NEXT YEAR'S PROGRAM WILL BE BEST EVER.

Norfolk Will Miss the Throng of Pretty School Teachers Who Have Spent

The last of the city's guests of the week leave today and Norfolk avenue will miss the throng of pretty "school marms" who for three days were in attendance at the twenty-first annual neeting of the North Nebraska Teachers' association. Norfolk, liking the school teachers and appreciating their meetings, can look forward to next year's session, which according to the officers of the association will set a new standard in northeastern Neoras-

The association Friday voted to raise the enrollment fee from fifty cents to one dollar. Men prominent a Social Way During the Past Week in the association expect the organizain Norfolk Than Previously for Some tion to be benefited by the change. "I was heartily in favor of the increase,' said President-elect A. V. Teed of the Society has picked up considerably teachers' association." The increased during the first week after the lenten revenue will permit us to secure highseason. There have been dinner par- er priced speakers and to offer a suties for the first time since before Ash perior program. The increase is not classifications and tariffs covering the are placed on the outer package and Wednesday, and there have been cards large enough to affect the attendance passenger and freight business. Then prohibiting consignment to a flictitious and dances to fill in, to say nothing of but the more attractive program should the commission must furnish a new person or into a city or incorporated school teachers and declamatory condraw additional teachers. The fee is testing and Senator Dolliver and the the small item in the teacher's expenses but it is the item that regulates the character of the program that can be provided. When we come to Norfolk next year, as we undoubtedly will, it er program and a more prosperous association."

The association meetings in Norfolk for this year closed Friday afternoon with a lecture by Superintendent Henry Houck on "Travels in the Orient." The deputy state superintendent of his address. Although the association ended Friday afternoon most of the day, many attending the theater.

The teachers at their Friday afternoon session adopted resolutions forernor Sheldon's approval. One bill other carries an appropriation for \$50, 000 to be used in introducing normal training into Nebraska high schools The resolution which the association sent to Governor Sheldon reads:

twelve nor more than sixteen feet in avenue between 4 and 6 Thursday afwidth and allowing the county judge ternoon to a number of young ladies ties and five hundred teachers, princias a farewell to Miss Faith Johnson and Miss Katherin Guthrie, both of orm Nebraska in a convention assessment whom are to move soon to Denver, bled at Norfolk, do heartily endorse ern Nebraska in a convention assemof the same."

State Superintendent J. L. McBrien on the program of the teachers' assoclation but unable to leave Lincoln in the closing days of the legislature on account of important school legislation pending and before the governor, wired the following message to the north

"Important school legislation makes it impossible for me to be with you. but I send my best wishes for the greatest meeting in the history of your association. The school year now closing has been the most successful in the history of the state. The aggregate increase in teachers' salaries over last year is three hundred thousand Geo. Race and family. dollars. Thanks to the new certification law and the carnest efforts of noblest class of school men and school women in America. First class teachers can and should command even better salaries next year. As an example, the aggregate increase of teachers' salaries at Wahoo is nearly one thousand dollars.
