Magnetic Cures. Dr. HILL
 is the first
 man to discover the philosophical principle
 that all nervous pains, aches, and debility
 should be treated directly from the "brain
 battery," from whence emanate all nervous
 force and will power. All other forms of treat-
 ment for nervous disorders are failures. Ev-
 ery person who suffers from nervousness
 knows this, and that medicines only palliate,
 but never cure. These appliances are mag-
 netic, and differ from all others on the market
 which are electric. Magnetism is the life of
 man. Their curative qualities are wonderful
 in all nervous complaints. The Roman physi-
 cians practiced magnetic treatment 1,500 years
 ago in nervous diseases, but did not treat from
 the "brain battery." Dr. HILL has made this
 great discovery, the only sure cure for nervous
 Headaches, Rheumatism, Neuralgia, Liver
 and Kidney Complaints, Paralysis, Gout, Spinal
 weakness, Dyspepsia, Constipation, Cold
 Limbs and Feet, and General Debility. Mirac-
 ulous cures noted every day. The Magnetic
 Brush lifts nails, and the only article of the
 kind invented. It is the greatest curative
 agent known and used in a "brush bath" im-
 pairs tone, replenishes the debilitated system,
 and creates warmth. In chronic cases our
 Magnetic Bands, Belts and Pads should be
 used. The brushes are warranted to do the
 work, or the money refunded. Send for circu-
 lar and testimonials. By giving a description
 of nervous trouble, we will give advice and
 directions how to use our appliances. HILL
