NORFOLK, NEBRASKA, FRIDAY, AUGUST 19, 1910.

MAYOR JIM AND ALDRICH

THEY SEEM TO BE NOMINATED FOR GOVERNOR RACE.

DAHLMAN CLAIMS 8,000 MARGIN

While Shallenberger Still Claims 1,500 Majority, the Returns Indicate That Dahlman is Safe—Cady Concedes That Aldrich Has Won.

Omaha, Aug. 18.—The World-Herald this afternoon says:

"Nine hundred and five precincts give Dahlman 23,171 votes and Shallenberger 20,024 votes in the race for the democratic gubernatorial nomination. Dahlman's lead is 3,147. This includes Douglas county. A little more than half of the precincts in the state have been heard from, representing much more than half of the total vote."

The Bee prints the following: "Figures received by the Bee and tabulated from 817 precincts on the vote cast at the primary election on Tuesday show the following totals on governor:

"Republicans—Aldrich, 11,348; Cady, 10,223.

"Democrats—Dahlman, 19,036; Shallenberger, 15,059."

Omaha, Aug. 18.—Aldrich claims the state by 10,000 over Cady. Cady, while practically conceding Aldrich's nomination, does not give out any figures.

Dahlman claims the state by 8,000. Shallenberger claims the state by 1,500.

Figures received by the Bee and tabulated for 732 precincts on the vote cast at the primary election on Tuesday show the following totals on governor:

Aldrich, 10,612; Cady, 9,694; Dahlman 18,298; Shallenberger, 14,112.

Aldrich runs well in the state and cut down the big lead that was given Cady in Douglas county. He will probably be nominated, but the final figures will not show a widespread difference between the winner and the loser.

Dahlman Seems Safe. Dahlman went out of Douglas with a big lead, which he increased in Lancaster, and the Shallenberger precincts have not been sufficiently numerous to reduce Dahlman very much. At the rate returns are showing Dahlman is safely ahead.

Burkett is running far ahead of Whedon and the others for the endorsement for United States senator by the republicans, and Hitchcock left Reed and Metcalfe far in the rear in the race on the democratic side for the same position.

From David City last night Mr. Aldrich sent word that he had returns which convinced him he would have 10,000 majority over Cady for the republican nomination for governor. Over the long distance telephone from St. Paul, Mr. Cady said he was satisfied with the way the figures were coming in. He made no claims.

Governor Shallenberger gave at Lincoln a statement that he had figures from enough precincts to overcome Dahlman's lead in the big counties, and that he would be named for governor by at least 1,500.

Late last night Chairman Flynn of the Dahlman club said he had received information which assured the Omaha mayor of the democratic nomination:

"Our information from men we have had reports from in various counties leads me to claim Dahlman's nomination by 8,000," said Mr. Flynn.

"Figures received and tabulated here are favorable to the mayor, even in localities where we did not expect much, and at the present rate the mayor will have at least the majority I have named."

Chairman Flynn did not have his figures in shape to give out, he said, but insisted the mayor would come to Douglas county with between 2,500 and 3,000 votes.

The Congressional Races.

In the First district William Hayward defeated Toby for the nomination for congress, even carrying Toby's home county, Lancaster. Congressman B. A. McGuire had no opposition for renomination on the democratic ticket in the First. In the Second the republicans nominate Judge A. L. Sutton and the democrats nominate C. O. Lobeck. In the Third the race between J. F. Boyd and L. G. Brian for the republican nomination has apparently been determined in favor of Boyd. Congressman James P. Latta was renominated without opposition. In the Fourth, C. H. Sloan, republican, was named without opposition, while the democratic contest is close between Bailey and Good. On the democrat side Sutherland has a lead over Harmon in the Fifth where Congressman Norris was renominated without opposition. In the Sixth contests are being fought on both sides and the returns from there are very meager, but it is indicated that Congressman M. P. Kinkaid will be renominated by the republicans.

Shallenberger is nominated for governor on the populist ticket and could run in that capacity.

Boyd County Results.

