If a free America is worth fighting for, it is your patriotic duty to lend your money and your credit to our Government. The whole nation must take part.

Our boys in France are appealing to us to furnish them in great abundance with the arms, the ammunition, and the supplies which will make an early victory possible.

If we are not to prolong the slaughter or suffer for we are not to risk defeat, if we do not want an inconclusive peace, we must act quickly.

THE ENEMY WE MUST MEET

By William Allen White

(Mr. White, editor, author and King of the war and all of its many angles while on an extended visit to the various battle lines of the Allied armies.)

Back of the German lines every ounce of food is conserved, and distributed with fairly equitable precision; every yard of cloth is numbered and is entered into the war strength of the empire. Every penny-weight of German coal is handled with scientific care, and the one end and aim of all this autocratic control of food and clothing and heat is the winning of the war. There is no other purpose in the German mind. Every German mark is a German soldier; every grain of gold is doing its full share to work out that indomitable purpose.

Here in America we must realize that the war will not be won on any front, but in our own hearts. This is a clash of civilizations. We must develop in our hearts a democratic purpose as strong and as carefully directed as this autocratic purpose of Germany. We, too, must make soldiers of our corn stalks, make defenders of our wool and cotton and silk, make every pound of coal an American pound, and we must make bullets of our pennies. If we fail to develop this democratic purpose in the eye to eye, knee to knee, hand to hand, struggle on the front, which, after all, only reflects the strength of our conviction, then our civilization will go down. To fail to support our soldiers with ammunition, with food, with clothing, with coal, will weaken them for the great conflict at the great moment, and that weakening will come from our hearts at home. It will come if we are slow with our financial support of the men. The Liberty Loan furnishes us with the only way we home-stayers can practically show our purpose. Our patriotism will be measured by our performance toward the Liberty Loan. What we lend to our country in this time of need will measure our love of the freedom our fathers bought. It is at stake. The autocratic purpose of Germany, iron willed and yet unbroken, aimed at world conquest is threatening us. What is freedom worth to you? It is worth what you lend to your government in this hour of its awful need.

Your Choice?
bonds or
bondage?

Will you lend your money and be free - or hoard it now and pay it out in Tribute when Liberty is lost?

IS AMERICA AWAKE?

As much as has been said and written in America about the World-War in Europe, it is doubtful if America is yet awake.

A man who returned from Europe six months ago, said, "The farmers of America are feeding their cattle today better food than millions of people in Germany and Austria have had at times. These people whose governments are fighting us are subsisting on cow beets and straw bread. All Europe is short-rationed and hungry."

This is our war from now on. What happens in Europe is America's deepest concern. There is not enough food in the world. Either our soldiers must skip their rations or we must skip ours; either they must do without some necessities or we must do without some of our luxuries.

Which shall it be? Count on the Tomorrows. What will your business be worth if we should lose the war tomorrow? What would you give for a farm in Russia today? What would you give for a farm in America if conditions were such as they are in Russia today? Help produce, help conserve, and help fight by buying Liberty Bonds, for "he also fights who helps a fighter fight."

SERGEANT BAILEY WRITES MR. WITHNELL, BUT RECEIVES NO REPLY

Omaha, Neb., March 19.

Mr. C. H. Withnell:

Sir—About four years ago our Colored fire captains were taken from us. The Colored people of Douglas county are not satisfied and want our Colored fire department, No. 11, to be represented with Colored captains. If Irwin and Turner were not satisfactory, and their conduct was the cause of their being relieved from duty, we feel there are a number of worthy Colored men in the city of Omaha who could fill their places with credit to themselves and the great city of Omaha.

Now, Mr. Withnell, I request that you appoint two more Colored men to Fire Department No. 11; that you select two men from said company No. 11, two Colored captains on or before May 1, 1918.

Should you refuse this request you will feel my power among the Colored voters in May.

An immediate answer is requested. Very respectfully,

SERGEANT BAILEY.

2816 Pratt Street.

I desire to call the attention of the Colored voters of our city to the above letter, which I wrote Mr. Withnell some time ago and to which, up to the present, I have received no reply; neither has Mr. Withnell made any move to restore Colored captains to Company No. 11. He has had ample time to do it. He has temporized and violated his promise. Do you think we ought to vote for him May 7?

SERGEANT BAILEY.

The Rio Grande R. R. Division Nos. 2 and 4 will give a Maypole drill and Tom Thumb wedding Friday evening May 3.—Adv.

South Side Notes

Mr. Joseph Austin of 2424 Q street is slowly recovering from serious illness at Lord Lister hospital.

Mrs. Hattie Brown of Tacoma, Wash., is here to care for her son Joseph Austin, who is confined at the hospital. Mrs. Brown is stopping with Mrs. Breedlove at 2424 Q street.

Mother Ewing of Twenty-fifth and Michigan is slowly improving.

Mrs. Charlotte Drumgould of Kansas City, Mo., is visiting her nephew Mr. Harry Garner at 5053 1/2 Twenty-sixth street. Mrs. Drumgould is past 104 years old and appears to be as young and cheerful as if much younger.

Mr. Hutchinson of Thirty-fourth and W streets, who died Sunday, was taken Thursday to Richmond, Mo., his old home, for burial by his daughter, Mrs. E. Harrington. She will be met in Kansas City by her sister of Chicago, who will also accompany the father's body to its last resting place.

Attention is called to the fact that we go to press now on Thursday instead of Friday, so that out-of-town subscribers may receive their paper by Saturday. News must therefore be in our office Wednesday afternoon to insure insertion in the current week's issue.

I wish to correct a mistake in last week's paper about the railroad train rally at Allen chapel. The conductor for the Rock Island railroad was William Mallard. This railroad brought in \$167.05.

The Omaha Giants, a newly organized team, will go to Lincoln April 28 to play the Lincoln Cleaners and Dyers baseball team. In 1916 the Lincoln team was considered the amateur champion of Nebraska.

Mrs. B. Lowe, who has been sick for some time, is still very sick.

Mrs. Lena Hunter has opened a first-class rooming house at 4824 South Twenty-fifth street. It is all modern except heat. She would be glad to meet strangers just coming to our city, as well as all others desiring a good home.

Mrs. William Vaughn, who has been quite sick with pneumonia, is very much improved.

Mr. James Nepolian left Tuesday night for his home in Wyoming. He will stop in Denver enroute home.

The South Omaha Grand United Order of Odd Fellows lodge, No. 9374 has leased the hall at 4917 South

Twenty-fifth street. The hall is all modern except heat.

The Willing Workers club of Allen chapel will give a short two-act drama Thursday night, April 25, at Moose hall, 2418 1/2 N street. There will be musical numbers between the acts. The club will also serve refreshments. Admission 25 cents.

Mrs. Wiggins was called suddenly to Sioux City Tuesday by the severe illness of her daughter, Mrs. Drucilla Chinn.

Quite a number of the Colored employees of the packing plants that received back pay are putting it in Liberty bonds.
