

NO BIDS ON COUNTY JAIL.

So Madison County Commissioners Will Revert to Proceedings. Madison, Neb., Oct. 25, 1910, 1 p. m.—The board met pursuant to adjournment. Present, Commissioners Henry Sundeberg and Burr Taft.

The hour having arrived to open bids for construction of addition to county jail, the matter was taken up. The clerk reported that no bids had been filed. On motion the clerk was directed to readvertise for bids, said bids to be opened Tuesday, October 25, 1910, 1 p. m.

Complaint having been made that there was a fence placed so as to obstruct the public road formerly platted and known as Grove street in the town of Warner, Madison county, Nebraska, the board on motion passed the following resolution:

Resolved, That the county clerk be and he is hereby instructed to notify the road overseer of said district No. 8 of Madison county, Nebraska, to remove all fences obstructing the road leading west from the east line of the southeast quarter of section 17, township 23, north, range 1 west, to the right-of-way of the Union Pacific railroad, said road having been heretofore shown on plat of Warner as Grove street.

On motion the county clerk was instructed to correct the 1909 tax list by striking out the personal tax of Anton Rimovsky of Norfolk city, amounting to \$5.50, on account of double assessment.

In the matter of the road petitioned for by Perry C. Harris and others, it being understood that the matter had been otherwise adjusted, further consideration of the petition was indefinitely postponed.

The resignation of Henry Uecker as road overseer, road district No. 1, was presented and on motion accepted.

Omaha Police Captain Dies. Omaha, Oct. 31.—Captain Patrick Mostyn, a veteran police officer, who has been connected with the Omaha police force since 1884, died yesterday after an illness of four months. Captain Mostyn is survived by a widow and seven children.

Little Girl is Crushed. Stuart, Neb., Oct. 31.—Special to The News: A 5-year-old daughter of Robert Wright, living about nine miles northeast of this place, was instantly killed Saturday under the wheels of a wagon.

A son of Mr. Wright had driven up to the house with a load of loose hay. While waiting for a gate to be opened, a couple of his little sisters climbed upon the reach. When the wagon started up the smaller one, Carrie, attempted to run out from under and was caught by the hind wheel, a broad tire one, which passed over her head, crushing it. The funeral occurred from the Methodist Episcopal church Sunday afternoon, conducted by Rev. Mr. Beebe, pastor, officiating.

Norris Brown at Stanton. Stanton, Neb., Oct. 31.—Special to The News: Hon. Norris Brown, United States senator from Nebraska, addressed a large audience at the court house in the evening. Every shade of political opinion was represented among his hearers. His address was well received.

Fairmont Creamery Burns. Omaha, Oct. 31.—The Fairmont Creamery company, Twelfth and Jones streets, was gutted by fire at 3:30 Sunday morning, the entire five-story structure being entirely ablaze when the firemen arrived. Loss \$500,000.

NEW WIRELESS DIRECTORY. 1,520 Wireless Stations Listed by the Government. Washington, Oct. 31.—With the publication of the government's wireless telegraph directory just out, some idea

is gained of the extent to which the wireless is now used. In this directory, perhaps the most extensive in existence, there are listed 1,520 stations. This total includes short stations and ships, but does not take in the warships of foreign governments, nor are listed the hundreds of stations equipped and operated by amateurs.

HELD FOR TIMES DYNAMITING. Three Men Taken Off a Boat—Captain and Engineer are Guarded. Mexico City, Oct. 31.—The names of three men who were arrested at Acapulco suspected of being implicated in the dynamiting of the Los Angeles Times building and who were aboard the power schooner Kate, are Harry Ham, O. Carlson, and Dan Archer, according to telegrams received here. The names given are as they are registered on the boat's papers. In addition the captain of the vessel, Swan Engdeltie, and the engineer, Adolph Adolphson, also said to be the owner, are still aboard the vessel under guard of customs house officials. As soon as the schooner entered port to take on a supply of gasoline, she was boarded by the American consul and a port official. The sum of \$10,000 was found. The captain stated that he had been engaged at a contract price of \$150 by Adolphson to take the schooner from San Francisco to the Galapagos islands, off the coast of Peru and Ecuador. The register of the schooner states that Ham, Carlson and Archer were each to receive the sum of \$20 a month. Carlson, Ham and Archer are now in prison pending investigation. On account of a storm the men were forced to throw overboard the gasoline on hand and run into port for a new supply.

