GIRL INHERITS FORTUNE

Oklahoma City, Ok.—On July 2 Edith Durant will be of age. She owns an oil well in Tulsa county which gives her a large income, and will also receive something like \$150,000 in cash and title to land worth a million dollars. Mrs. Sallie Hodge Lee also comes of age this year and will receive a large fortune. She is married and has one child. Sarah Rector, who has received prominent notice recently, is only 14 years old and is worth close upon a million dollars. White guardians have done much to waste the money belonging to these minors. The courts of Oklahoma in all cases refused to appoint guardians to property if they are not white men.

WOMEN GET DAMAGES

Los Angeles, Cal.—A jury in Judge McCormick's court awarded \$50 damages each to Beatrice Benton and Edna Steward, Colored women, who demanded damages aggregating \$100 for alleged discrimination in being charged 25 cents admission instead of the regular prices of 10 cents at the Crown theater, Pasadena, January 1, 1917.

The proprietor of the theater, C. A. Flagg, testified that no discrimination has been intended, but that 25 cents was charged because all of the 10 cent seats were occupied. A mixed jury tried the case.

HUGE AUSTRALIAN HOWITZER IN ACTION IN FRANCE

One of the great Australian siege guns in action "somewhere in France" under a camouflage screen that conceals the gun from the enemy airplanes. The size of the shell used in this howitzer can be seen, for a number of shells are shown in this Australian official photograph. The shells are rolled up from the side of the gun in a steady stream, to the breech.
