M. W. DUNHAM
Wayne, Du Page Co., Illinois,
HAS IMPORTED FROM FRANCE
Percheron Horses valued at \$3,000,000,
which includes
75 PER CENT OF ALL HORSES
Whose purity of blood is established by their pedigrees
recorded in the STUD BOOKS OF FRANCE.
EVER IMPORTED TO AMERICA.
STOCK ON HAND:
150 Imported Brood Mares,
250 Imported Stallions,
100 COLTS,
Two years old and
younger.
Recognizing the principle accepted by all
insightful breeders that,
however well bred animals
may be said to be, if their
pedigrees are not recorded, and cannot be substantiated
green, they should be valued only as grades. I will sell all
recorded stock at Grade Prices when I cannot furnish
with the animal and pedigree verified by the original
French catalogue of its number and record in the Stud Book
in France. 140 Page Catalogue sent free. It is
illustrated with Six Fine Plates of the Exhibition of the
Societe Hippique, Paris, 1884; purchased by U. S. Dunham, and drawn from life by Ross
Bonheur, the most famous of all animal painters.
Our Opinion.
After selling numberless preparations, we are con-
vinced that BEGG'S TROPICAL OIL is unequalled
for pain, cuts, bruises, rheumatism, frost bites, chil-
blains, etc. It is warranted by S. J. Green and John-
son & Spalding.

waukee sends large photographs of its twenty-eight public school edifices. C. D. Hoton is the commissioner in charge.

At a meeting held by the American Horticultural society in this city, in regard to the financial embarrassment of the Exposition management; Mr. Geo. W. Campbell, of Delaware, O., former assistant commissioner to the Exposition Universelle at Paris, also assistant commissioner from Ohio to the World's Exposition at New Orleans, moved: To the effect that the Exposition having assumed proportions beyond all expectation, and having grown upon their hands beyond their control financially: Be it therefore Resolved,

That the American Horticultural Society earnestly recommend that the government of the United States shall further aid the management of the World's Cotton Centennial Exposition by the loan of \$500,000, or of such a sum as shall be necessary to carry its undertaking to a successful conclusion. The resolution was seconded and unanimously carried.

Mr. Kellogg, of Wisconsin moved that—We find the Exposition so far completed that we advise our friends to postpone their visit no longer, but to come and see the greatest Exposition the world has ever seen.

Also, that we believe a more liberal accommodation to visitors by railroads, and returning by different routes with stop-over privileges, will greatly increase the attendance.

Magnetic Cures. Dr. HILL is the first man to discover the philosophical principle that all nervous pains, aches, and debility should be treated directly from the "brain battery," from whence emanate all nervous force and will power. All other forms of treatment for nervous disorders are failures. Every person who suffers from nervousness knows this, and that medicines only palliate, but never cure. These appliances are magnetic, and differ from all others on the market which are electric. Magnetism is the life of man. Their curative qualities are wonderful in all nervous complaints. The Roman physicians practiced magnetic treatment 1,800 years ago in nervous diseases, but did not treat from the "brain battery." Dr. Hill has made this great discovery; the only sure cure for nervous Headaches, Rheumatism, Neuralgia, Liver and Kidney Complaints, Paralysis, Gout, Spinal weakness, Dyspepsia, Constipation, Cold Limbs and Feet, and General Debility. Miraculous cures noted every day. The Magnetic Brush lifts nails, and the only article of the kind invented. It is the greatest curative agent known and used in a "brush bath" imparts tone, replenishes the debilitated system, and creates warmth. In chronic cases our Magnetic Bands, Belts and Pads should be used. The brushes are warranted to do the work, or the money refunded. Send for circular and testimonials. By giving a description of nervous trouble, we will give advice and directions how to use our appliances. HILL MEDICAL MAGNETIC APPLIANCE COMPANY, Lock Box 52, Washington, D. C.

THE WOODMANSE.

This mill is a "wood wheel" and the best self-regulator made. The Woodmanse No. 6 Pump is the best single acting force pump in the market. Will work in wells from 10 to 200 feet in depth, and has back attachments to force water into elevated tanks. Can be used by hand or windmill. Parties contemplating the erection of a Windmill will consult their best interests by calling at my Homestead, 1 1/2 miles west of McCook, or at J. E. Black, 5 miles southeast, and examine the workings of the Woodmanse.