Wilson Into New York. Washington, Oct. 31.—Another member of President Taft's cabinet has been drafted for campaign work in New York state. Secretary of Agriculture Wilson will leave here Monday night and make an upstate automobile tour in behalf of Mr. Stimson, the republican candidate for governor, and of republican candidates for congress.

Infantile Paralysis at Princeton. Princeton, N. J., Oct. 31.—Markus Crawford of Franklin, Pa., and a member of the freshman class of Princeton university, died in the university infirmary of infantile paralysis. Crawford went to the infirmary on Wednesday complaining of pains in the head. In a short time his limbs were paralyzed and despite heroic efforts to save him he succumbed to the disease. This is the second death from the fatal disease in the freshman class within the last three weeks.

Mrs. Herman Gerecke Dead. After two days of illness Mrs. Herman E. Gerecke, wife of the steward of the Norfolk insane hospital and one of the pioneers of Norfolk, died in the family apartments at the state hospital at 11 o'clock Saturday night from heart disease. Besides her husband, Herman Gerecke, she leaves to mourn her loss seven children, five sons and two daughters, all of whom are living.

The funeral will be held Tuesday afternoon at 2:30 in the parlors of Sessions & Bell.

Mrs. Gerecke is a Norfolk pioneer. She was born in Onabaga, N. Y., on May 26, 1855, and moved to Waterloo, Neb., with her parents in 1867. On July 22, 1871, she was married to Mr. Gerecke at Omaha, Neb., and they moved to Norfolk immediately after the wedding.

The children who survive her are: Mrs. Asa K. Leonard, Fred and Clarence Gerecke of Norfolk; A. N. Gerecke, Holdrege; Irvin Gerecke, Fremont; Charles Gerecke, Hastings; Mrs. F. W. Emery, Pittsburg. Mrs. Emery will arrive from Pittsburg Tuesday noon.

An early resident of Norfolk, Mrs. Gerecke was known to practically the entire city. The mother of a large family, all now grown to manhood and womanhood, Mrs. Gerecke was one of the kindest hearted women that Norfolk ever knew. She was very greatly loved by the neighbors who lived near to her for so many years and by others who knew her well.

"Time, Place and Girl." Norfolk is to see "The Time, The Place and The Girl."

Already this season Norfolk has seen two musical comedies written by Joseph E. Howard—"Miss Nobody From Starland" and "The Flower of the Ranch." Both made good. But "The Time, The Place and The Girl" was the original great Howard success. The show comes to the Norfolk Auditorium next Monday, November 7. Prices will be from \$1.50 down.

The scene of "The Time, The Place and The Girl" is laid in the mountains of Virginia at a "rest cure," whither Happy Johnny Hicks, and his pal, Tom Cunningham, have fled from the result of an escapade of Cunningham's in a gambling house in Boston. The complexities of the plot occur while the "rest cure" is in a state of quarantine with all the servants absent. The guests are forced to do the work themselves—a condition that inspires mutiny among some of them. Of course, there is a pretty love story. The production is unusually artistic and the chorus is the liveliest and prettiest crowd of girls that ever were gathered in one company. Messrs. Adams and Housh are the authors of the play, and the music is by Joseph E. Howard. Ned Weyburn produced the twelve musical numbers. With the prestige of having created the longest run ever made by any show in Chicago, in addition to ten weeks in Boston, and sixty times in New York, to crowded houses and three highly prosperous road seasons, "The Time, The Place and The Girl" carries at least one other dis-

inction; it is that this is "a comedy with music and a plot." The combining of a story that can be understood, with music of the whistly sort and wonderful dances by pretty girls have been the pivotal features of its enormous success.

The most sensational of the dances is the "Dixie" number, which in combination with the "Uncle Sam's Best Girl" is the finale of the second act. It was staged like the other dances by Ned Weyburn and is undoubtedly the acme of his work as a producer.

