Bryan use Mike Harrington's campaign thunder when he was whirled over this congressional district for a week's speaking tour before election? An O'Neill man who was in the city today declares that he did. Before Bryan went to O'Neill and other towns, declares this man, Mike Harrington eloquently discussed the campaign issues. Later Mr. Bryan's special stopped at the same towns and the great commoner spoke. He disappointed the crowds because he only repeated what Harrington had said a few days before. Even the jokes and Biblical stories were applied as Mike Harrington used them. The joke, however, is being turned on Mr. Harrington. This comes from his attendance upon the Bryan rallies that were held at Wahoo and t visit in Missouri Valley, Iowa. Fremont before Bryan reached O'Neill.
