HISTORY OF THE CASE.

ly Last Spring.

The difficulty which was engled today at the Soutolk Insune harpitals, arose hast apping when Consernor Mickey demanded the resignations of Sought to Remove, Has Ended and Dr. Alden and Dr. Nicholson, both re-Case in Supreme Court is Dismissed. Dusing to comply with the demand uness, after an investigation, it should be shown that they should resign. In his first request for the resimuations. Jains to the superintendency of the Governor Mickey stated that personal friction between the two officials and rendered possession of the office to their families, was his reason for their removal. He at that time stated that Dr. Young assumed the duties of he was well satisfied with the conduct of the institution.

The two physicians insisted upon a public lavestigation, stating that they did not care so much for the positions. as they did for their regulations. The tion would be held in his office, and Dr. Alden, at present ill from the ordered the two officials to appear 4.50 effects of having lately been stricken, before him. They demorred and .10 is still at the hospital, where he will claimed that, since the institution is under the supervision of the state board of public lands and buildings, Dr. Young arrived from Lincoln last that board was the proper party to hospital, but returned to that city to all of the festimony that must be infolk, Norfolk was the place for it. Attorney General Brown concurred in this opinion and the investigation was set for Norfolk, before the state board.

After a rigid investigation held here by the board, that body determined by ferred by the governor were unfound-

The governor disregarded the verdict of the board and declared that the two officials must still resign. He appointed their successors.
