

Among the Churches

ST. PHILIP'S EPISCOPAL CHURCH

There were four persons added to the church Sunday evening. The church sick are: Mesdames Susie Henderson Tucker, 2434 Grant street, and Mrs. Huston, 2011 Grace street.

Rev. W. C. Williams motored to Kansas City Tuesday morning, where he will attend the annual conference, of which he is a member.

Several members of the congregation attended the impressive services at Trinity cathedral last Sunday afternoon when Bishop Shayler was enthroned.

You are always welcome at the services at this church. Many of you have never attended a service in the Episcopal church. Come out and see how you like them. If you come once, you will want to come again.

ST. JOHN'S A. M. E. CHURCH Rev. W. C. Williams, Pastor.

In spite of the inclement weather on Sunday morning a very enthusiastic audience worshipped and Sunday evening the usual large congregation was present. The pastor preached his closing sermon Sunday evening, when the report of the year was read. The amount of money raised this year was \$20,000. The amount paid to the minister for the year was \$3,000.

BETHEL BAPTIST CHURCH Rev. Thomas A. Taggart, Pastor

In spite of the announcements made in Monitor of Rev. T. A. Taggart's return the congregation was very much surprised when he put in his appearance Sunday night.

Mrs. Arvin entertained the Mission Circle Thursday and all present enjoyed a treat, aside from the regular mission work that is being done by the ladies.

The Star Light Mission Band met Monday night, September 22, with a host of members. This band is com-

posed of children from one month to eighteen years. Please bring your babies and send your grown ups. The directors of the Bethel Mission band are doing all in their power to make this a success. Aside from teaching your children what they need to know.

THE AMERICAN LEGION

OUR returned service men of this city have been granted a charter for a post of the American Legion to be known as the Theodore Roosevelt post number 30. The following named officers have been chosen: Dr. Amos B. Madison, chairman; Earl Wheeler, vice chairman; Rufus Long, secretary; Benjamin Slaughter, assistant secretary; Andrew Reed, corresponding secretary and Cecil B. Wilkes, treasurer. The organization of the post is well under way and a special effort is being made to induce all colored men of this city and vicinity who were in the service for even one day to join this post of the American Legion.

Special permission was granted by the Roosevelt family to designate this post in honor of the illustrious Theodore. That permission was granted in a letter which is framed and hangs beneath the picture of the late Mr. Roosevelt, which was presented to the post by Mr. S. S. Caldwell, a prominent financier of this city. The purpose of the activities of the American Legion is well expressed in the motto of the organization which is Policies—Not Politics. This places us in the country in such a position that we may ask and even demand that certain features of the government be most thoroughly eradicated and that yet newer provisions for the betterment of the country be adopted. It is not the purpose of the American Legion to endorse or denounce any particular candidate for any particular office. That is the business of political parties, which the American Legion distinctly is not as is evidenced by the preamble to the provisional constitution adopted in the St. Louis conference.

"For God and country we associate ourselves together for the following purpose:

"To uphold and defend the constitution of the United States of America; to maintain law and order; to foster and perpetuate a one hundred per cent Americanism; to preserve the memories and incidents of our association in the great war; to inculcate a sense of individual obligation to the community, state and nation; to combat the autocracy of both the classes and the masses; to make right the master of might; to promote peace and good will on earth; to safeguard and transmit to posterity the principles of justice, freedom and democracy; to consecrate and sanctify our comradeship by our devotion to mutual helpfulness."

The principles laid down in the above quoted motto and preamble hold a message of more nearly demarcating the country and eradicating racial differences in this country than has ever before been adopted. Surely no other such organization has ever been in existence which will approach that democratic ideal to which we are all striving as this one. It is the duty of every colored man who saw any service in this past war to come shoulder to shoulder in the ranks of citizenry by joining the American Legion and to so unite all of his efforts that he may be, both to himself, his community and the country, a citizen in the fullest sense of the word.

Weekly meetings of this organiza-

tion are held on Friday evenings at 8:30 at the War Camp Community club, 2124 Burdette street.

KANSAS FORMS STATE TENNIS ASSOCIATION

(Special to The Monitor.)
Parsons, Kan., Sept. 20.—The second annual tennis tournament for Kansas state championship was held under the auspices of the Idle Hour Tennis club of Parsons, September 1. Players representing Coffeyville, Wichita, Independence and Parsons were entered.

On account of the large entrance and the late start only the semi-finals were reached. The four left in the semi-finals were the best in the state of Kansas.

In the semi-finals Dr. Bell of Wichita was to play Dr. Bowser of Parsons, and Mr. Bias Hunnigan of Coffeyville to play the star of all-comers and the 1919 champion of the Parsons city championship in singles and doubles, Mr. W. M. Gillespie of Parsons.

All the matches before the semi-finals were closely contested and some rare form shown. In doubles Parsons showed exceptional form and defeated their opponents in easy fashion.

After the tournament a Kansas state association was formed, the officers being as follows: Dr. E. E. Bowser, president; Dr. Bell, vice president; Prof. Whittaker, secretary; Dr. Davis, treasurer.

FOR EQUAL RAILROAD ACCOMMODATIONS

Interstate Commerce Committee Requested to Remove Discriminations Against Colored Passengers.

(By Associated Negro Press.)
Washington, D. C., Sept. 23.—Facilities for colored passengers equal to those provided for whites on interstate railroads, the elimination of "jim crow" cars and the removal of discrimination against colored passengers, was advocated before the Interstate Commerce committee considering the railroad control bill. George H. Murray, representing the National Negro Racial association, urged an amendment to the Esch-Cummins bill which would guarantee Negro interstate travelers the same treatment as accorded white passengers on railroads in all states in the union. Trunk line carriers in the south as well as short lines, Murray said, had suffered serious financial loss because of discrimination against the Negro traveler.
