Farmers who do not vote for Taft November 3 will help Bryan, whose tariff plans and other Democratic doctrines may mean reduction in the value of lands and farm products.

President Roosevelt passed the halfcentury mark October 27. While he has only reached middle age he has accomplished what any man might be proud to have to his credit at the end of three score and ten.

Farmers and farm hands who husk corn November 3, when they should ber paternal advice, is going the be voting for Taft, will use poor busi- rounds of the press and attracting conness sense, if Bryan is elected and siderable attention, not so much for the price of corn goes down through what it contains as for what it does Democratic experiments and tariff for not contain. The warning is given not revenue only.

attention from somber and discourage take a part and a strong one in athleing subjects like John D. Rockefeller, ties. But there is not one world in Standard Oil and graft and pictured the letter which refers to hard study with her facile pen the alluring possi- or mental culture. bilities just ahead of the Windy City. It's a welcome change.

Taft has all his life been a construct near Boston in his eighty-first year tive statesman, doing real things for was one of the men who in a very this nation. Can anybody point out quiet but substantial way, exerted a anything that Mr. Bryan has ever lasting influence on human affairs. He done, except to suggest and then to was professor of art in Harvard and take back his suggestions?

Lord Neleson, the great English sea captain, used to laugh at the feeble powers of the diplomats and declare that his seventy-four gun ships were the best diplomatic negotiations in Europe. And history proved that he was wise.

Who will tell us whether we are to lose the rest of the Archbold letters? Did Mr. Hearst exploit them for campaign purposes or will they be continued? Whatever his motive in this there was, on June 30, 1896, near the instance, W. R. Hearst did a public close of four years of Democratic adservice.

Governor Sheldon's administration has been an excellent one. Under him every pledge of the Republican party depositors of the money. On June 30, was carried out. Even the most ardent Democrats concede that Sheldon will be re-elected by a magnificent ma-

Nebraska farms and Nebraska farm products are high priced now under Republican rule. Bryan's election would change this condition, for there would be a period of doubt and uncertainty during which industry would lag and food prices and land prices go
