr. Vandeventer's thirty-sixth birthday.

Agents wanted:—16x20 crayon portrait 40 cents, frames from 10 cents up sheet pictures one cent each. You can make 400 per cent profit or \$36.00 per week. Catalogue and samples free.—Frank W. Williams Company, 1203, w. Taylor st., Chicago Ill.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

DO YOU GET UP

WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
