

Our attention has been called to the fact that in our report of the high water two weeks ago we had the water considerably higher on the Howe farm than it really was. The article said it was about half way up the lower sash of the windows of the house when in fact it was only about a foot deep. We published it as it was given to us.

Hon. H. R. Howe received a telegram Saturday announcing the death of his grandfather, Albert C. Howe, Princetown, Mass. He was in his ninety-second year. He is survived by his wife and two sons, Major Church Howe, American consul, Manchester, England, and Clement G. Howe of Superior, Nebr. Grandpa Howe was a resident of this county back in the sixties.—Granger.

The Nemaha County Old Settlers' association will hold its annual picnic and reunion at Nemaha City on Aug. 5. The editor of the Independent Farmer landed in Nemaha county forty-three years ago last June and could unfold a few fish stories in the line of ancient history that would help to swell old Nemaha's archives. However, the resident old settlers are still pretty strong in numbers and long on talk regarding the early-day trials and triumphs, and we cheerfully leave the task to them of keeping the record straight as to the pioneer doings of the banner county of Nebraska.—T. J. Hitte in Nebraska Independent Farmer.

Come down, Tom, and meet your boyhood friends and talk over early days. It will do you good.

The Special School Meeting

In pursuance of the call, a special meeting of the voters of the Nemaha school district was held at the school house Tuesday night to vote on the question of reconsidering the vote taken at the annual meeting instructing the school board to hire a fourth teacher.

There was considerable discussion of the question, various reasons for and against the proposition being advanced.

When the vote was taken there were 13 votes in favor of the motion to reconsider and 31 votes against it, so the fourth teacher will be added.

The school board will meet next Monday night to hire this teacher.

Let peace and harmony prevail.

Notice to Teachers

Examinations for teachers' certificates will be held July 17, 18 and July 31 and August 1. No other examinations in August.

If one feels dull and spiritless, in the spring or early summer, they call it "Spring Fever." But there is no fever—usually. It is the after effects of our winter habits. The nerves are mostly at fault. Tired, worn-out nerves leave us languid, lifeless, and without spirit or ambition. A few doses of Dr. Shoop's Restorative will absolutely and quickly change all of these depressing symptoms. The Restorative of course won't bring you back to full health in a day or two, but it will do enough in 48 hours to satisfy you that the remedy is reaching that "tired spot." Druggists everywhere are advising its use as a splendid and prompt general tonic. It gives more vim and more spirit to the spoonful than any other known nerve or constitutional tonic. It sharpens a failing appetite, aids digestion, frees sluggish livers and kidneys, and brings new life, strength and ambition. Test it a few days and be convinced. Dr. W. W. Keeling.

Death of William H. Ogg

William H. Ogg died at his home in Aspinwall precinct Saturday, July 18, 1908, aged 66 years, 10 months and 23 days.

Mr. Ogg was a quiet, unassuming man, a good husband and father, and a good citizen. For many months he has been a great sufferer from a cancer on his face. He was in a hospital in Joe for some time and received the best of medical attention, but nothing could be done to stop the ravages of the dread disease.

The funeral services, conducted by Rev. J. W. Sapp, were held Sunday afternoon, and the body laid at rest in the Prairie Union cemetery.

William H. Ogg was born at Perry, Ohio, Sept. 25, 1841. He was united in marriage to Mary E. Wolfe Feb. 15, 1877, at Smith Center, Kansas. To this union were born thirteen children, eight girls and five boys. One little girl died in infancy. The others are living and were all present at the funeral of their father. At the age of 18 years, on August 12, 1862, Mr. Ogg enlisted in the army to assist in putting down the rebellion, joining Co. I, 31st Iowa. He was discharged at Benton Barracks, Mo., June 6, 1863, on account of disability incurred while in service.

Mr. Ogg united with the Christian church about 14 years ago.

He leaves a wife, one sister, a half brother and twelve children to mourn the loss of a kind and loving husband, brother and father.

"Asleep in Jesus; blessed sleep,
From which none ever wake to weep.
A calm and undisturbed repose,
Unbroken by the last of foes."

We desire to express our heartfelt thanks for the kindness shown us during the sickness and death of our beloved husband and father.

Mrs. William H. Ogg
and children.

The District Sunday School Convention

The district Sunday school convention held at Nemaha last Sunday was a success. At 10 o'clock a. m. a union Sunday school was held. The Christian, Methodist and Rosefield schools were well represented.

