BUILDING UP AN AMERICAN NATION.

Any Attempt to Create Racial Prejudice in This Country Will Prove a Menace to the Commonwealth.

(By CHARLES P. STRINMETZ in "America and the New Epoch.")

Co-operative industrial organization presupposes racial unity... (Text discusses the importance of racial unity for industrial progress.)

The white population of the United States to-day probably comprises about 30 to 35 per cent. of Anglo-Saxon origin... (Text provides demographic statistics.)

The Teuton does not have the same initiative as the Anglo-Saxon... (Text compares Teuton and Anglo-Saxon traits.)

As the result, the Teutons, by their racial characteristics, are the great organizers... (Text discusses the organizational capabilities of Teutons.)

On the other hand, it must be recognized that the Anglo-Saxon, or more correctly speaking, the English, have an exceptional position in our race... (Text discusses the position of Anglo-Saxons.)

AMERICA NO LONGER ANGLLO-SAXON.

While all races contributed in the early colonization of the Atlantic coast... (Text discusses the multi-racial nature of America.)

The English language has conquered and through it the United States are closely related to England... (Text discusses the influence of the English language.)

IN UNITY LIES STRENGTH. The three great races which contributed to the American citizenship of today are supplementary, commensal-originate, organizer, administrator... (Text emphasizes the need for unity.)

On the other hand, however, it must be realized that it was the mixed races which have done the world's work... (Text discusses the success of mixed races.)

There really never was a serious racial antagonism in our country... (Text discusses historical racial relations.)

Politically racial hatred has found an expression only once in our country... (Text discusses political aspects of race.)

The characteristic of the Anglo-Saxon is his great initiative... (Text discusses Anglo-Saxon traits.)

Two freighters der Interurban Bahn entgleiten vor wenigen Tagen in früher Morgenstunden... (Text reports on a train accident.)

George Cunningham von Ottumwa ließ sich kürzlich für über 3 Stunden in einem Labyrinth spazieren... (Text reports on a man getting lost.)

George Cunningham von Ottumwa ließ sich kürzlich für über 3 Stunden in einem Labyrinth spazieren... (Text continues with the lost man story.)

of a revival of racial antagonism, as this would be a national calamity, as our nation needs the friendly co-operation of all the races which have contributed to the coming American race.

SOURCES OF OUR IMMIGRATION.

All the nations which are involved in the present world-war have contributed to the immigration which has formed the American citizenship of to-day... (Text discusses immigration sources.)

Ineed, a type of mind which in one or two generations can lose all attachment for his ancestors' nation is not the type of mind from which to build a strong and enduring nation... (Text discusses the impact of immigration on national identity.)

Thus it is natural and proper that American citizens of English descent should largely sympathize with England... (Text discusses the loyalty of immigrants.)

Unfortunately an American expatriate raised the cry of "hyphenate," and an influential press, misguided by business interests, took it up... (Text discusses the 'hyphenate' issue.)

With this it became a national menace, for it challenged the right to citizenship of the majority of our nation... (Text discusses the political impact of the 'hyphenate' issue.)

BAN ON RACE HATRED. Such vicious attempts of making political capital by creating racial hatred within our nation should promptly be squashed by all fair-minded citizens... (Text calls for an end to race hatred.)

It is obvious that all Americans—with the exception, perhaps, of the red Indian—are hyphenates; that there are undoubtedly a few—a very few—British-Americans who are more Englishmen than Americans... (Text discusses the concept of hyphenates.)

But some good features the raising of this issue has produced; it has shown the anachronism in many of our conceptions and forms of speech... (Text discusses the benefits of the 'hyphenate' issue.)

Or, we may say, "America assimilates all the immigrants coming to its shores into a new American nation." But this nation is not like the Puritan of the Dutchman of New Amsterdam or the German of '48... (Text discusses the process of assimilation.)

A REAL MELTING POT. Thus, when we speak of America as the melting pot of the nations we must realize that in melting together different metals the alloy is not like any one of the metals put into the pot... (Text discusses the 'melting pot' metaphor.)
