**NEGRO RAPS 'SOCIAL EQUALITY'**  
 Blacks Who Keep Places Are Happy, Texas Preacher Says.

Austin, Tex., Sept. 10.—Work of the National Association for the Advancement of Colored People in Texas was scored today by the Rev. L. I. Campbell, president of St. John's Negro Encampment, in calling a meeting to discuss the race question Sunday night.

"I'm sick of this scarecrow of social equality and Negro domination—terms coined by cheap politicians," Campbell said, referring to alleged statements of John R. Shillady, secretary of the Advancement Association, who recently was beaten in Austin.

Negroes who keep their places without attempting social equality with whites are prosperous and happy, Campbell said.

**Higher Telephone Rates Throughout the Country**  
 The telephone industry has been affected by the same conditions which caused higher prices in every other business.  
 The increased expenses the telephone companies have had to meet has necessitated an advance in telephone rates throughout the country.  
 The cost of furnishing telephone service depends on the cost of producing it. The telephone companies everywhere are paying employees higher wages and paying more for materials than formerly.  
 Prices are on a permanently higher level and me must of necessity adjust our business to meet this new condition.
