Wisner, Neb., June 25.—Special to The News: Eastbound Northwestern freight train No. 62 caught fire between Pilger and Wisner this afternoon, resulting in the total destruction of one freight car and its contents, and the scorching of another car.

A farmer living near the railroad track saw the flaming cars as the train passed his house and telephoned into Wisner, calling on the fire department. When the train pulled into town the firemen stood in readiness and turned water into the burning cars.

One car was saved in this way, getting only a scorching.

The car destroyed was No. 43,618, Chicago & Northwestern. The scorched car was No. 12,992, Chicago St. Paul, Minneapolis & Omaha.

The train crew, when the fire was discovered, ran the train as rapidly as possible into Wisner.

The proposition of issuing bonds in the sum of \$5,500 for the construction of the proposed waterworks system will be submitted to the voters, and is expected to carry by a good majority. In the event that the bonding proposition carries, steps will immediately be taken to ward the contract, so the system can be completed and placed in operation at the earliest possible date.

Harris, a highly educated Ute Indian, a government interpreter, is here awaiting the arrival of Captain Johnson, an army officer of Fort Robinson, Neb., a great favorite of the Utes, and whose advice they prize highly. When Captain Johnson arrives arrangements will be perfected for the return of the 400 Utes, who left their reservation some two years ago and who have been scattered over the Sioux domains near Rapid City and up in the Thunder creek country. These Utes will be transported back to their native reservations within the next few days, as they have expressed a desire to get back to their old stamping ground, and signified their willingness to be good and not go off on a war scare again.

JAMES S. SHERMAN IMPROVING

Vice Presidential Candidate. Expects to Leave Hospital Sunday.

Cleveland, June 25.—(Special to The News) James S. Sherman, vice presidential candidate who was taken ill here last Sunday with a passage of gall stones, when on his way home from the Chicago convention is resting most comfortably. Drs. Edward P. Carter and Dudley P. Allen and C. W. Stone are much pleased with the progress he has made and are of the opinion that the necessity for an immediate operation has been passed. However, they advised Mr. Sherman to have the trouble removed as soon as he shall regain his normal health.

Mr. Sherman's condition was best dictated by the reading of his temperature, which showed a general rising of 2½ degrees since last night. The physicians considered this a normal sign. It is not expected Mr. Sherman will be able to leave the hospital before next Sunday. He attended a correspondence and sent a telegram of condolence to Mrs. Grover Cleveland.

PROGRESSIVES IN CONTROL

CUMMINS WING OF REPUBLICANS RUN IOWA CONVENTION.

PRAISE FOR SENATOR ALLISON

Services of Iowa Delegation in Congress Also Given Warm Indorsement—Ladd and Weaver Nominated for Supreme Judges.

Waterloo, Ia., June 25.—While "progressives" were in control of the Republican state convention, they did not bear down with any undue rigor on the "standpatters." They adopted a state platform giving enthusiastic indorsement to Governor Cummins and the progressive legislation upon railroad and corporation questions, but they also gave warm indorsement to the services of the Iowa delegation in congress, and especially to Senator William B. Allison, and a pledge for his reelection by the next legislature.

The "progressives" secured control of the new state central committee, controlling it by a majority of one. The committee nominated Judges Scott M. Ladd and Silas M. Weaver to succeed themselves on the supreme bench and also went through the formality of approving the nominations for state officers made in the recent primaries. The convention gave loud applause to the mention of the names of Senator William B. Allison and Senator Doolittle and it gave a demonstration of some minutes when Governor Cummins responded to calls for a short speech. Governor Cummins spoke in good spirit and pledged himself to work for Republican success.

The platform adopted, in addition to commending legislation for 2-cent fares, abolition of railway passes, prohibiting corporation contribution to campaign funds and compelling publicity for campaign expenditures, pledges loyal support to Taft and Sherman, national nominees, and the national platform.

The convention also adopted the following resolution with respect to the death of Grover Cleveland:

"Resolved, That this convention has learned with regret of the death of former President Cleveland, an executive whose patriotism, firmness and courage challenged the admiration of his fellow countrymen of all parties and honored among all men. It extends its sympathy to his bereaved family and to the nation he loved and served with fidelity."

BRYAN'S TRIBUTE TO CLEVELAND

Says Qualities Which Made Him Great Are Part of Nation's Heritage.

