Walker—White Wedding.

The marriage of Miss Sarah Catherine White to Mr. Grover Cleveland Walker was solemnized at 5 o'clock Saturday evening, January 5, at the residence of Mr. and Mrs. Robert Johnson. The wedding was a complete surprise to the friends of the young couple, only immediate relatives being present. Mr. and Mrs. Robert Johnson, Mrs. Carrie Pullen, Mr. Roy White of Richfield, Neb., a brother of the bride, and Mr. R. H. Johnson of Omaha. Rev. O. J. Burckhard officiated. At 2 o'clock Sunday, January 6, a sumptuous dinner was served the young couple, the guests being given the opportunity to partake of the meal of seventeen-pound Tennessee turkey sent to the groom as a Christmas gift by his relatives.

The bridal cake, with two hearts blended as one upon its lofty crest, occupied a very conspicuous place upon the table. Covers were laid for ten guests. Those present were the Rev. and Mrs. O. J. Burckhard, Mrs. Georgia Flippin, Mrs. Anna Moore, Miss Alma Williams, Mr. R. H. Johnson, Mr. Roy White, Mr. John E. Jeltz, Mr. Monroe Williams.

The bride is a charming young lady, well known in Lincoln, having spent some of her school days here. The groom, who has proven himself to be a worthy and genteel gentleman, has a host of friends.

The wedding cake was a gift to both from Mrs. Flippin.

Mr. and Mrs. Walker will reside in Lincoln at the home of her adopted parents, Mr. and Mrs. Robert Johnson, 907 S street.

Read The Monitor and see what your Atchison friends are doing.

Mrs. Elsie Balance was found dead at her home, 1313 Hickory street, Saturday afternoon at 6 p. m. She had been sick for several months and was alone when she died. Her sister, Mrs. John Floyd, was with her Friday afternoon, leaving her feeling very good. The funeral was held Tuesday at Sawen & Douglas' undertaking parlors, Rev. Mr. White officiating.

Mrs. W. H. Hill received a telegram Monday morning from Kansas City announcing the serious illness of her sister, Miss Gladys Miles. She left Monday noon for that place.

James Blue fell from his wagon Saturday and sustained painful injuries. He was taken to his home on North Second street.

Prof. W. E. Gray was asked to take the initiative in raising funds to build a community building at Camp Funston for the Colored people. A meeting was held Sunday at the Lincoln school.

Dan Williams, North C street, is on the sick list.

CONDITIONS TO BE RECTIFIED

The Post is not informed as to what truth there is in the reports reaching Representative Garner at Washington about the mixing of whites and blacks in the Texas military camps.

Mr. Garner's promise to "raise a rumpus" about this can not begin too soon, for unless there is a rumpus there are sure to be occurrences which will greatly embarrass the war department.

Secretary of War Baker and others do not understand, nor do a certain class of ignorant Negroes understand, that indiscriminate mixture of the races is bound to produce friction.

The intelligent Negroes of the South understand that racial separation in certain ways does prevent friction and is necessary to the well being of both whites and Negroes.

The Negroes who fight for the country are deserving of the highest consideration, and they are entitled to equal treatment in all respects, but they should have their officers' training camp, they should have their separate localities in the soldiers' training camps, and they should have their hospitals.

In this way both the Southern white soldiers and the Southern Negro soldiers will be able to serve in the army harmoniously and with friendly regard for each other.

Mix them, and there will be individual clashes and in all probability these clashes will spread until there are two factions of the army, each hostile to the other, when their united hostility should be reserved for the kaiser.

The Social Equalityites like Secretary Baker seem to think the Southern Negroes object to separation. That is not true. When they object to jim crow laws and other separation measures it is because they are not receiving equal service for their money. And surely nobody will deny that a Negro is entitled to as much for his money as a white man is.

But Secretary Baker is not going to promote harmony in the army by trying to ram his theories down the necks of the people in the South and if Mr. Garner can not convey this information to him without raising a rumpus, then let the rumpus be raised.

The Post thinks that enough experience has been had already to guide the war department over such difficulties as the race problem presents.

If there should be further outbreaks, due to such conditions as have been reported to Representative Garner, no doubt both white and Negro soldiers would be punished in considerable numbers for occurrences the responsibility for which would lie clearly at the door of the secretary of war.

There are some things about the military administration which are difficult indeed, but this race situation is not difficult. It is easy enough to anybody who has sense enough to learn from experience. And the young secretary of war is not so wise but that experience may teach him if he is willing to learn.—Houston (Tex.) Post.

NEWS OF MOUNT MORIAH BAPTIST CHURCH

The revival meetings will begin in February. The exact date will be given later.

A society in connection with the church, comprising the young members, which means all under 30 years, has just been organized by the pastor. It is named the Busy Bee society. It will meet every Friday night at various homes during the winter. Sunday morning theme, "God's Strong Defense for His Church"; night, "Lying to Get Out of It, or Clear." The public is cordially invited to worship with us.

TEXAS!!

Congressman Garner of the imperial satrapy of Texas rises upon the dignity of his tip-toes to remark that if the war authorities at Washington insist upon their policy of at least attempting to practice democracy in the army in the South by permitting white American soldiers and black American soldiers to intermingle in hospital and camp, that he intends to "raise a rumpus." With typical Southern swagger and swashbuckle he adds: "And I think the people in Texas know what that word (rumpus) means."

The Houston Post, in an editorial republished in this issue, heartily endorses Garner's suggestion.

Is Texas running the United States? Is there any danger of white Texans' blood being shed on the battlefield?
