

South Side Notes

The children of the Allen Chapel, A. M. E. church, held their annual Children's Day exercises Sunday night, June 10. The audience listened to a good program and were very liberal in aiding the little folks with their missionary contributions.

Mr. Floyd Pinkard was quietly married last Saturday eve at his home, 27th and S streets, to Miss T. Alexander of Oklahoma.

The Bethel Baptist Mission Circle met last Thursday with Mrs. T. A. Taggart at her home at 27th and Corby streets.

Little Amy Fisher has been removed from St. Joseph's hospital to the home of her mother where it is said she is slightly improved.

We are proud to know that we have three girls and one boy to graduate from the eighth grade this semester. We only hope they will continue on in their school work. The graduates are Misses Sirildia Burk, Coreasia Broomfield, Josephine Davis and Master James Breedlove.

Miss Coreasia Broomfield will leave next Tuesday to represent the Allen Chapel Sunday school at the Sunday school convention to be held in Kansas City, Kans.

Mrs. J. D. Thornton is home again after a two weeks' visit with relatives and friends in Kansas City.

Mrs. Velma Hill, of 5310 So. 27th street, serves lunches at all hours and would be very glad to have your patronage.

Mr. and Mrs. Nathaniel Mitchel, of 6619 So. 27th street, are rejoicing over the arrival of a fine baby boy.

LABOR NOTES

Ten men arrived in Omaha last week for the smelter. They are the first of 100 to be imported for that place.

Forty men arrived in Omaha last week for employment at the packing houses.

Transportation for fifteen men was advanced through the Monitor for men to work in the Minnesota Steel Mills. If these prove up, more than 200 will be sent for.

A letter from Columbia, Miss., informs us that a Colored man was burned at a barbecue last week at that place for drinking out of a cup used by whites.

A party of Colored people at Laurel, Miss., about to leave last week were attacked and beaten by white people of that place.

A party of Pensacola men were taken to the band concert at River-view Park last Sunday by Mr. Parker. They were delighted with the real democracy manifested by all classes of Omaha's citizenry.

It seems almost an impossibility to get men away from Florida without sending the cash to purchase tickets and this method is too great a risk for the companies at present. Persons, however, who have friends here who will vouch for them, will receive money.

Chicago, Pittsburgh, Philadelphia and Ohio are reported by Chambers of Commerce to be overcrowded with Colored labor.

This Is Radically Wrong

Last week a preliminary meeting was held for the purpose of welcoming newcomers to our city and assisting them in various ways. I wish to call the attention of this organization to the practices of religious vultures who make it a habit of preying upon any and every person who dares to come within range of their sight. Sunday a large number of men from the south side visited a certain church here and from the moment they set foot in the door until they left it seemed that every woman in the congregation had some sort of pet charity for which she wanted anywhere from 25 cents to \$1.00. One woman was even game enough to ask them when their next pay day was and promised to be Johnny-on-the-spot. I publicly advise her to stay away. All these men have wives and children down south and they need every cent to help bring them here and I do not propose to see any set of people, religious or otherwise, prey upon these people simply because they seek to find places of divine worship. The Sunday previous they visited the Grove M. E. Church and were generously welcomed and later visited by the pastor, but none were asked for a single cent; last Sunday it seemed that they fell into a den of female landlits. Let the new organization consider this phase if they really mean to do anything for these people.

GEORGE WELLS PARKER.
