The Burlington has been having lots of trouble in this part of the territory recently. There has been a washout at Salem and numerous slides and sinks between Burlington and Nebraska City. Trains have been delayed and in some cases freight trains have been annulled.

We have had rains every day but one for the past eight days. On the 20th we had 2 inches, on the 22nd .4, on the 23rd .5, 24th .2, 25th 1.5, 26th 2 inches, and the 27th 1 inch, a total rainfall in eight days of 8.60 inches. The rainfall this month up to Thursday noon is 11.55 inches.

Our brother, John G. Sanders, sends us a copy of the Red Lodge (Mon.) Republican Picket, of which he is editor, which tells of "a foot or two" of snow falling there Wednesday of last week. They are not particular as to the depth of snow out there, just so they come within a foot or so of it. That would evidently be a good summer resort.

Card of Thanks

We wish to extend our most sincere and heartfelt thanks to the many kind friends and neighbors who so nobly assisted us during the sickness of our dear wife and mother, and to those who ministered to her at her death and spoke comforting words. May God richly reward them all.

Karl Tidrow, the 6-year-old son of Mr. and Mrs. F. M. Tidrow, of 845 Alabama street, was quite seriously hurt Sunday by falling fifteen feet from the top of the wall to the floor of the basement at the new Christian church. With some larger boys he was on his way home from Sunday school. The boys stopped to play on the walls of the building and Karl was induced to go up with them. He tried to step from one timber to another and fell between, striking on his face and body. It is believed that his nose is broken. He was taken home unconscious and a doctor summoned. He is better to-day and it is thought that he was not injured inwardly and will soon recover. He will probably be badly scarred for some time.—Lawrence (Kas.) Journal.

F. M. Tidrow is a brother of Mrs. F. L. Woodward and Mrs. George Yackly.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Dr. W. W. Keeling.

In 1864 he moved on a farm of 240 acres in Aspinwall precinct, living there until a few years ago, when he moved to Auburn. He was a leading member of the Christian church and a fine citizen. He leaves a widow and seven children—Alva and Leroy D. of this county, Ed W. of Idaho, Mrs. Rimel and Mrs. C. G. Duerfeldt of this county, Mrs. Coons and Mrs. Shubert of Idaho.

Mr. Lambert was a Virginian by birth. He came to Nebraska in 1857, and with Henry Elliott platted Blue Springs. Three years later he came east to the Missouri river, running sawmills on its banks for five years. In 1866 he located on a farm four miles east of the present home farm. In 1870 he moved to the farm where he died.

Mr. Lambert was married to Melinda Long in Franklin county, Virginia. The wife and eight children survive.

She was married to Levi Clifton in October, 1893. Together with her husband and children she came to Nemaha county in 1900. She united with the Christian church in May, 1902, and lived a consistent christian life.

She leaves to mourn her departure a mother, three sisters, two brothers, her husband and eight children, six sons and two daughters. Her children were all present at the funeral services, which were conducted by Rev. J. W. Sapp on Friday, May 22, at 10 o'clock a. m., at the Christian church in Nemaha. The remains were laid at rest in the Nemaha cemetery.

Mrs. Clifton was a kind and loving wife and mother and was greatly loved by all her neighbors.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.
