### The Three Nominees.

Lincoln, Neb., Sept. 20.—W. G. Hasting, the democratic and populist nominee for supreme judge, came to Nebraska in 1876 from Chicago, where he obtained his legal training. He settled in Saline county, and was there admitted to the bar. He early won a reputation as a lawyer of unusual ability and erudition and for his unswerving honesty in the practice of his profession. In 1891 he was elected by the democrats and populists judge of the Seventh judicial district, and was re-elected in 1896. He was appointed a commissioner of the supreme court in 1901, and served for three years. He is at the present time engaged in the active practice of the law, and is a professor of law in the University of Nebraska on the subjects of constitutional law and equity. Louis Lightner of Platte county, nominee for regent, is a graduate of the University of Nebraska and a practicing attorney at Columbus, where he is a partner of J. J. Sullivan, formerly chief justice of the supreme court. D. C. Cole of Polk county, the second nominee for regent, has served several terms as county superintendent in that county, and is well and favorably known as an educator.—World-Herald.

Are gone on pinicns fleet:  
Like our happy youth's glad prime  
That sped with hurrying feet.  
With saddening hearts and silvering hair,  
We yield to time, that never stays;  
And face the autumn of the year,  
The sunset of our days.  
Our time is speeding to a close,  
Our harvest work's near done;  
The seed we sowed now plainly shows  
At the setting of the sun.  
O well for us, when the harvest's o'er,  
If we are garnered with the wheat;  
Not with the chaff of the threshing floor,  
Swept into the furnace heat.  
EAGLE.
