

FOOTBALL TEAM DISBANDBS

HIGH SCHOOL BOYS HERE WILL PLAY NO MORE.

BECAUSE OF PLAYER'S INJURY

Some of the Strongest Players in the Team Gave Their Decisions Not to Play Any More This Fall and the Schedule is Off.

The Norfolk high school football team has disbanded for the present and may not play any more games this season. The game with Winstead, scheduled for Saturday, has been called off. The disbanding is said to have been caused by the injury of Carl Austin at Sioux City last Saturday. Among those of the team who refused to play again were Sam Erskine and Ross Tyndall, two of the star players, and the loss of these two men, together with the loss of Austin, who was hurt, so crippled the team that they were disinclined to keep up the sport.

Whether or not the team will be reorganized next year is a question that the boys have not yet decided.

High school and academic football has received a hard blow since the reformation in the game was undertaken a year ago, because it was shown by figures that most of the injuries received in the games were by high school men. The high school player is not in training as is his college brother and consequently, being rather soft when the games come on, he feels the effects of hard falls and jolts more seriously.

Among other teams in the state that have been disbanded is that at Lincoln which was for two years the champion team among high schools in Nebraska and Iowa.

Austin, the young man who was hurt, is getting along all right apparently, though he still has weak spells.

A. A. Ahlmann's big touring automobile, after being put out of business for a little while yesterday by the breaking of a gear wheel, is ready today to make another trip. The machine was returning home on a heavy road and another notch of speed was put on, which worked the car under heavy strain. Suddenly the engine lurched up to full speed but the auto moved not. The gear wheel had broken, rendering the machine useless for the time being. It was quickly repaired today.

Mrs. H. Lube, while walking along Philip avenue after dark last night with Mr. Lube, was almost struck by a freight train. A flat car was being backed down the track in the dark, and the pedestrians failed to notice it. Mrs. Lube stepped up on the track and at the same moment heard the whir of grinding wheels. Mr. Lube seized her and hurled her from the track. The violence with which she was thrown off the railroad track made her dizzy. The car was about an arm's length from her when she discovered it.

Train No. 401, which was due in Norfolk from the east at 12:25, did not arrive until 6 o'clock last night, owing to a small wreck which occurred about two miles the other side of Irvington. The trucks of the engine tank became derailed and before the train could be stopped they had gone forty rail lengths with the ties acting as rails for the derailed wheels. They crossed a small culvert in this condition, the wheels grinding so close to the rails as to cut the burrs off from the bolts that hold the rails together. A train was made up at Omaha and sent around by way of Missouri Valley to Fremont and then down to Irvington to help replace things. The only damage done was the loss of time and the damage to the track.

Norfolk again has a high school football team, the old team deciding to reorganize last night. The game next Saturday will be with Neligh at Neligh. Ogden, who formerly held center, has withdrawn from the team.

IT WAS A STRENUOUS WEEK

THERE HAVE BEEN PUBLIC ENTERTAINMENTS TO ATTRACT.

AS WELL AS PRIVATE PARTIES

Norfolk Has Been up so Late at Night During Past Week That the Town is Glad Saturday Night Has Arrived. More Dancers This Year.

Norfolk has been going so much to theaters and lectures and dances and luncheons and other affairs this week that the town is glad Saturday night is at hand, with Sunday morning to follow. The theater on the night of Walker Whiteside's presentation of "The Magic Melody" was a social function generally attended, the cartoon lecture of Mr. Packard was attended by many and there have been other features to keep up interest in life. There promises to be at least a normal round of pleasure for next week.

Social conditions have changed in Norfolk within the past few years. Two years ago the people who enjoyed dancing and who had been instrumental in arranging dancing parties, were almost forced to give up the pastime altogether because of the lack of interest. Today there are plenty of dancers and to spare.

Pleasures of the Week.

The J. N. C. club enjoyed a pleasant social session at the home of Miss Jessie Drebert Thursday evening. Refreshments were served during the evening.

A few friends of Miss Mamie Zuehlow called and surprised her Wednesday evening at the home of August Holberman, the occasion being her birthday.

About forty couples took advantage of the music of Collins orchestra last night and attended the private dancing party which was given in Marquardt hall. The evening was very much enjoyed. Punch was served during the dancing.
