### Railroad Extension Rumors.

Gregory Advocate: A letter from Grindstone, a small town a short distance off the railroad in the western part of Stanley county, under date of August 3, says that surveyors of both the Northwestern and the Milwaukee & St. Paul railroads are working in that vicinity so quietly that their presence did not become known until a few days ago. Now it is regarded as certain that this inland point is to have a railroad. The Milwaukee & St. Paul has run a survey from Kodak to Belle Fourche with the idea of connecting the coast line with that from Chamberlain to Rapid City. The Northwestern is preparing to build from Gregory to Belle Fourche, crossing the Milwaukee line at Murdo, and their own Pierre line at Philip, thence in as near a straight line as possible to Belle Fourche. It is the purpose of the Northwestern road to commence its extension at Gregory, running in a northwesterly direction, entering Tripp county a little south and west of Dixon, thence on the most feasible route to the point above indicated. By making Gregory the starting point of its proposed extension, the road will avoid the solidly allotted lands in the center of Tripp county and pass through the northern and best party of the county, where there are very few allotments, and where the line will have to look for local patronage.

## AUDITORIUM MADE READY FOR OPENING

### AN AIR OF FRESHNESS WILL GREET SHOW PATRONS.

#### ALL THE WOODWORK REPAINTED

In the Norfolk Playhouse, the Carpenter, the Painter and the Scrub Man Are Making Merry—The Season Opens September 1.

The carpenter, the painter, the scrub man hold the Norfolk Auditorium. They are sweeping everything before them, sweeping, painting, renovating. It is work not play this week and next at the Norfolk playhouse.

There will be an air of freshness, of "newness" about the Auditorium when its doors are opened to the public on the first evening of next month to welcome the biggest opening night production in Norfolk's history, "The Royal Chef."

All of the work in the big playhouse is being repainted. The scrub brush has been everywhere. And the carpenter has found considerable to do.

The stage equipment has been added to extensively. New mechanical devices have been secured.

On account of the number of comic operas which have either been booked or are in sight for dates in Norfolk, the theater has added a new "ground cloth" to its floor equipment to be used in out of door scenes which abound in the comic opera.

## COLLINS A GOLIATH WAS IN 'BURGOMASTER'

#### THIS CLEVER FELLOW PLAYS "RAJAH" IN "ROYAL CHEF."

Charles Collins who created the role of the "Rajah" in the "Royal Chef" is a goliath in stature; has a magnificent baritone voice and a striking personality. Mr. Collins besides the conspicuous hit he is scoring in the "Chef" created and won distinction in principal characterizations in the original productions of the "Burgomaster," "The Pearl and the Pumpkin" and "The Chaperons." "The Royal Chef" and his gay retinue will hold the boards at the Norfolk Auditorium Tuesday night, September 1, opening the theatrical season auspiciously.

MENTAL ATTITUDE.

(By Fra Eibertus.)

Whenever you get out of doors, draw the chin in, carry the crown of the head high, and fill the lungs to the utmost; greet your friends with a smile, and put soul into every hand clasp. Do not fear being misunderstood; and never waste a minute thinking about your enemies. Try to fix firmly in your mind what you would like to do, and then without violence or direction you will move straight to the goal. Keep your mind on the great and splendid things you would like to do; and then, as the days go gliding by, you will find yourself unconsciously seizing the opportunities that are required for the fulfillment of your desire, just as the coral insect takes from the running tide the elements it needs. Picture in your mind the able, earnest, useful person you desire to be and the thought you hold hourly is transforming you into that particular individual. Thought is supreme. Preserve a right mental attitude—the attitude of courage, frankness and good cheer. To think rightly is to create. All things come through desire, and every sincere prayer is answered. We become like that on which our hearts are fixed. Carry your chin in and the crown of your head high. We are gods in the chrysalis.

### South Dakota News.

Bryan that he will speak there on September 28, the opening day of the corn palace. J. M. Almond was killed by the explosion of a threshing machine engine near Howard.
