Mr. and Mrs. Albert Degner, who were at Wayne Wednesday attending the wedding of Miss Vida Piller, returned yesterday. W. R. Kennedy cut his right leg last week and blood poison set in, which necessitated an operation yesterday. He is reported getting along nicely. W. C. Errey, deputy sheriff and a candidate for the republican nomination for sheriff in Madison county, spent the past few days in Norfolk. The band gave a concert at the insane hospital last night for the benefit of the patients. Every other Sunday the patients are treated with a moving picture show. Ida E. DeWitt has filed suit in justice George C. Lambert's court against Marion Fisher for \$25 and costs of suit. She claims this amount is due her for delinquent board bill. The little son of Mr. and Mrs. E. E. Gillette, who is in Samaritan hospital, Sioux City, was operated on the second time Wednesday morning. He is improving and they think he will get well. Word has been received from Dr. C. W. Ray, who is at Denver. He says he is stopping with Samuel Reynolds, formerly a train dispatcher at the Junction, and is enjoying the trip immensely. Frederick Boldt, 10-year-old son of William Boldt, living four miles from Stanton, died last night of dropsy resulting from heart failure which was caused from a bad attack of inflammatory rheumatism. Julius Wichert, who accidentally got a piece of steel in his eye, is now in no danger of losing his sight. Dr. Tashjian removed the steel yesterday and Mr. Wichert today is reported in a fair way to recovery. Dr. Wm. Davidson, chancellor of the Wesleyan university, will preach here at the First Methodist Episcopal church Sunday morning and afternoon. Mrs. Grace E. Cooper, who led the song service last Sunday, will sing. The formal opening of the Norfolk Country club will be held at the club grounds next Tuesday. It is planned to make the entire day a holiday for members, who will take basket lunches. The day will close with a dance in the evening. There will be all sorts of games—baseball, tennis, croquet, quarts, boating and golf. Buses will probably make trips frequently and transportation will also be available by launch on the river. P. J. Feusler came to the city Friday from his camp at Henderson's farm bringing with him a specie of the first alligator gar fish that has been caught around Norfolk. Although the fish is not a large one Mr. Feusler says it took some very hard work to land it. He will probably preserve the fish. Mr. Feusler returns to camp tonight. He reports that the whole party is enjoying the outing. Mr. and Mrs. P. F. Bell leave tomorrow for Rawlins, Mont., where they will remain about three months. Mr. Bell has a bungalow on the Flathead lake at Rawlins and expects to camp out and fish. Mr. and Mrs. Sessions, who are now at Rawlins, will return the latter part of August. In the meantime John Gilmore, a Chicago undertaker, will have charge of the Sessions & Bell establishment and will be located at the Oxnard hotel. In twenty years they have been in business together, this is the first time Mr. Sessions and Mr. Bell have ever had a vacation together. Frank Hamm, a Norfolk carpenter, was attacked by an unknown assailant during the evening and narrowly escaped being fatally stabbed. Mr. Hamm was out walking on the Union Pacific tracks not far from the depot when an unknown man stepped up from behind him and commenced slashing at him with a long knife. He succeeded in cutting up Mr. Hamm's shirt, but after a lively struggle between the two men the would-be assassin escaped in the darkness. A good description could not be got of the man, but Mr. Hamm describes him as being rather dark and slender. No motive of the attack is known. When Herman Kruger left his team and wagon standing in front of Matrau & Wille's office yesterday afternoon a switch engine going by frightened the horses and they immediately started at terrific speed down Norfolk avenue, crashing into a bicycle in front of the Ahlman garage and narrowly missing

a few people who were on the street at that time, but for the quick work of E. A. Korth, who raced with the team, jumped into the wagon and brought the terrified horses to a standstill, a serious accident might have happened. The wagon belonged to the Pure Ice company and Mr. Kruger had just stepped into the coal office for a minute when he noticed his team running away. He started after them, but was not able to keep pace with them. A small boy who was in the wagon at the time jumped out while the team was on a dead run. Company "D," in command of Captain Anderson, returned last evening from their camping at Camp Poynter. The soldiers enjoyed the trip immensely and report having a jolly good time in camp. From the sunburnt faces of most of the