Neligh Chautauqua On.

Neligh, Neb., Aug. 7.-Special to The News: The second annual chautauqua was formerly opened at Riverside park Friday evening by the Neup wonderfully. Some of the timid ligh concert band, which rendered eight selections of high grade music. The band consists of eighteen members and is an incorporation, organized under the laws of the state of Nebraska. Its leader is Prof. H. W. Compton.

The chautauqua proper was opened Saturday afternoon. The attendance was nearly double of that of the opening day last year. The speaker of the day was Hon. L. B. Wickersham whose subject in the evening was "Blowing Them p." His subject in the afternoon was "Day Dreams." Mr. Wickersham captured his large audience along in the early part of his addresses and they gave him their undivided attention until the close.

Lee Francis Lybarger was the orator both afternoon and evening yeswas "Land, Labor and Wealth," and was listened to with the greatest of interest by the crowded tent of peo-

The chautauqua spirit has become manifest by the people of this city and vicinity, and the management at this time feel confident of the financial success of the undertaking. The entire "White City" is now inhabited eing in camp from Newman Grove.
