Mrs. Elden Sparks, accompanied by her daughter, Mrs. John Whittemore, were down from Cody the fore part of the week visiting friends and relatives.

Pete DeCory was down from his ranch on the reservation the first of the week. He says he never saw grass so good before, and it tends to cut a lot of upland hay.

C. L. Rainbolt, of Gold Hill, New Mexico, was in town Monday settling up the estate of his brother, W. J. Rainbolt, who was murdered northeast of town last fall.

Ben Bachelor, of Kennedy, was in the city Tuesday. He says the grass was never better in the sand hills and if it only stops raining now there will be an extra large hay crop.

Archie M. Smith, of Davenport, Nebr., is now holding the night operator job at this place. He is a worthy young gentleman and we are pleased to welcome him to our town.

Many fishing parties have left town for the lakes. They, in most cases, report an excellent run of luck. Roscoe Fischer and Mark Stuart got run home by mosquitoes after fishing one day.

Alfred Lewis and Miss Inez Pettycrew have returned from school at Lincoln. Alfred is studying medicine at the university, and Miss Pettycrew is taking music at the Wesleyan.

Monday night the Degree of Honor entertained at Fraternal hall in honor of Miss Brown who leaves today for Kearney where she has been selected as one of the instructors in the new state normal.

In the parlors of the First M.E. parsonage, in this city, Monday afternoon, June 5th Mr. Clinton Loucks and Miss Ada Ulrick, both of Lead City, were united in marriage, Rev. M. A. Head officiating. These are bright young people and their friends wish them a pleasant pilgrimage along the pathway of life.—Lead Daily Call.

The bride is the eldest daughter of Hans Ulrick and wife of this city and is well known here. THE DEMOCRAT extends congratulations

Cloyd Quigley returned from attending school at Bellevue College last Saturday morning. He says that he's well satisfied with Bellevue college and intends to return next fall. Bellevue college is a department of the University of Omaha and is ranked the leading college of the state. A degree from Bellevue requires as much ability and hard work as a degree from the University of Nebraska. Several from Valentine are intending to go to Bellevue next year.

Judge Walcott sojourned in Omaha the first of the week.

### Ainsworth 2—Valentine 1.

The Ainsworth baseball team met this year at Ainsworth Saturday afternoon at 7:30. The Ainsworth team was played on a field that rained until a few minutes before the game was called, but nevertheless it was a hard and interesting game. Batteries—Ainsworth, Atkinson and Robinson; Valentine, Gorrell and Leach. A return game will be played here in the near future and we predict that Valentine will be able to carry off the honors on her home grounds. The score by inning was as follows:

A. . . . . 0 0 0 0 1 0 0 0 1—2  
V. C. . . . 0 0 0 0 0 0 0 0 1 0—1

### Tracewell—Sauerwein.

Miss Byrl Tracewell and Henry Sauerwein were united in holy matrimony Monday, June 12, 1905 at 2:30 o'clock at the home of the bride's parents, Rev. Edgar Clark officiating. The wedding was very quiet, only the immediate relatives being present.

The bride has grown up among us and all testify to her many virtues. She is a worthy young lady and Mr. Sauerwein is to be congratulated on his wise choice of a companion who will help to brighten life's journey.

Mr. Sauerwein has lived near Crookston for a number of years, being engaged in farming and stock-raising. Through honesty and integrity he has amassed considerable property.

THE DEMOCRAT joins with their numerous friends in extending congratulations and wishes them a prosperous and happy life.

They will be at home after June 15 at the groom's place near Crookston.

### FROM DENVER POST.

May 31, 1905.

Has the new live stock organization, formed a few weeks ago to fight the beef combine and the railroads, secured a representative of the beef trust to fill one of its most important offices?

With the news from Chicago that T. W. Tomlinson, who has for several years been the official rate maker of the Chicago junction railway commission, has been appointed secretary of the American Stock Growers' Association, the organization formed by Murdo Mackenzie and Samuel Cowen of Texas and other prominent stockmen, the above question has been asked by men inside and outside of the new association.

Some go so far as to intimate that the beef trust has foisted Tomlinson upon the new organization and that by a stroke of political diplomacy expects to keep in touch with the movements of the organization and thwart every move that might result in ameliorating the condition of the stockmen of the west.

ACCUSE TOMLINSON  
Said a stockman today: "Tomlinson is hand and glove with both interests and his selection would seem to mean that the packers and railroads had enough influence to force his appointment. How it was done, if there was any jobbery in connection with the matter, those on the outside can't say."

While working for the Chicago Junction Railway Company, of which John A. Spoor is president, Tomlinson is alleged to have made the \$2 terminal charge, which has been roasted by every big stockman in the country.

Tomlinson is regarded as one of the best authorities on railroad rate-making in the country and his knowledge of such matters would be of great use to the American Stock Growers' Association in its fight for lower rates. However, the fact that he has been in the employment of a company owned largely by the packers makes him lose prestige in the eyes of certain stockmen.

The assertion is made that Tomlinson will direct the attack of the new organization against the railroads solely. Meanwhile, it is said, the beef combine will continue its work of oppression.