boys it can be safely said that hard track and bean soup was not the only thing that the mess call had in store for them. A few cases of sickness due to too much ice water and cake was reported, but nothing worse. Captain Anderson of Norfolk and Captain Johnson of Madison were picked to go to Camp Perry, Ohio, to shoot with the rifle team next month. They will both leave for Ashland target range to practice next Sunday. Company "D" averaged much above the average in target practice while in camp and were highly complimented by the commanding officers of the camp upon their military courtesy and discipline. The company left Ashland Thursday at 12:30 p. m. and changed cars at Fremont for Norfolk. Took Murderer Over to Madison. When Mr. and Mrs. Charles Knapp arrived in Norfolk from South Dakota, where they had been on a homestead, they stopped off here too long and missed the train for Madison. They then went to the Ahlman garage and asked C. W. Ahlman to take them to Madison by automobile, but on account of his brother's absence, Mr. Ahlman turned them over to Edwin Macy, who offered to take them to Madison in his automobile. They went to the Macy studio and, in company with Miss Ruby Macy, the party left here at 3:30 p. m. and arrived at Madison at 5 p. m. Edwin Macy says the couple did not talk very much, and when Mrs. Knapp addressed her husband she had to speak two or three times before he would give an answer, and in many other ways he acted queerly. The road to Madison was sandy, and when asked to get out and walk Mr. Knapp talked quite radically, saying that this was the hardest work he had done, and that the water up in Dakota did not agree with him, and that he "turned more monkey than human" from the effects of life on the homestead. Outside of this he did not say anything. Mrs. Knapp told Miss Macy several times that the day had been a most unlucky one for them, as they could not get their grips at the Junction, missed the train, and were in a wreck near O'Neill. Madison Man Shoots Wife and Himself. Madison, Neb., July 30.—Special to The News: Without any apparent motive other than his probable temporary insanity, Charles Knapp, aged 30, and for many years a resident of Madison, shot his wife twice in the left side and then sent a lead ball into his own head. His attempt at wife murder and suicide was not instantly successful, as neither the man nor his wife was killed. Both were alive at noon today, though Knapp's chances were said to be very critical and his wife's chance for recovery, with two bullets in her side, was not the best. Just Came Home. Knapp and his wife had just returned yesterday afternoon from a trip to South Dakota, where they had been to look at land. They reached Madison during the afternoon, coming from Norfolk in an automobile driven by Edwin Macy, son of I. M. Macy. It was just at supper time that the tragedy occurred. At 6 o'clock Mrs. Knapp went from her home (in North Madison) to that of a neighbor across the street, to get some milk. The husband stood out in the yard, handling the revolver with which he later executed his double tragedy. Fires at Her, in the Yard. When Mrs. Knapp returned her husband pointed his gun at her and pulled the trigger twice. Two bullets entered her left side. She was able to get to the house, even thus wounded. After the shooting, Knapp went into the kitchen of the home and sat down in a chair. Shoots Himself, Batters Head. In a sitting posture he put the nose of his still smoking revolver to his head and sent a bullet crashing into his skull, just above the bridge of the nose. Not dead, he hurled himself to the floor and began battering his head with the butt end of the gun that had already been used to shoot his wife and himself. In this attitude he was found by neighbors who rushed to the scene of tragedy. Sheriff Clements, Marshal Kennedy and County Attorney Nichols were quickly on the scene. It was a 32-caliber revolver that did the shooting. It was a gun Knapp had taken to South Dakota with him. Knapp Makes a Statement. The would-be wife murderer and suicide regained consciousness for a time and made a statement. He said that while he was in Dakota he contracted some disease which made him think he must take his own life. He said that just before the tragedy everything became dark and his only thought was that he must kill himself. He said he