Butte, Neb., Aug. 18.—Special to The News: All but one precinct gives: Aldrich, 23; Cady, 190; Dahlman, 130;

Shallenberger, 143. Congressman, republican, Frank Beeman, 135; Kinkaid, 237; democratic not obtainable to date. Senator—Whedon, 88; Burkett, 195; Hitchcock, 157; Metcalfe, 57.

Few Farmers Voted.

Bassett, Neb., Aug. 18.—Special to The News: Rock county with five precincts missing gives: Lowe, 15; Aldrich, 51; Cady, 42; Dahlman, 6; Shallenberger, 69; Kinkaid, 95; Dean, 22; Tor, 12; Beeman, 14; Shumway, Ross, 11; Hitchcock, 41; Adams, Birmingham, 5; Metcalfe, 11; Burkett, 88. Not one out of 5000 farmers went to the polls.

Point, Neb., Aug. 18.—Special News: Cumling county—West First, Second, Third wards; We, First and Second wards; Bismarck, Daine, Sherman and Cumling precincts give Aldrich, 28; Lowe, 7; Cady, 41; Dahlman, 536; Shallenberger, 314. For congressman, Third district, Boyd (rep.) 36; Brian, (rep.) 26; Latta, (dem.) 412. For United States senator, Sorenson, 11; Adams, 5; Birmingham, 2; Whedon, 14; Burkett, 46; Metcalfe, 76; Reed, 131; Hitchcock, 321. A heavy storm, roads almost impassable and a complete demoralization of the telephone system combined to make the returns very late in arriving at the county seat.

Taft Wires Bill Hayward

The President Pleased Over Success of Popular Nebraskan.

Lincoln, Aug. 18.—The following message was received this morning from President Taft congratulating William Hayward, secretary of the national republican committee and a personal friend of the president, upon his nomination for congress in the First Nebraska district:

"My heartfelt congratulations on your triumph; may your hunting trip be as successful." W. H. Taft.

Hayward left yesterday for a two weeks' outing in Wisconsin.

THE HENRY-COLE RACE

Eleventh District Democratic Senatorial Nomination Close.

The race for the democratic nomination for state senator in the Eleventh district—Madison, Pierce, Wayne and Stanton counties—was close between Henry of Plainview and Cole of Wayne. Returns from three counties—Wayne, Pierce and Madison—gave Henry a lead of 26. At 10 o'clock Thursday morning Stanton county had no count and it was impossible to tell what might happen there. At Wayne it was figured Stanton would go for Cole and if it has gone for him it is likely he's won.

Here's the vote up to Stanton: Pierce—Cole 160, Henry 233; Madison—Cole 215, Henry 231 (three precincts not heard from); Wayne—Cole 168, Henry 53.

Returns in Stanton county at noon Thursday indicated that Cole had a majority of 35 or 40 in that county, thus nominating him over Henry.

ASCOTT BOUND OVER.

Held to District Court in Pierce County on Murder Charge.

Pierce, Neb., Aug. 18.—Special to The News: Ross Ascott was yesterday bound over to the district court, charged with murdering Harry Ropp, the Yankee Robinson circus employee.

For Wyoming Governor.

Cheyenne, Wyo., Aug. 18.—Former United States Senator Joseph M. Carey, father of the Carey land act, last night asserted, with positiveness that he intended to be a candidate for governor of Wyoming regardless of the action of the approaching republican state convention.

Medals for Aviators.

Paris, Aug. 18.—The municipality of Paris is arranging a dinner at which the famous golden medal, City of Paris, will be presented to Le Blanc and Aubrun, who finished first and second respectively in the great aviation cross country race completed yesterday. Legagneux, who finished with them, although prevented by accident from completing the full course, also will receive a medal.

The Arnot-Johnson Wedding.

Colorado Springs, Colo., Aug. 18.—Charles Arnot, superintendent of the schools of Schuyler, Neb., and candidate before the democratic primaries for state superintendent of schools of that state, and Miss Mabel Johnson of Fremont, Neb., were married here last evening.

