

LETTERS from our boys in the trenches and from the women in canteen and other war work, all bring to us the same message—SEND US NEWS FROM HOME.

World news is all right, but OUR BOYS want NEWS OF THIS TOWN. They want the home newspaper. Publishers are prevented from sending their papers free to anyone, even boys in the service. Consequently a national movement has been started by Col. William Boyce Thompson of New York, who is acting as President of the Home Paper Service of America to give the boys what they are calling for. Every community is joining the movement. Let us see that our boys are not forgotten.

Send to the publisher of this newspaper whatever amount of money you can—5 cents or \$50.00. We will publish a list each week of those contributing, and the amounts contributed.

Every cent received will be used to send this paper to our boys at the front. If at the end of the war, there is any surplus, it will be turned over to the local Red Cross Committee.

There is no profit in this to the publisher—even in normal times, subscriptions are not sold at a profit. With war prices prevailing, and the high rate of postage on papers sent to France, our cost will scarcely be covered by our full subscription price.

Remember that over in France, some brave soldier or sailor from this town—perhaps even some splendid woman working within sound of the guns—is depending on you to "KEEP THE HOME LOVE KINDLED."

They are calling to YOU from "Over There" GIVE WHAT YOU CAN

### WILL YOU HELP OUR BOYS ABROAD?

Every Man, Woman and Child Can Join to Send News of This Town Into the Front Line Trenches.

WHOLE NATION MOVES TO BANISH SOLITUDE

Our Heroes Are Calling From Over There—Give What You Can to Help Those From Home.

Every citizen interested in the boys of his home town now at the front, and in the brave women who equally are serving their country abroad, has an opportunity to show his appreciation of the sacrifice they are making. The opportunity comes as a result of the generosity and thought of Colonel William Boyce Thompson of New York, who has conceived and put into execution what is known as the Home Paper Service.

Under the plan, every man and woman in foreign service will receive the town newspaper, and so be kept in constant touch with the places and the people they know and love.

Every branch of the United States Government is interested in the plan. The Government realizes the importance of keeping those in the service happy and constantly in touch with their home ties and associations. Nothing is more depressing in a national emergency than the spirit of loneliness in those serving their country, and officials know that nothing can dispel this feeling more effectually than reading the home town newspaper.

Publishers of newspapers in all parts of the country—this newspaper included—have grasped with pleasure the plan outlined by Colonel Thompson, and they have agreed to co-operate in every way.

Under the ruling of the War Industries Board newspaper publishers are forbidden to send their newspapers free, even to soldiers. The newspaper must be subscribed for in the regular way, the only exception being soldiers who formerly were in the employ of the newspaper and who left that service to enlist. Colonel Thompson therefore proposes that the public in each community contribute to a fund so that the home newspaper (in our case this newspaper) may reach every man and woman now in the service of his country.

Anyone may contribute to the fund, and any sum may be contributed. It is not necessary to contribute the entire amount of one subscription. It does not matter whether the rich man sends in one hundred dollars or the poor boy or little girl sends in five cents. Each gift will be a message of love and helpfulness to the home town folks "Over There." The money will be lumped

into one fund, out of which subscriptions will be entered as fast as the money is received.

Contributors who send in the full price of a year's subscription may, if they wish, designate to what particular person they wish the newspaper sent, but if the name given is already listed as receiving the paper, then the publisher reserves the right to apply the subscription to some less fortunate soldier boy or noble woman who is just as lonely for news of home and home folks.

The name of every contributor to this home paper service will be published in this newspaper, and the name of everyone entered for a subscription will be published as well as the number of those remaining whose subscriptions have not been covered.

If the amount of money received shall be more than is necessary to send the paper to every person from the town now in the service, then the balance will be turned over to the Red Cross.

The plan is endorsed by the publisher of this newspaper without any thought of profit, either directly or indirectly, but with a sincere desire to help keep the home fires burning and to send to our heroes and heroines news of our town, to keep their hearts warm for us and to let them know they are constantly in our minds.

The publisher, of course, cannot make a profit on circulation, and additional circulation such as this will be—circulation from non-purchasers sent far across the sea—can have no added value to the advertiser.

These facts are stated so that every contributor may feel that every cent contributed goes to the good cause.

The mothers of our boys are facing an ordeal with a bravery that commands respect and admiration. Here and there where tiny stars are turned from blue to gold, where anguish grips the heart, the nation stands in silence and honors the women who have given of their blood, the very bone of their bone, to their country. To them, home has lost its meaning—the soul of it has fled—there is no home, it is just a place, and no place is quite so lonely, unless it be within the hearts of those brave sons in far off France who long for just a word of home. There cannot be a man, there cannot be a woman, no, not even a child, who will fail to contribute just a little to make the hearts of these patriots lighter. Not one. Not in our town.

### BROTHER VANN, LOOK UP YOUR GEOGRAPHY

THE Pittsburgh Courier, a wide-awake newspaper, rarely ever caught napping, publishes the following item on its front page in its issue of October 19:

#### FOREIGNERS SHOOT RACE WOMEN

Omaha, Neb., Oct. 18.—Following a dispute in the grocery store of Pete and Joe Digiorami, Fifth and Gillis streets, Mrs. Ella Smith, 531 Tracy avenue, and her 16-year-old daughter, Fay Smith, were fatally shot. Joe Digiorami, who did the shooting, became angered because the women refused to accept some goods which he wanted to sell them.

Brother Vann, this did not happen anywhere in Nebraska. Look up your geography. Omaha is unwilling to be charged with crimes that happen elsewhere.