could not explain why it was that he shot his wife. He knew of no reason. He was very sorry he had shot her. As for himself, he wanted to die. He hoped his wife would recover, but he, himself, wanted to die. Mrs. Knapp Talks. Mrs. Knapp was conscious after being shot and said that she could give no reason for the shooting, but believed her husband was deranged. She had noted that he had acted strangely for some time. There had been no quarrel. Knapp had been drinking heavily during the past year and it is generally believed that excessive alcoholism tended to unbalance his mind. He was not drunk, however, last night when he did the shooting. Their Babe the Only Witness. Their 2-year-old babe was the only witness to the tragedy. This is their only child. They had been married about three years. Mrs. Knapp was a few years younger than Knapp, who was about 30. Dr. Gadohis and Dr. Smart were summoned and, with a trained nurse, began probing for the three bullets this morning. They said that the bullets in Mrs. Knapp's body might be embedded in the soft tissues of the upper abdomen. Of Well Known Families. Both Mr. and Mrs. Knapp are of prominent families. Mrs. Knapp is a sister-in-law of L. Wetzel, a prominent Madison merchant, and is the daughter of George Dentfrey of Madison. Knapp is a son of the late John Knapp, a Madison county farmer. Both practically grew up in this county. Knapp owned an interest in a farm and is thought to have owned his town property. Celebrated Their Golden Wedding. Mr. and Mrs. Julius Degner celebrated their golden wedding with a family reunion yesterday at their home at 500 South Fifth street. Many gifts of gold coin and other gold articles were presented to the aged couple by their children, grandchildren and relatives. Rev. F. Namacher of Ashpurn, Wis., delivered the jubilee sermon. Rev. William Butzko of Shelton also delivered an address and presented the couple with a gift of gold coin. The house was beautifully decorated inside, and in the evening many Chinese lanterns adorned the lawn. A picture was taken of the family group. Among the brothers, sisters, children, grandchildren and relatives present at the wedding were: Mrs. Bertha Lierman of Pierce; Mrs. August Pofahl, Mrs. Alricke Linstadt, Rev. F. Nachmacher and family of Ashpurn, Wis.; Rev. Wm. Butzko and children of Shelton; Julius Degner and family of Wisner; Esther Schneider and Anna Schneider of St. Louis; Mr. and Mrs. Fred Degner of Hadar; August Pasewalk and family; Albert Degner and family; Rev. J. P. Mueller, Prof. Aug. Steffen, and many other friends of the family. Mr. Degner is one of the sturdy pioneers of Norfolk and has served on the city council more terms than any other man. He was president of the council last year. His son, Al Degner, is one of the substantial business men of the city.

D., was operated on for appendicitis at her home in Omaha July 21. She is reported as convalescent. Dr. Harris, city police surgeon of Omaha, performed the operation. Mrs. Mae Rogers was the nurse in charge of the patient. H. S. Thorpe and Paul Woods were at Bloomfield as witnesses in a hold up case. F. B. Richmonds, agent for the Singer Sewing Machine company, at that place, was arrested, charged by a man named Ellis with having held him up and robbed him of \$29. Mr. Thorpe and Mr. Woods were with Mr. Richmonds at the time the hold up was alleged to have occurred, and by their testimony he was cleared. Meets Death on Rosebud. Tripp County Journal: A sad accident, in which John Arcorn lost his life, occurred about eight miles north of this city on last Friday evening. He had spent the day in Lamro and left here in the evening for the Arcorn ranch, accompanied by young Trudell. When about eight miles north of here the horse ridden by Arcorn ran into a fence with such force as to throw both over the fence, the horse falling on Arcorn, breaking his neck. The other boy became frightened and went on home and the body was not found until the next day. John was an unusually bright boy and had a host of friends, who will mourn his untimely death. The sympathy of the entire community is extended to the bereaved parents. Discouraged, Took Poison. Wisner Chronicle: Mrs. Stahl, wife of J. A. Stahl of West Point, while a guest at the Wisner home of her old-time friends, Mrs. Carrie Collins and family, last Friday morning became violently ill. Dr. Riley was called and the discovery was made that she had taken Paris green, whereupon she admitted having swallowed four teaspoonfuls of the drug. Mrs. Stahl has been afflicted for some time and has spent most of the past spring and summer at hospitals and sanitariums seeking relief, having recently undergone a surgical operation in connection with the treatment. She has suffered the most intense pain, and, becoming discouraged at the failure to obtain relief