At 11:15 Miss Stella Washburn read a splendid paper on "The Sunday School Teacher." The discussion of this paper occupied the time till noon.

At 2:15 the audience was called to order. The first half hour was occupied by the Rosefield school with a program consisting of recitations and songs. It was fine. Over forty of the members of the school were present.

Rev. G. W. Ayers made an excellent address.

The question box was opened and caused an interesting discussion on some of the questions asked.

It was voted to have only one convention each year, to be held in Nemaha.

A motion was adopted inviting the county Sunday school association to hold the next convention in Nemaha.

The following officers were elected: President, Miss Minnie May; vice president, A. C. Gunnison; secretary-treasurer, Mrs. Adelia Russell; superintendent of department work, Mrs. C. H. Kindig.

Rosefield Fruit Farm

Last Friday afternoon F. E. Hoover took us out to his fruit farm, which he has named the Rosefield Fruit Farm. He has fifteen acres of peach trees and not a tree is missing except a few that have died this year. He is now shipping large quantities of Triumph peaches. The next variety to ripen will be Russell No. 1, a fine freestone. He has the Champion, Elberta, Crosby, Hill's Chili and Wager, ripening in the order named and all splendid peaches. His trees are mostly seven years old, are thrifty and in splendid shape. They are well filled with fine fruit. He kept them top pruned for the first four years, making them spread out and grow bushy. The orchard has been cultivated until this year.

Three tents have been put up in the orchard. One is used for cooking and sleeping in, as the picking and packing force stay out on the farm. The present force consists of Pat Hoover, the junior member of the firm of F. E. Hoover & Son, and Eddie Maxwell, with Miss Mabel Hoover as cook, the latter staying at night with Mrs. Norman Mead, living on the farm. F. E. Hoover makes himself generally useful in overseeing the work, rustling orders, helping pack, bringing fruit to market, etc. One of the other tents is used for sorting and packing the fruit and the other one for storing baskets, etc.

Besides the peach orchard of about 1400 trees there is a pear orchard and a lot of plum and cherry trees, grapes, raspberries, blackberries, etc. All are filled with fruit this year. Mr. Hoover is justly proud of his fruit farm. It is in splendid condition and will bring him in good returns this year for the care he has taken of it in the past.

The Nemaha County Old Settlers' association will hold the twentieth annual reunion and picnic in the beautiful park at Nemaha on Wednesday, August 5. Senator E. J. Burkett and Hon. G. W. Berge of Lincoln will make addresses. The First Regimental band of Hiawatha, Kansas, one of the very best bands in the west, has been engaged and will give a concert at night. A concert will also be given immediately after dinner. A good male quartet has been engaged. Miss Mae Jones, a fine elocutionist, will assist in entertaining the people. The Campanella ball team of Omaha, said to be the fastest team that ever came out of Omaha, and the Atchison, Kansas, team, the fastest team in that part of the state, will play two games, one in the forenoon and one in the afternoon. People always have a good time at these old settlers picnics and this promises to be the best of all.

"Health Coffee" is really the closest coffee imitation ever yet produced. This clever coffee substitute was recently produced by Dr. Shoop of Racine, Wis. Not a grain of real coffee in it either Dr. Shoop's Health Coffee is made from pure toasted grains, with malt nuts, etc. Really it would fool an expert—who might drink it for coffee. No 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by all dealers.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Weak women should try Dr. Shoop's Night cure. These soothing, healing, antiseptic suppositories go direct to the seat of these weaknesses. My book "No. 4 For Women" contains many valuable hints to women, and it is free. Ask Dr. Shoop, Racine, Wis. to mail it. Ask the Doctor in strictest confidence, any question you wish answered. Dr. Shoop's night Cure is sold by Dr. W. W. Keeling.

To stop any pain, anywhere in 20 minutes, simply take just one of Dr. Shoop's Pink Pain Tablets. Pain means congestion—blood pressure—that is all. Dr. Shoop's Headache—or Pink Pain Tablets—will quickly coax blood pressure away from pain centers. After that, pain is gone. Headache, neuralgia, painful periods with women, etc. get instant help. 20 tablets 25c. Sold by Dr. W. W. Keeling.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The kidneys, like the heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the kidneys alone, is futile. It is a waste of time, and of money as well. If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.