George Elmer heeds the east again. He appears as a happy-go-lucky gambler with a typical and prolific vocabulary, who corners all situations when he finds himself caught at a quarantined sanitarium. Among those in the east are Amanda Hendrick, Jennette Patterson, Gertrude Smythe and many others, while the chorus is considered one of the most beautiful ensembles of the season.

Hitchcock and Latta Speak. Congressman Gilbert M. Hitchcock of Omaha who, with Congressman James P. Latta of Tekamah, addressed a fair sized audience of democrats with a sprinkling of republicans in the Auditorium here Saturday night, disappointed many who came mostly for the purpose of hearing him explain himself on the attack of Edgar Housh and the Bartley cigar box disclosures.

"Mr. Hitchcock never mentions it unless some one in the audience asks him to," explained Congressman Latta who was asked if the Omaha newspaper man would touch on that subject during his speech.

Mr. Hitchcock, however, is an eloquent speaker as was heralded to Norfolk democrats previous to his arrival here by telegrams from the chairman of the state democratic committee at Omaha. Mr. Hitchcock's address dealt largely with the tariff. All national issues, and the income tax were feature subjects of Mr. Hitchcock's address.

He praised Congressman Latta with generalities. It really was not necessary for Mr. Latta to make this trip, said Mr. Hitchcock.

Ex-Senator W. V. Allen of Madison, who was seated on the platform with Mr. Hitchcock was also a victim of much praise from the Omaha speaker who declared that Mr. Allen had the chance he would have secured free lumber for the state of Nebraska. He also praised the Madison attorney's stand on the tariff bill when Mr. Allen was in the United States senate.

Mr. Hitchcock in praising Louis Glavis, the discharged clerk of the United States land office, took much praise upon himself in declaring that although Glavis had saved the Alaska coal lands for the people in his insubordination while in office, he (Hitchcock) after strenuous work on the floor of congress had secured the investigation. What the outcome of this investigation will be, Mr. Hitchcock says he could not say, but for this reason he would like to go back to finish his efforts.

Preceding Mr. Hitchcock, who was introduced by Chairman E. P. Westberry in a neat and brief address, Congressman Latta made a short address in which he spoke briefly on the tariff and other national issues.

Among those on the platform with the speakers of the evening were Ex-Senator W. V. Allen of Madison; Willis E. Reed, Madison; W. H. Weckes, H. C. Matrau, H. W. Winter.

The local committee held a meeting Saturday afternoon at Madison where both Mr. Hitchcock and Latta addressed fair sized audiences. They arrived in the city at 6 o'clock accompanied by Senator W. V. Allen, Willis E. Reed, J. B. Donovan, W. S. Taner, S. C. Sweet, Henry Sunderman and W. P. Cowan of Stanton.

The party is having a strenuous trip and all are about worn out. Since leaving Tekamah last Monday in the automobile which belongs and is being driven by Edward Latta, son of Congressman Latta, 650 miles have been traversed; sixty-five towns have been visited and speeches made at each place. A punctured tire and a broken spring include the total damage done to the car. Congressman Latta was slightly ill Saturday night but declared he was ready for more campaigning this morning when the trip was resumed. Hoskins was the first stop after leaving Norfolk and tonight will be spent at Hartington.

Congressman Hitchcock and R. M. Jones, a representative of the Omaha World-Herald who is traveling with the party, spent Sunday in Omaha and returned here late Sunday night.

A noticeable fact during Mr. Hitchcock's address was the absence of any applause. Only once during his address was he applauded and that was when he told a funny story. Then again after he finished his address he was applauded. Comment after the address seemed based on the eloquence of the speaker. "He is an eloquent speaker and good story teller," constituted the major part of the comment by his audience.

Mayor Dahlman and Senator Allen will speak at the Auditorium Tuesday night.

Boy Shoots Toes Off. Jacob Kanzier, son of Mrs. F. Kanzier, a widow living at 715 South Fourth street, is minus two toes of his right foot as the result of accidentally shooting himself with a shotgun Saturday afternoon.

