

### URBAN LEAGUE STARTS SURVEY IN CHICAGO

Chicago.—The Chicago League on Urban Conditions among Negroes, with offices at 3719 South State St., is making a preliminary survey of the city with a view of securing co-operation among the welfare organizations touching Negro life and getting the needed agencies established. Special efforts will be made to aid the almost 30,000 Negroes recently migrating to Chicago from the South to adjust themselves to the acquirements of modern city life. T. Arnold Hill has been selected as acting executive secretary of the local organization until the permanent secretary is secured. Dr. Robert E. Park of the University of Chicago is president of the organization.

### ANDERSON WINS NOMINATION

Chicago, March 15—In a five-cornered race, Louis B. Anderson, assistant corporation counsel, won the Republican nomination for alderman in the Second ward, having over 2700 votes to spare. William Anderson, William R. Cowan, Ferdinand L. Bar-

nett and Louis Lettiere were the unsuccessful opponents.

The election will take place in April, and as the Second ward is overwhelmingly Republican, Mr. Anderson seems reasonably sure of election. He will take the place of Oscar DePriest, who has been indicted for alleged connection with the graft ring. The position pays \$3,000 a year.

### WHITE WRITER SCORES SOUTH

In a recent letter written to a newspaper against "The Birth of a Nation" film, Frank A. Agnew closes his letter with the following words, which score the South's treatment of Northern white men:

"It is an insult to every law-abiding citizen of this great republic to have the doings of the outlaw organization known as the Ku Klux Klan exhibited for their edification today. I have wondered that some of the old Union soldiers have not denounced such an exhibition to Northern audiences. The exhibit would not be made if it was not for a purpose. What that purpose is we can only guess at this time. There are no more courteous people than the people of the South in exist-

ence when you come to visit them, for I was treated royally by people of Georgia a number of years ago, but if I wanted to live there and vote as freely as I can here I would not be allowed to do it, nor any other Northern republican."

We will try to make a general clean-up on subscriptions within the next two weeks. Please have a smile and some change when our genial collector presses the electric button.
