while on his way home from Fair-  
fax, where he had been spending  
Christmas with his brother.—  
O'Neill Independent.  
The U. S. weather bureau re-  
port for the week ending Jan. 3:  
The daily mean temperature 20°  
shows 2° above the normal. The  
highest and lowest were respect-  
ively 40° and 4°, giving a range  
of 36°. The precipitation .24 of  
an inch came in the shape of snow.  
The winds have been a little above  
the average, the highest velocity  
being 30 miles from the nw.

Valentine has long been known  
as a good business town, having  
many good businesses, men of  
capital and substantial buildings.  
There has also been many persons  
engaged in or interested in the sal-  
oon business and in the gambling  
that has been conducted in and  
about the city. Many attempts  
made at different times to check  
gambling in recent years have  
failed, excepting during a crusade  
of excessive agitation or preceding  
an election of village trustees.  
Recently citizens have waited  
upon the village trustees asking  
them to take some action toward  
enforcement of the liquor laws in  
saloons and that gambling be stop-  
ped. Meeting with no encourage-  
ment, they appealed to the county  
attorney who also refused to take  
any action, shifting the responsi-  
bility to the village trustees who  
admitted having given the saloons  
permission to gamble in back  
rooms of their saloons, which they  
thought to be preferable to gam-  
bling in private rooms about town.  
Complaints, consequently, were  
made before County Judge Towne  
last Tuesday and search warrants  
issued to search the saloons for  
gambling devices, warrants also  
being issued for the arrest of the  
owners of the places of business  
where gambling apparatus was  
found. The search was made by  
Sheriff Layport and his son How-  
ard, resulting in a find of roulette  
wheels, tables, poker chips, cards  
and other apparatus. The saloon  
men were arrested yesterday and  
taken before Judge Towne where  
they waived preliminary hearing  
and were bound over to the next  
regular term of district court, giv-  
ing bonds for appearance.

L. K. Brownell returned last  
week from a visit at Red Cloud

ness with pleasure.

stantial business man in this city,

**Cherry County School Notes.**  
The State Teachers meeting at  
Lincoln was attended by more than  
2,000 teachers. The program was  
worthy the attendance of every  
teacher in the state. Cherry Co.  
sent five delegates: R. H. Watson,  
A. E. Larsen, Misses Effie Carl-  
son, Chloe Waggoner and Lulu  
Kortz.

The topic of most interest in the  
county superintendents' section  
was the Certification of Teachers  
under the new law. It is import-  
ant that teachers whose certificates  
expire in February and March  
shall present themselves for ex-  
amination at the office on the reg-  
ular examination days in January  
and Feb. Those giving satisfac-  
tory evidence of having done the  
reading circle work and associa-  
tion work will be required to take  
examination in the five essentials  
only—viz: reading, arithmetic,  
grammar, history and geography.  
The new law does not provide for  
renewal of certificates. All third  
grade certificates issued in August  
expire in February.

At Lincoln your superintendent  
met all the former instructors in  
the Institutes of Cherry Co. and  
in the Junior Normal, who with-  
out exception sent cordial greet-  
ings to the teachers in Cherry Co.

there on a hay rack. There were  
27 in that crowd.