Kanzier was rushed to the office of Dr. C. J. Vorse, where two toes of his right foot were amputated.

Young Kanzier was walking along the railroad tracks south of the Junction when he attempted to shoot at some pigeons. He accidentally pulled the trigger of the gun, which was pointed toward his feet. Not long ago his brother died of typhoid fever and only recently another brother,

Henry Kanzier, recovered from the same kind of illness.

Norfolk Won Madison Game. Madison, Neb., Oct. 31.—Special to The News: The Norfolk high school football team, in charge of Coach Superintendent F. M. Hunter, was an easy victor over the Madison team on the Madison gridiron, the score being 23 to 5.

The game itself was a rough and lively one all the way through. In fact, it was one of the most sensational and best high school games ever played in this territory. It far exceeded the sensational game between Wayne and Norfolk a week ago.

In the third quarter Parish was temporarily injured and was carried off the field and succeeded by Ogden, but the plucky little quarterback was back in the game again in the next quarter.

Madison started the scoring in the first quarter by getting a touchdown. They failed to kick goal, however, and Norfolk's team seemed to ginger up and look dangerous.

In the second quarter Norfolk rushed down the field rapidly, with pretty end runs and line plays. Parish was end and determinedly carried the ball over for the first touchdown for his team. Fisher then kicked goal, making the score of the first half 6 to 5 in Norfolk's favor.

The third quarter was the feature quarter of the game, Norfolk scoring two more touchdowns. Maps took the first ball over and Keleher followed with the second. Fisher, trying an extremely difficult goal, failed, but the other one he kicked over beautifully. Madison played a determined game in this quarter, and in the mix-up Parish, Norfolk's quarterback, received a bump on the head. He was forced to retire and was succeeded by Keleher, whose place was taken by Ogden, playing a first class game. Ogden is a star player on the second team of the high school and he proved himself reliable for an opening on the first team any time. Captain Willey's line plunges and end runs simply broke Madison's wall to pieces. He seemed invincible and the quarter ended with the score 17 to 5 with Norfolk on top.

Parish came back in the fourth quarter and Ogden retired. Madison again retaliated when they made a spectacular straight forward pass, carrying the ball sixty yards in Norfolk's territory. Keleher's exciting and sensational run and capture of the end when that personage was but twenty yards from the Norfolk goal, knocked a touchdown for the Madison team. Norfolk then held the ball for downs. By a series of more pretty end runs and forward passes Norfolk gave it to their captain, who took it over the Madison goal for another touchdown. Fisher made a beautiful goal kick, which made the score 22 to 10.

In the last part of the fourth quarter Madison took a decided stand and on a dangerous looking forward pass got the ball to within three yards of Norfolk's goal. Norfolk held for downs and with difficult playing kept Madison from going over for a touchdown. When time was called Norfolk had the ball in Madison's territory.

Every member of the Norfolk team played an excellent game. In fact, they played the finest game of the season with an uphill battle for them in the first quarter, when Madison scored a touchdown. Odiorne's and Logan's work in the forward passes was splendid. Landers and Fisher many times rushed the ball a good number of yards from their line position. McWhorter, Hibben and Denton frequently broke through the line and stopped the Madison runners before they were started. Captain Willey, Parish, Maps and Keleher played a star game. Quarterback Bates of the Madison team also played a star game. His tackling and end running was great. Captain Smith also played a first class game at left end, and was lustily cheered by both factions of the fans.

The lineup: Ben Willey, left half; Keleher and Ogden, right half; Maps, fullback; Parish and Keleher, quarter back; Hibben, center; McWhorter, left guard; Denton, right guard; Fisher, left tackle; Landers, right tackle; Logan, right end; Odiorne, left end. Substitutes, Smith and South.

Referee, C. S. Southard, Norfolk; umpire, Professor Garry, Madison; timekeeper, Henry Allen, Madison; head linesman, Mayor W. L. Dowling, Madison.

STANTON LOSES TO WAYNE. Normalites Outweigh Opponents and Win, 11 to 5. Stanton, Neb., Oct. 31.—The Wayne State normal football team defeated Stanton high school team, 11 to 5.
