**NEGRO LABORERS ADMITTED TO UNION**  
(By Associated Negro Press.)  
Asheville, N. C., Sept. 3.—Following protests entered by many of the extreme southern delegates, the southern labor congress in session here expected it to pass by unanimous vote their resolution to admit the Negro laborer into the union as an equal brother craftsman.  
The resolution, introduced by J. L. Shaver of Salisbury, N. C., is to the effect that Negroes will be organized, wherever possible and, when they have large numbers in separate unions, but to be taken in with the whites when the Colored men are small in numbers.  
It is not how much you earn, but how much you save which counts.