Lincoln, June 25.—The following tribute to former President Grover Cleveland was written by W. J. Bryan and will appear in next week's issue of his paper:

"The death of ex-President Grover Cleveland brings to a sudden end the phenomenal career of one of the strongest characters known to the political world during the present generation. Like every commanding figure he had zealous supporters and earnest opponents, but those who differed from him were as ready as his warmest friends to concede to him the possession of elements of leadership to an extraordinary degree. He was deliberate in action, firm in conviction and ever ready to accept responsibility for what he did. Few men have exerted a more positive influence upon those associated with them. We are not far enough from the period in which his work was done to measure accurately his place in history, but the qualities which made him great are a part of a nation's heritage, and universal sorrow is felt at his death."

Sentiments of regret were expressed by Norman E. Mack of Buffalo, N. Y., who was visiting with Mr. Bryan when news came of Mr. Cleveland's death. Mr. Mack, who knew Mr. Cleveland well when he lived at Buffalo, pronounced him a leading citizen and said his death was a shock to the nation.

FUNERAL WILL BE FRIDAY

REMAINS OF FORMER PRESIDENT WILL BE BURIED THEN.

ROOSEVELT WILL BE PRESENT

Late in the Day Messages of Condolence Began Coming From All Parts of the Country to the Widow of the Distinguished Statesman.

Princeton, N. J., June 25.—The funeral of former President Cleveland will be held at 5 o'clock tomorrow afternoon. The hour was deferred as long as possible in order to permit friends and relatives to get here.

Mrs. Cleveland maintains remarkable fortitude. She spent the morning alone in the fresh air of the veranda. An official statement given out and signed by the three physicians gave heart trouble, superinduced by stomach and kidney ailments of long standing as the cause of death.

While Mr. Cleveland had been in poor health for the last two years and had lost 100 pounds in weight, his death came unexpectedly. Some three weeks ago he was brought home from Lakewood, where his condition for a time was such that the hotel at which he was staying was kept open after its regular season because he was too ill to be moved. But when Mr. Cleveland was brought back to Princeton he showed signs of improvement and actually gained five pounds in weight.

Although confined to his room continuously after his return to Princeton, it was not until Tuesday that Mr. Cleveland's condition aroused uneasiness on the part of Mrs. Cleveland. Undoubtedly affected by the heat, Mr. Cleveland showed signs of failure and Mrs. Cleveland telephoned to Dr. Bryant, who came over from New York on the train. Dr. Lockwood followed Dr. Bryant from New York and when they reached here Dr. Carnochan, who had been Mr. Cleveland's local physician since the former president came to Princeton, was also called in. During the evening Mr. Cleveland seemed to rally and Mrs. Cleveland, who always has been optimistic about her husband's health, felt assured that it was merely another of the many attacks Mr. Cleveland had suffered and she informed those who inquired that Mr. Cleveland's condition was not serious.

Mr. Cleveland became worse during the night and Mrs. Cleveland was called to the bedside of her husband. The distinguished patient sank into unconsciousness, from which he recovered at times, only to suffer a relapse. This continued throughout the night and early morning. The last time he became unconscious was about two hours before he died. Death was peaceful. Just before he died Mr. Cleveland sought to say something, but his words were inaudible.

It was not until late in the day that messages of condolence began to come in from all parts of the world to Mrs. Cleveland. One of the first was from President Roosevelt, who will attend the funeral, which will be held tomorrow afternoon, and which, in deference to Mrs. Cleveland's wish, will be as private as possible.

Mr. Cleveland's body will be buried in Princeton cemetery, in the family plot, where lies the remains of Ruth, the eldest of the Cleveland children, whose death was a sad blow to her father.

So unexpectedly did Mr. Cleveland's death occur that none of his four children was at home. The children are at the Cleveland summer home, at Tamworth, N. H., under the care of Mrs. Perrine, Mrs. Cleveland's mother. Word was sent to them of their father's death and they started at once for Princeton. The children are Esther, aged fourteen; Marion, aged twelve; Richard, aged ten, and Francis Grover, aged five.

He expressed his deep regret at Mr. Cleveland's death, and said: "President Cleveland was one of the very great men of the country. His death is a distinct loss to the American people."

GROVER CLEVELAND.

