THE TOWN OF McCOOK

In Red Willow County, Nebraska, has been surveyed, and lots in the market, for just one year and has now a population of 1000 people. This point has been designated by the C., B. & Q. as the DIVISION STATION between the MISSOURI RIVER & DENVER, where the principal shops, a 15 stall round house and other R. R. facilities have been located on the Denver Line. A complete system of water works costing \$25,000 is just being completed giving all the facilities for comfort possessed of old cities. Lots will range in price from \$150 to \$500 for business lots, and \$50 to \$200 for residence lots. The history of points like McCook show an increase of more than three hundred per cent. in from one to five years, and this town promises to be an exceptional chance for investments.
