the GREAT IDEAL, BRITISH CONCEPTION THE MILLENIUM

When the millenium comes and by spect the Universe will assume with the immortal Union Jack flying on We've seen the glory of the GREAT every spire, in every clime in the IDEAL in the case of the famous sight of an at last contended Heaven Captain Kidd, and how he held it after centuries of such annoying ever before him. He was a pirate, wickedness and evil. All goods used yes; but, a British Pirate. He slit by the children of men will be of more throats than anybody else—glorious British manufacture sent smash the French. He puts these against the Russians and these against the Russians and these against these, and so on. They do each other a tremendous lot of harm. He is like the intoxicant introduced into the happy tea-party of international politicians. But the work of the Lord is advanced: Each gives him his coar to mind, and he left the series of one of them. Thus every wear gives more power to his great race should predominate. It may be respectively found that the least intellectual race should predominate. It may be respectively found from your astonished neighbor. And then your astonished neighb it all for the pure love of Christ and well then do well enough. Each will his great Empire. We have shown be paying a price for everything that he never laid his head down to which will be based on the necesrest without reading a chapter of the sities of Empire. Each will be eating Book of Life, no doubt given him by an earnest English Christian Mother. If the Church of England The future Napoleon will be cleanwere not so tied by the precautions ing the boots of the English clerk, of the early Reformers he would ere the future hismarck will be running now have been canonized; for he for the shaving water of the English brought much solid gold to the Em- tax collector, and the future Lizst pire. tax collector, and the future Lizst pire. cereals for the Imperial Corn-Market -with permission to hum something to realize fully that any other consideration whatever must give it place.—The extension of the Empire of Great Britain, which is synonimous with the Empire of God—"God's Kingdom on Earth," each Englishman and the 30 Years' War. She smothered the great Napoleon, and rubbed it well in when he was his enobling ideal before him, the great Englishman and the lim, the great Englishman and the Russia. She claims has aveid ary motives. How powerful is the first in the indecent savage which stalks forth naked as a Black, nicely claim, the is almost inconceivable that an stalks forth naked as a Black, nicely claim, the suppose that at times he feels which stalks forth naked as a Black, nicely claim, the suppose that at times he feels which stalks forth naked as a Black, nicely claim, the suppose that at times he feels which stalks forth naked as a Black, nicely claim, the stalks forth naked as a Black, nicely claim She claims has saved ary motives.
