Vineyardhaven, Mass., Aug. 4 .- As the steamer Bunkerhill, bound from New York to Boston with 275 passengers aboard, was proceeding through Vineyard Sound, in the starlight early today, the vessel suddenly ran on a rock off Nobska Point.

The passengers, awakened by the impact, scrambled on deck in their night clothing, but they found there was no immediate danger and they returned to their berths. The Bunkerhill backed off easily in a short time. The pumps were then set to work and remained for several hours.