BROUGHT DEATH TO 85

SPANISH STEAMER WRECKED ON ROCKS NEAR MUROS.

GOES DOWN IN EIGHT MINUTES

Terrible Panic Follows and Rough Seas Made Launching of Boats an Exceedingly Difficult Task—Only Fifty Known to Be Saved.

Corunna, Spain, June 25.—The sinking of the steamer La Rache, the coasting vessel wrecked on the rocks near Muros, brought death to eighty-five people, latest reports placing the list of drowned at that figure. Fifty survivors were picked up by fishing smacks.

Paris, June 25.—A special dispatch received here from Corunna, Spain says that the Spanish steamer La Rache went on the rocks in a fog near Muros, where the cruiser Cardinal Cisneros was wrecked in 1905. The La Rache sank rapidly and a panic followed. There were ninety-seven passengers and fifty-four of a crew aboard. Those took to the boats, but only forty-seven have landed.

The latest reports state that seventeen women were drowned. It is known that forty-seven survivors were landed at Muros, but that two of them have since died. Fifteen others were landed at Leon. According to the official lists, the La Rache carried ninety-eight of a crew, including stewards, waiters, etc., and ninety-seven passengers. The La Rache came from Cadiz, where she had landed part of her passengers. She was on her way to Muros when on account of the fog, she headed for Corunna. Suddenly she ran upon a rock, but the captain, who knew the coast well, got his vessel off. Almost immediately she ran upon another rock, which was uncharted.

The steamer, according to a survivor of the crew, sank within a few minutes. The heavy sea, which was running at the time, destroyed two of the life boats. Boats from the neighboring fishing villages went to the rescue, but were able to do but little for a time, owing to the weather conditions. They succeeded eventually in picking up a large number of men and women who were floating on pieces of wreckage.

London, June 25.—Special dispatches received here from Corunna indicate that the sinking of the steamer La Rache may prove a very serious disaster. The reports received here are very conflicting, but apparently there were nearly a hundred passengers aboard the steamship, in addition to a large crew. The vessel sank within eight minutes. There was a terrible panic and the rough seas made the launching of the boats an exceedingly difficult task. Some of them were smashed against the sides of the sinking ship.

TWO MORE FROM PLAINVIEW

Sterlings Win From Spencer 10 to 6 and From Brunswick 11 to 5.

Plainview, Neb., June 25.—Special to The News: The defeat of Spencer yesterday by a score of 10 to 6 and of Brunswick Tuesday by a score of 11 to 5 is this week's record of the Plainview Sterlings.

The Spencer team was conquered on the Creighton diamond. Spencer got four runs in the first round but could not connect with little King's delivery after that. O'Keefe, who did the twirling for Spencer, was easy for the Sterlings and they chased in as many scores as they wanted. The features of the game were a double play pulled off by Chapman, when he scooped a bunt right off the home plate and shot it with lightning speed to first base, and a throw from deep right field by Meno for an out at third base. About 100 fans and fanettes accompanied the team.

Batteries, Plainview, King and Chapman; Spencer, O'Keefe, Taylor and Barlow.

Brunswick was trimmed in a slow game on the Brunswick diamond Tuesday afternoon.

Next Monday the Norfolk team is billed to play the Sterlings on the local diamond. On July 1 and 2 the fast "Arkansas Travelers" base ball team will meet the home team for forty and sixty percent of the gate receipts.

Ainsworth 9, Crawford 8.

Ainsworth, Neb., June 25.—Special to The News: Ainsworth won from Crawford by a score of 9 to 8 in a game played on the Ainsworth grounds yesterday afternoon. It was good ball, a game well worth witnessing.

The score: Ainsworth 9, Crawford 8. Batteries: Ainsworth, Herro, Savers and De Silva; Crawford, Shaw and Wilson.

Play Stanton Today.

Capt. Shafer and his "American Kids" journeyed down to Stanton at noon to play with the Stanton "Indians." Norfolk has already won from Stanton once and the locals expected to repeat the deed. Stanton has taken a brace since the last game and intended to win back lost laurels. In recent games they have been putting up a better article of ball than at the first of the season. Kirkland is in the box for Norfolk, Hoffman is backstopping. Bovee on the initial bag, Capt. Shafer cutting up capers around second base, Risk at shortstop, Haak at third, Glissman, Reynolds and Parish in the fields. A few of the fans accompanied the team.