GAYNOR HAS GOOD NIGHT.

Wounded Executive is Not Suffering From Paralysis, as Reported.

New York, Aug. 18.—Mayor Gaynor passed a good night and was comfortable, the physicians said this morning after they came from the sick room of the wounded executive. A report had it that the bullet in the throat was causing paralysis, but this the attending physicians said was not true.

Neligh Races Postponed a Day.

Neligh, Neb., Aug. 18.—Special to The News: On account of the heavy fall of rain Tuesday afternoon and evening, the races and ball games have been shoved ahead one day—all events closing Saturday afternoon. The league game between Tilden and Neligh at the Riverside park grounds Tuesday was also postponed on account of the rain.

START WAR ON CANNON

PRESIDENT TAFT BEGINS FIGHT ON SPOKER.

LONGWORTH IS THE SPOKESMAN

Roosevelt's Son-in-Law, Who Has Been Called into All Taft Conferences Lately, Says Cannon Must Go.

Beverly, Aug. 18.—Reflecting the views of the administration, it is generally believed, Representative Nicholas Longworth of Ohio today gave out a statement in which he says he will never support Speaker Cannon again and that he does not believe that Cannon ever can be re-elected. This is regarded as the actual beginning of the real fight on Mr. Cannon.

It has been regarded as significant that Mr. Longworth had been called into all of the recent conferences of a political character held by President Taft. He was present yesterday afternoon when the president and vice president talked together. It was reported then that a statement adverse to Mr. Cannon was being prepared in quarters close to the administration and it was also intimated that Mr. Sherman, who, like Mr. Longworth, has always been a supporter of Mr. Cannon, had become reconciled to the fact that Mr. Cannon must go.

There may be further significance in the fact that Representative Longworth is going to Oyster Bay Saturday to spend several days with his father-in-law, Colonel Roosevelt.

ROOSEVELT MAY STAY OUT.

He Has Not Decided Whether He'll Take Part in Campaign.

Oyster Bay, Aug. 18.—Theodore Roosevelt may stay out of politics in New York state during the coming campaign as a result of the action of the republican state committee in refusing to name him as temporary chairman of the state convention.

The colonel laughed today as he talked of the meeting and said that the result gave him genuine pleasure. He explained his attitude by saying that he felt that the committee relieved him of all responsibility in connection with the conduct and result of the campaign. He added that he had not decided whether he would attend the convention.

He would talk things over with representative W. W. Cox and other political leaders of his home district, he said, before deciding, and he was inclined to the belief that it would be better to stay away and let the "old guard" carry on the fight by itself.

CANNON CALLS TAFT COWARD

Speaker Refuses to Answer President Till He Speaks for Himself.

Danville, Ill., Aug. 18.—Speaker Cannon, when shown the dispatch from Beverly regarding the statement given out by Representative Longworth, said:

"Mr. Cannon declines to answer any statement which Nicholas Longworth may or may not have made until he sees it. I do not answer any statements which I believe to be fakes that mischievous parties make.

"It is time enough for me to answer the president of the United States if he wants any statement touching on the republicanism of the speaker of the house of representatives when he makes that statement under his own hand. I will not fight windmills filled by breezes blown from political or personal enemies or cowards."

ROOSEVELT TO FIGHT ON

Will Scrap New York "Old Guard" for Tammany Chairmanship.

Oyster Bay, Aug. 18.—A conference was held at Sagamore Hill today between Theodore Roosevelt and a number of his close friends.

William Loeb, jr., collector of the port of New York, came from the city in an automobile. Lloyd C. Griscom, chairman of the New York republican county committee, came on an early train. Congressman W. W. Cocks, representative from Mr. Roosevelt's district, also went to Sagamore Hill. Mr. Griscom said he could not discuss his visit.

"After the meeting of the republican state committee on Tuesday you said the fight in behalf of Mr. Roosevelt would be carried to the Saratoga convention. Does that still stand?" Mr. Griscom was asked. "It does," he replied.

