 Our ordinances, recently passed, are being put to good use. Two individuals who have been engaging in the manly (?) occupation of gambling in our community for some weeks past were arrested on last Thursday afternoon, and fined \$30 and costs. Now, let the good work continue. A stranger has the same right to violate the law and ordinance as a citizen, and the one should not be heavily fined and the other allowed to go scot free. Every such plain violation of law should be dealt with "impartially," or the ordinance repealed.  
 The Social Club dance, postponed last Wednesday night on account of a superabundance of moisture, was held yesterday evening, and was most thoroughly enjoyed. Some young toughs, at different times during the evening, disturbed the dance by pounding on the side of the building, and concluding from the terrific noise produced, they must have used large chunks of wood. This may be fun for the boys, but there are healthier things that are funny, and they had better look after them. Another dance next Wednesday evening.

 J. E. COCHRAN,  
 1st Door South U. S. Land Office,  
 28-4t. McCook, Nebraska.  
 It is with feelings of regret that we record the removal of our townsman, J. E. Cochran, and family, to McCook, Neb. They have been residents of Oberlin for about four years. Mrs. Cochran is a lady in every sense of the word, and will be missed in Oberlin society very much, as she is a lady of high literary attainments and held the respect, love and esteem that culture and an amiable disposition always beget. Mr. C. is a high-minded, energetic, public spirited Christian gentleman, which characteristics, together with his professional attainments, secured for him in 1882 the strongest vote for County Attorney, in proportion to the number polled, ever cast for a candidate in Decatur county, which position he resigned to follow his profession in his new home. We commend them to the good people of McCook.—Oberlin Eye.

The old gentleman expressed himself as being most agreeably disappointed in this country, the prevailing idea being that nothing could flourish in this region, at his home. All who come to the Republican Valley express this same surprise at finding a much finer country than they had any idea. Those who have faith in the soil of this Valley predict that it will be one of the finest agricultural portions of this state in the near future.

 WHEREAS, J. E. Cochran, a prominent member of this bar, has decided to seek new pastures and sever his business relations with the people of this county,  
 RESOLVED, That we receive the news of our brother's intended departure, which severs our business relations, with feelings of heartfelt sadness, and it is hereby  
 RESOLVED, That in the four years of his residence among us, we have ever found him a faithful citizen, a genial, high-minded gentleman, a careful counselor, a reliable and able attorney.  
 RESOLVED, That by a residence of himself and family among us, our society has been raised to a higher standard, and will by their leaving sustain an appreciable loss.  
 RESOLVED, That in parting, our kindest wishes will ever attend himself and family, and we recommend him to all those in need of a skillful lawyer as one worthy their full confidence; and himself and family to the society of the neighborhood in which they may locate to their highest esteem.

 OFFICE OF OSGOODBY'S IMPROVED SAFES, 15 S. Broad Street, ATLANTA, GA., October 17th, 1881.  
 Dr. Rush's Medical Association:  
 DEAR DOCTORS.—The three bottles of "Dr. Rush's Regulator" I ordered were nearly used up last week. I have taken nearly one bottle and am thoroughly satisfied with the result. For over two years I have been troubled with sharp pain in my heart. My physician, upon examination, pronounced it enlargement of the heart and was unable to give me any relief. The trouble grew worse until I had become convinced that I could not be cured. While in New York City, last week, I called upon one of the most prominent physicians there, who charged me \$25 for an examination and then recommended your "Regulator." Knowing you to be a regular Medical Association, and not a patent medicine scheme I ordered the three bottles. I have not been troubled since I commenced taking it, but shall continue and take the entire three bottles so as to obtain a permanent cure. You have my sincere thanks.  
 I am, gentlemen, Very respectfully,  
 Wm. G. OSGOODBY.