Tomorrow Shafer will take his warriors to Tilden where they will meet the winner of today's tournament. A ball tournament is being held at the old soldiers' reunion. If Norfolk wins tomorrow, they will play again on Saturday. Plainview is set Monday on the Plainview grounds.

OLD SOLDIERS AT TILDEN

SENATOR ALLEN DELIVERS OPENING DAY ADDRESS.

TEN INNING BALL GAME PLAYED

St. Clair Won from Newman Grove in Tenth Inning—Old Soldiers Gather for Annual Reunion—An Ideal Camp Grounds.

Tilden, Neb., June 25.—Special to The News: An address by Senator William V. Allen of Madison and a tenning base ball game with St. Clair winning over Newman Grove were first day features of the Tilden G. A. R. reunion yesterday.

The opening day dawned clear and cool in marked contrast to the intensely sultry weather which prevailed during the early part of the week. A prettier place would be hard to find than the camp laid out in William Mossbrager's grove, where luxurious blue grass covers the ground, fine shade trees afford ample protection from the sun and Giles creek, running through the grounds suggests an ideal of campfire restfulness and enjoyment.

Senator Allen and the Madison band on their arrival at noon were at once escorted to the grounds, where Mayor Horace Marshall in a short facetious speech formally turned over the camp and the key to the city jail to Commander C. H. Snider, who suitably acknowledged the courtesy.

Senator Allen Talks.

Senator Allen's address followed prayer by Rev. John Hawk and the singing of "The Grand Army Hymn." The address was in large part reminiscent. He dwelt particularly upon the beneficent effects of which the civil war was the terrible price and urged upon his hearers the necessity of school, church and home training for the advancement of American citizenship. The address was interesting.

The Base Ball Tournament.

The opening game in the base ball tournament was won by St. Clair over Newman Grove in the tenth inning by a score of 12 to 6. At the end of the ninth inning the score stood 6 to 6. In the tenth Newman Grove went to pieces, allowing their opponents to add six runs to their credit. The Grove batters were unable to score in their half. The batteries were: Newman Grove, Buckmaster and Herman; St. Clair, Ray and Ury. Norfolk enters the tournament Friday.

The attendance is good. The free attractions are numerous. Expressions of satisfaction with the manner in which Tilden is entertaining her visitors are heard from all sides.

The Camp.

Although the camp is close to town the surroundings give the impression of seclusion and of forest life far removed from the haunts of men. No great flight of the imagination is required to bring about the thought that all strife of business life and labor he hundreds of miles away.

The equipment itself makes an attractive picture, viewed from a slight eminence in the south part of the grounds. The stony white tents nestled in a shady dell with a back ground of deep green foliage, the bright colored decorations of the various stands, the "stars and stripes" flying on every side, with the blue and white uniforms and red fox gloves growing in profusion all over the velvety carpet of turf makes a combination that stirs one to admiration and puts to shame the pessimist and chronic fault finder.

Add to all this beauty the gentle cooling of turtle doves, the sharp business like notes of the meadow lark, the rattling tones of the robin and the soft rustling in the trees caused by a cooling gentle breeze and one has only a faint conception of the harmony and loveliness that makes the scene one of splendor.

Malone-Kielty.

Tilden, Neb., June 25.—Special to The News: Francis R. Malone and Miss Mary Kielty were married at the church of Our Lady of Mt. Carmel yesterday. Rev. Father Donnelly of Norfolk and Rev. Father Hildebrand of Madison officiating. The bride is the second daughter of Pat Kielty, one of the solid farmers of this section. The groom is the third son of County Commissioner John Malone and is a prosperous young farmer living near Madison.

He was charged with representing himself as a postoffice inspector and thereby securing the money. Voluntary testimony was presented by both sides, but Moore was able to prove an alibi and was released.

Death of William F. Traffley.

Des Moines, June 25.—William F. Traffley, once manager of the Baltimore team and manager of the Des Moines team in 1888, when they made a world's record of twenty-five games won in succession, died here of tuberculosis aged forty-eight years.

Osborne Elected Department Chief.

Hot Springs, S. D., June 25.—At the annual encampment of the South Dakota Grand Army of the Republic, in session here, Warren Osborne of Rapid City was elected department chief.