Colonel Roosevelt refused to talk politics this morning.

TAFT TO WRITE LETTER

The President Will Outline Republican Campaign Doctrine.

Beverly, Aug. 18.—For nearly three hours President Taft and Vice President Sherman talked over the defeat of Colonel Theodore Roosevelt by the New York state republican committee and the selection of Mr. Sherman over Mr. Roosevelt as temporary chairman of the Saratoga convention. Mr. Sherman said he had no intention of withdrawing in favor of Mr. Roosevelt and he treated lightly the stories that there might be a fight to repudiate the action of the state committee in the convention.

The vice president also talked with the president regarding the congressional campaign. He wants the fight to be waged along the old lines.

"A straight cut republican fight on the republican platform and the record of the party, including the tariff," he put it.

At Mr. Sherman's solicitation President Taft agreed to point the way in the campaign by writing a letter which is to be made a part of the campaign text-book of the republican committee.

While the fight apparently is to be directed along the lines of the past, it can be said authoritatively that the feature of the party reorganization plan, which calls for the retirement of Speaker Cannon, will be strictly adhered to. It is even said that Vice President Sherman, one of the staunchest supporters the speaker

ever had, has become reconciled to the decision that Mr. Cannon must go. It is said in quarters close to the administration that the attitude recently taken by Mr. Cannon in public interviews is deplored and it is made plain that there is no thought on the part of many of his former supporters again to name Mr. Cannon.

Representative Nicholas Longworth of Ohio, who has been called into nearly all of the recent conferences at the president's home, was at the interview with Mr. Sherman. Representative Anthony of Kansas, one of the two so-called "standpatners" in the Kansas delegation who succeeded in staving off defeat by the insurgents in the recent primaries in that state, also saw the president. Mr. Anthony supported Speaker Cannon, but he, too, said that he deplored the stand Mr. Cannon is taking. Mr. Anthony said that Speaker Cannon had almost been forgotten as an issue in Kansas until he came into the campaign and made himself one.

President Taft will begin work at once on the letter which is expected to be the keynote of the congressional campaign. He will address the communication to Representative William B. McKinley of Illinois, chairman of the republican congressional committee. It has not been decided as yet whether the letter will be given out in advance of its appearance in the text-book. There is every likelihood that it will, however.

Mr. Sherman urged the president to make the tariff a prominent issue.

MOISSANT IS IN HARD LUCK

CHICAGO AVIATOR'S GOOD FORTUNE DESERTS IN ENGLAND.

TWO ACCIDENTS TO AEROPLANE

The Propeller and Frame Are So Badly Wrecked That Continuation of Flight Toward London is Postponed a Day—Narrow Escape From Death.

Chatham, England, Aug. 18.—John B. Moissant, the Chicago aviator who is attempting the fly from Paris to London, descended for the second time near here today, breaking the propeller and part of the frame of the machine in making the second landing. The broken parts must be replaced from Paris and a resumption of the flight to London before tomorrow is improbable. Neither Moissant nor his mechanic was injured in the accident.

Good Luck Deserts Him.

The good fortune which accompanied Moissant in the earlier stages of his flight from Paris and in his record breaking journey across the channel with a passenger, seems to have deserted him with his arrival on English shores.

Motor defects in the aeroplane, which yesterday had worked without a stop, forced him to make two successive landings when about half way on the course between London and Tilmanstone, where he ascended at 4:55 this morning.

Narrow Escape From Death.

His first descent, a mile from Sittingborne, about thirty-five miles from London, was due to the displacement of a small pin in the mechanism, entailing an immediate descent. He narrowly escaped in the landing, missing the mouth of a deep chalk pit, a fall into which would have meant death for the aviator and his mechanic. Repairs to the machine detained him nearly three hours.

Another Accident to Machine.

A rod connecting up the driving gear of the aeroplane was fractured, stopping the engine and forcing the Chicagoan to the ground. He landed in a field, but only skillful handling of the aeroplane prevented its plunging into a clump of trees.