promptly and completely, she stated that she preferred death to the prospect of years of ceaseless pain and helplessness. At no time was she rendered unconscious by the deadly drug, but her mind was clear and her statements rational, indicating that she had been preparing her mind for this dreadful ordeal with great deliberation and after long consideration. By careful nursing and medical attention the effects of the drug were overcome, and on Wednesday she was taken to Omaha, where she will take treatment in a hospital. Marwood May Leave. Clearwater Record: R. F. Marwood has sold his residence property to John L. James and expects to start about the first of August for the coast country. He will take in the Seattle exposition and spend some time in looking over the country, and if suited will probably decide to locate there permanently. Haven't Time for Tariff. O'Neill Frontier: Holt county farmers are too much engrossed with the mammoth crops this year to get very much excited over the tariff schedules. MUST NOT BLEACH FLOUR. Western Millers Will Invite Federal Seizure if They Do. Laramie, Wyo., July 31.—That western millers who continue to bleach flour will invite the seizure of their products by federal inspectors was made known here today through a letter received by the state food commissioner, Mr. Burke, from the secretary of agriculture, Mr. Wilson. The impression had grown among western millers, said Mr. Burke, that the government would content itself with two or three test cases, and until a decision of the supreme court no more seizures of bleached flour would be made. Secretary Wilson, in his letter, declared such was not the intention of the government, but on the contrary seizures would continue without limitation. This, said the secretary, would be necessary in justice to those millers who had stopped bleaching flour altogether, or who had never bleached it. PASSED FORGED CHECKS. Harry Daman of Lynch, Neb., Reported to Have Done It. West Point Democrat: A young 19-year-old lad, giving his name as Harry Daman and his home as Lynch, Neb., succeeded in passing a few worthless checks on some of our business men Wednesday. He attached the signature of Art Gardells of Beemer, for whom he had been working, to most of the checks. When it was noted that he was not the man whose signature appeared by some who know Mr. Gardells personally, suspicion was aroused. He was arrested by Marshal Sexton just as he was about to go driving with a lady friend. That a young man of his age should commit such a crime is certainly to be regretted. Whether or not he will be prosecuted will depend somewhat upon his past record and the attitude of those who were made his victims. Wife Beater Liberated. Madison, Neb., July 31.—Special to The News: Michael Kaus, who has been incarcerated in the county jail for the last sixty days for wife beating, was liberated by County Judge Bates. Sheriff Clements brought the prisoner into the presence of the court and the judge charged Kaus that he must conduct himself hereafter as becomes a gentleman and a dutiful husband and father and that he must not appear before him again charged with so serious a complaint, for if he did he would be sentenced the full limit of the law; he also charged Mrs. Kaus that she must refrain from aggravating her husband, else she would have the displeasure of the court and would, perhaps, be called to answer for her misconduct. Yesterday afternoon the will of the late Judge M. J. Moyer was admitted to probate, M. C. Garrett and Mrs. M. J. Moyer, the widow, being nominated in the will as executor and executrix, were duly appointed. Marriage License was issued yesterday to Rev. Adolph H. Burandt, pastor of a Lutheran church at Mitchell, S. D., and Miss Ida M. Baumann of Iowa, S. D., formerly of the city of Norfolk. The couple will be married today by the Lutheran pastor at Norfolk. The case of Miller vs. Bartman, to regain possession of a horse in a horse trade came before Judge Berry last evening. Unusual interest was taken in the trial and every point was hotly contested. Attorneys Nichols and M. B. Foster appeared for the plaintiff and W. L. Dowling and M. S. McDuffie for the defendant. A verdict was found for the defendant. For Boyd County Fair. Boyd County Register: The eighteenth annual meeting of the Boyd County Agricultural society will be held at Butte this year on Thursday, Friday and Saturday, September 23, 24 and 25, and arrangements are being made to make this meeting the biggest and best ever held. After Runaway Wife. Tripp County News: Sheriff Sheldon of Lamro was in Dallas Tuesday hunting a man and woman who had strayed from the path of rectitude, leaving a happy home and taking about 300 millions that the husband, who was left behind, had garnered by the sweat of his brow. The sheriff was accompanied by one chauffeur, one detective and one irate husband. The News was informed that the man had driven through from Boone, Ia., in a mover's wagon, and that the erring wife and her two chil-
