## TOWN LOTS THAT ARE SURE TO GROW.

A legitimate and certain 'Get Rich Quick' Proposition.

## SHOSHONI

The new Wyoming town that is now being established by the Pioneer Site company is deservedly attracting general attention. Located in Fremont county, Wyoming in the famous Wind River country on the line of the Wyoming and North-western Ry., now under construction, and within two miles of the east line of the great Wind River (or Shoshone) Indian reservation, comprising 1,400,000 acres of land, which will be opened for settlement June 1st, 1906, the town cannot help but take a prominent position among the cities of Wyoming.

The tributary county is good and will be settled speedily.

The general situation of the town is most auspicious, assuring to investors, or those locating in any line of business large returns.

Opportunities of this kind are rare and "those who know" are rapidly taking advantage of this one.

Lots in the new town will be offered for sale during session of the WYOMING STATE FAIR, at Douglas, Wyoming, October 3, 4, 5 and 6, 1905.

Mr. Whitney, General Townsite Agent of the Pioneer Townsite Co., will be at Douglas during the above period with maps, prices and all information concerning the new town. 354