Moissant made an abrupt turn to escape the trees and the machine came down heavily, breaking and smashing the blade of the propeller. Moissant and his mechanic climbed out uninjured, but on looking over the damage were of the opinion that repairs could not be made on the spot and must wait for new parts for which they immediately telegraphed to Paris.

THE SHOES WE WILL WEAR.

Styles For Next Winter and Spring Are Ready.

Chicago, Aug. 18.—Sample lines of spring shoes which are ready for display by Chicago manufacturers show some novel effects in footwear for men, women and children, as well as some changes in staple lines.

Among the most striking of the new effects are velvet and rosin silk boots and pumps for women, suitable for evening service, the pumps being especially adapted for opera wear.

In the men's shoes patent and other leathers designed on the "corn cure" last for persons affected with corns and bunions are expected to meet with favor. For children there is a new thing in a shoe with brass buttons, but the strap effect, sandal and pump continue in favor. One new model has a snap button like a purse.

The patent leather sandal for misses and children is coming into vogue.

Buttons, it is said, will be popular in the cities, but laces will still be the favor in the country districts.

Women's shoes for the spring season are to have a slightly high toe effect with vamps a trifle longer than in the past.

In men's shoes buttons are still popular, but laces are in the majority. Fans will be worn to a considerable extent.

NEW WORLD'S TROT RECORD

The Harvester Clips Off Quarter Second from Mark.

Buffalo, N. Y., Aug. 18.—World's records were made at the Fort Erie track when The Harvester, driven by Ed Geers, covered a mile in 2:02 over a track said to be fully a second slow. The record time was made in the last heat of the 2:07 trot, distance being waived by the other starters. The half was made in 1:01 and the sturdy son of Walnut Hal flashed under the wire with a champion's record. He had clipped a quarter of a second of the world's record of Cresceus made nine years ago, established a new third heat record for stallions, mares or geldings, and also made a world's record for a 5-year-old trotter.

MONEY IS MUCH EASIER

Chances of Drain on East to Move the Crops, Are Remote.

Washington, Aug. 18.—Reports from the west and the middle west now seem to indicate that the probabilities of a drain on the eastern banks to pay for the crop movement which will begin within the next few weeks, are responsibly remote.

From the viewpoint of the treasury conditions which have arisen since the probabilities of a stringency were first recognized early in the year have contributed to the present situation. The liquidation in the stock market checking off loans by the banks of the middle west by increased rates of interest and a general clearing of the financial atmosphere have been largely responsible.

CALIFORNIA TO GO DEMOCRAT.

Followers of Bell Have Hopes of Making Him the Governor.

San Francisco, Aug. 18.—Complete returns still are lacking in the state primary vote, but every column of figures that comes in from the remote counties only adds to the insurgent victory all along the line.

The plurality of Hiram W. Johnson, insurgent candidate for the republican nomination for governor, now is estimated at 39,000. Alden Anderson, regular republican, did not carry a single county. Charles F. Curry carried San Francisco by 2,500 votes more than Johnson, but the southern returns wiped this out.

Julius Kahl, regular, will be opposed by Walter McArthur, a labor leader of the Pacific coast, and it is expected Kahl will have a hard fight on his hands.

While the advisory vote on United States senator to succeed Senator Flint is by no means complete, John D. Works, insurgent, has 5,900 votes more than Edwin Meserve. A. G. Spalding, the San Diego sporting goods goods man, is running third.

The battle lines are now being planned for the election fight between Johnson and Theodore Bell, the democratic nominee. The democrats express confidence.

It is now certain that William Kent, reformer and insurgent of the deepest type, has outdistanced Duncan E. McKinlay in the race for congress in the Second district. The latest figures give Kent a lead of 1,122 votes.

W. D. Stephens, insurgent, has won over James McLachlin, regular, in the Seventh district substantial majority, according to latest returns from the southern part of the state. The same returns gave Sylvester C. Smith, regular, a lead over his opponent in the Eighth district. It was thought that Smith had been defeated. Hayes, insurgent, of the Fifth congressional district has been renominated.
