ZION BAPTIST CHURCH NEWS

Although the pastor was away last Sunday good crowds were in attendance for sunrise prayer meeting at 6:30 and covenant at 10:30. At night Rev. M. D. Johnson spoke to a large audience. All went well, generally speaking, but at this writing we are glad to welcome Pastor Botts back from a few days' visit with his brother in Booneville, Mo.

A large crowd was present on Decoration night, when a patriotic program, consisting of wartime songs and recitations, was rendered by the Junior Rosebuds and a red, white and blue drill by the ladies of the Mission Circle, both having been directed by Mrs. Anna Lee.

The Junior Rosebuds were entertained at the home of the Misses Alberta and Willie Robbins last Friday evening. The club received \$11 from the entertainment given on Decoration day. The next meeting will be in the

rest room of the church, Thursday evening, entertained by the Misses Gladys and Fay Irving.

The Mission Circle met this week with the president, Mrs. Gussie Allen, at 2017 North Twenty-fourth street.

Mr. John Gardner is improving at his home, 2622 Maple street, where he is confined with a broken foot.

The following strangers worshipped with us on Sunday morning: Mr. J. W. Dacus, Brewton, Ala.; Mr. George Hawkins, Mr. J. W. Hall and Mr. Frank Foster, Chicago; Mrs. L. E. Gibson, Dallas, Tex.; Mrs. S. L. Contee, Long Beach, Cal., and Mr. Joseph Burton, Davenport, Ia.

Regular services next Lord's day. Strangers welcome.

ST. JOHN'S CHURCH NEWS

Rev. W. C. Williams preached an unusually good sermon Sunday morning to a very large and appreciative audience.

The Tuesday night class is steadily growing. The dues this week were \$47.50.

A very interesting program has been prepared by the Sunday school for Sunday evening, as that will be Children's day. Every one is welcome.

The L. E. W. club met at the parsonage Friday night and made very excellent plans for the uplifting of God's work.

Friday night closed a most excellent rally. Three thousand dollars was the top, but read next week's Monitor to see if we went "over the top."

Every one is welcome to our services.

Doing It Electrically

Doing what electrically?

Well, almost everything that has to be done in the average home; and the average home in Omaha today is a modern home and as such is supplied with electricity.

Doing it electrically means using electricity to do your household cleaning.

Can you do household cleaning by electricity? You certainly can, and do it infinitely better than in any other way, besides being relieved from the drudgery of it. Get a Vacuum Cleaner. The Hoover is the best. Attach your cleaner and turn on the electric current, and you will be amazed at the amount of dust it gets out of your "clean" rugs, which have just been brought home from the cleaners.

"Doing it electrically" means doing your cooking with electricity. Yes, you can get a range or plate for almost any price that will do your cooking better than in any other way.

"Doing it electrically" means doing your washing and ironing, your sewing and almost anything that has to be done in the home by electricity.

A visit to the beautiful new sales rooms of the Nebraska Power Company, the Electric Building, Fifteenth and Farnam, where you are most welcome, will be a revelation to you. You will be amazed at the number of household conveniences and necessities to be obtained there.

You will find ranges, irons, chafing dishes, coffee percolators, washing machines, waffle irons, sewing machine motors, fireless cookers, egg boilers, lamps, vibrators, fans, heating pads, vacuum cleaners, etc., etc. The list is almost endless.

The next time you are down town drop into the sales room of the Power Company and look around. You will be sure to see something that will help lighten labor and contribute to the comfort of home, and if you begin doing it electrically you'll keep it up.

Get the electric habit. It's a good one. Do it electrically.
